NEWS OF THE WORLD IN BRIEF

WOMAN TAKES OWN LIFE

Sydney, C. B., Aug. 3—Returning from an errand at noon today, the thirteen-year-old daughter of Sam MacDonnell was horrified to find the body of her mother suspended by a rope from the ceiling of a woodshed adjoining the kitchen of their home at Whitney Pier. Mrs. MacDonnell, who was 29 years of age, had been in ill-health for some time. Her husband and six small children survive. A verdict of suicide while temporarily insane was rendered at the inquest.

CLERGYMAN SHOT DEAD

Morgantown, Ky., Aug. 3—Shots fired through an open window killed Rev. Mr. Moss, an Evangelist, as he was standing in the pulpit, and fatally wounded Mrs. Jerome Robinson, who was sitting in the front row of the choir in a local church last night. Several persons narrowly escaped being struck by the shots, which were fired while the opening hymn of the revival services were being sung. Clifford Wilson was arrested and held for examination after a 14-year-old girl told officers she saw him fire the shots.

DEATH RATHER THAN ARREST

Cincinnati, Aug. 3—A single bullet, left in a pistol, which authorities claim was used in the midnight killing of Otto Itin, 19, and Mamie King Metzger, 30, twice a divorcee, today ended the life of Raymond Ross, 22, farmer, of Felicity, Ohio, just as he was about to be arrested for the dual murder. Ross, a suitor for the affections of Mrs. Metzger, shot himself through the head as officers approached his house.

KILLED AT A FESTIVAL

Bedford, England, Aug. 3—The basket of a captive balloon fell one hundred feet before a great crowd at a flower festival at Kempston, near here, today. Four persons were killed in the fall, including two women passengers and the operator of the balloon. The accident was caused by the gas bag breaking away from its netting.

WOMAN LEAPS TO DEATH AT NIAGARA

Buffalo, N. Y., Aug. 7—An unidentified woman leaped from the deck of the ferryboat Jamaica in the Niagara River, late last night, and was drowned. The swift current is supposed to have swept the body over the falls. The victim was about 40 years old. Her clothing indicated she was in deep mourning.

WANTS THE CONSTITUTIONAL QUESTION CLEARED UP

De Aar, Cape Colony, Aug. 6—Hon. F. W. Beyers, Minister of Mines, in a long speech here today on the constitution, said that at present the equal status of the Dominions, with other countries existed only in theory. It was desirable, he said, to put the matter in definite form and have a declaration which would make it clear that each of the Dominions forming the British Commonwealth should be on an equal footing with Great Britain and all the rest of the world.

FRENCH COMMENT ON EDERLE'S TRIUMPH

Paris, Aug. 7—Gertrude Ederle, being France's guest, her feat in swimming the English Channel is greeted with enthusiasm, particularly by the women folk, who regard it as a triumph for femininity. In swimming circles, it is considered that Miss Ederle's successful exploit demonstrates of beyond question, the superiority of new styles of swimming, especially the crawl over the breast stroke, on which most of the channel aspirants have pinned their faith for success.
