Moncton and Sussex hockey teams will cross sticks in a league game at the Royal Arena on Wednesday evening next, Feb. 3rd. This should be a good contest and one well worth seeing. The fans did not turn out in the numbers they should at the last game or two, a fact that is not very encouraging to the newly organized hockey association. It was not expected on account of the old team being practically disbanded, that Sussex could this season place a championship winning team in the field, and the string of Colts put in training have certainly made good and deserve a strong support from the public. Watch them after this year's experience and see if they do not make the best of them step some next season. It is to be hoped that the fans will turn out in force on Wednesday night next. Another thing for hockey fans to bear in mind is that the Kings County School League games are well worth attending, the boys all putting up good hockey.

SUSSEX COLTS TRIM MONCTON ATLANTICS 3-2

In one of the best games played this season Sussex defeated Moncton at the Arena rink, Moncton, on Wednesday night by the score of 3-2.

The Sussex Colts played good combination and goal tender. Roach made an excellent showing. Moncton played a good game, the poke checking of the forward line being an outstanding feature. In the opening session, Lutz scored for Sussex on Brooks' rebound. Gould, for Moncton, made a fine rush, stick-handled through the Sussex defence, drew Roach out and scored. Gould scored again on A. Basteraches' rebound.

In the second period, Frier on a pass from behind the net, scored for Sussex. There was a good brand of hockey in this session, the goal minders being kept busy.

In the third period, H. Radcliffe made a rush. Wilson saved. Radcliffe followed through and drove in the rubber on the rebound.
