

TALENTED ARTIST COMING HERE

MISS CAROL DOUGHERTY, OF BOSTON, MASS., WILL PRESENT ENTIRE PLAY IN ASSEMBLY HALL OF SUSSEX SCHOOL ON FRIDAY, MARCH 5.

Miss Carol Dougherty, a talented and charming reader and a member of the faculty of the Leland Powers School of the Spoken Word, Boston, will present an entire play entitled "Pomander Walk," in the Assembly Hall of the public school, Sussex, on Friday, March 5th.

Miss Dougherty is a Canadian, a native of Montreal, where she began her dramatic training, later graduating from the Leland Powers School.

Phidelah Rice says of her: "It is not so much the artistic excellence of Miss Dougherty's readings, important as this is that makes them the distinct and individual refreshment that they are. Rather it is the glimpse we get of Miss Dougherty's mind. And a fine clean wind swept mind it is, revealing a complete devotion to the sweet and wholesome verities in human relations and suggesting a joyous association with open spaces and the fragrance of Northern woods."

"Pomander Walk" by Louis Parker, is a romantic comedy of English life in the days of George III. In addition to its old time atmosphere it is a play of sound plot, and through it all runs a charming romance. Its many quaint characters afford Miss Dougherty an opportunity to display her powers of impersonation as well as the rare imagination which is one of her chief charms.

This entertainment is being brought to Sussex by the Women's Institute, and the proceeds are to go toward the War Memorial Fund. It is something different and is rather unusual opportunity in a smaller place like Sussex. The W. I. arranged ahead for this last Fall on learning that Miss Dougherty was to make a vacation reading tour of the Maritime Provinces.

The War Memorial Fund is still four hundred dollars short of the required amount. This entertainment and other efforts of the Women's Institute which are to follow, will give the public not only an opportunity of getting an abundant worth of their money, but also of helping a patriotic cause.

After the reading of the minutes Acting Mayor Frink said, before the regular business was proceeded with, he would like to express his regret that death has called H. E. Goold, and moved the following resolution:

"Resolved, that the Common Council of the City of St. John place on the records an expression of deep regret in the loss sustained by the death of Herbert E. Goold, Esquire, who for many years entered largely in the life of the community, not only as a public spirited citizen, but a man who gave his services without fee or reward as city horticulturist, and thereby gave pleasure and delight to thousands by his assiduous care and skill in the preservation of floral life in the public parks, squares and grounds of the city; and

"Further resolved, That a resolution of condolence be prepared and engrossed and forwarded to his widow and family under the Common Seal of the City."

This was seconded by Commissioner Wigmore and adopted unanimously.

J. D. O'CONNELL NOW IN MEXICO

LEFT CUBA IN DECEMBER AND HAS BEEN GIVING PICNICS IN CENTRAL AMERICA AND OTHER PLACES

J. D. O'Connell, the kiddies friend and picnic king, is at present in Mexico. He will come to Canada as soon as the weather warms up.

Mr. O'Connell has written the Record as follows:—

Chehuahua, Mexico, Feb. 6, 1926.

Editor, The Record,

Sussex, N. B.

Dear Sir:—

Kindly publish a few words to my friends in Kings County, so they will know where I am, and that I am well. I left Cuba in December and went to Central America, where I gave several orphan picnics. I came over to Mexico Feb. 1st, and will give a few more picnics here. I expect to go to California and continue giving picnics there and in the Southern States until the weather is warm enough to give them in Canada.

It is no use to write to me while I am moving so rapidly from one country to another, as more than half my mail goes astray in forwarding from place to place. But I will write again from some point on the west coast of America, giving temporary address.

Yours truly,

J. D. O'CONNELL.

PYTHIAN DEBATING TEAMS ARE HEARD HERE—MONCTON DE- FEATED ST. JOHN

The third and final debate in the series, between a team from Westmorland Lodge, K. of P. Moncton, and a team representing the Pythian Lodges of St. John, was held here on Thursday evening of last week. Resolved, that public ownership and operation of public utilities would be better than private ownership and operation. The Moncton team was composed of L. P. Stratton, leader; L. C. Jones, Watson Baird and C. H. Blakney. The St. John team was Ralph Gale, leader; C. F. Smith, Frank Grearson and R. Bennett. Up to this debate the teams were tie in the series, each having won one. The judges were Judge W. B. Jonah, Hon. J. A. Murray, former Premier of New Brunswick, and W. J. Jardine, manager of the Bank of Nova Scotia. The affirmative was supported by Moncton. The judges' decision was given to the affirmative, two favoring the affirmative and one the negative. The debate, which was open to the public, was very interesting and much appreciated.

The chair was occupied by H. I. Evans. Previous to the opening of the debate, G. H. Blakney on behalf of the directors of the Pythian Senator, donated a shield as a trophy to be competed for in debates by any of the Pythian Lodges in the Maritime Provinces.

A vote of thanks, moved by Mr. Gale of St. John, and seconded by Mr. Stratton, of Moncton, to the judges, was unanimously carried. Brief addresses were delivered by Judge Jonah, Mr. Murray and Mr. Jardine, the judges, all of whom spoke highly of the benefit derived from a debate such as had just been contended. Thursday nights decision gives the Moncton team the win in the series.

"ABBIES" HERE FRIDAY NIGHT

SUSSEX TO CROSS STICKS WITH OLD RIVALS AT ROYAL ARENA—A GREAT GAME IS ANTICIPATED

The Charlottetown "Abbies" will be here in force on Friday night of this week and cross sticks with the Sussex team at the Royal Arena. These teams are "old rivals" and when they come together on Friday night, there is no question about the fact that the best brand of hockey seen here this season will be in evidence.

The "Abbies" this year have practically all their old championship crew, McEachern, the two Prowse boys, "Sugar" Gordon, "Check" Williams, Kelly, the great defence man, and others are all on the line up.

Percy Radcliffe, who was injured in the last game played with St. John, is all right again and the "Colts" will be able to present a strong aggregation, one that will make the speedy "Abbies" hustle to win.

"Bill" Hay will also don the uniform for this game, and will play on the defense. The Abbies are put down as the strongest team in the N.B. & P.E.I. league, and it is very probable they will battle with the Nova Scotia leaders for the Maritime Championship.

There should be a big turn out of fans to witness Friday night's contest. It will be a battle royal and sensational hockey may be expected.

Diamond will be in the net for the visitors. On account of the large guarantee which had to be given to secure the game with the Abbies, the rink management has been obliged to make a slight increase in the price of admission.

The game will start at 8.15 o'clock. Be on hand and see the Colts in action with the fast Island sextette. It will be a feast for the fans and a record crowd is anticipated.

"THE FOOL" IMPERIAL TONIGHT

CROWDED WITH ENTERTAINMENT, VIVIDLY THRILLING—GREAT RECEIVES WONDERFUL DIRECTION IN PICTURIZATION OF BIG HIT

The much heralded screen version of Channing Pollock's greatest stage play, The Fool, which is playing at the Imperial, Thursday and Saturday of this week, was produced by the Fox company, and with a year spent in its making, this film adaptation of the Fool is rated as one of the finest pictures of the season by critics and the Sussex public alike who have already seen it this week.

The Fool, as many local treat-seers will remember who have read the play in book form, or who have seen its stage presentation, is the story of the adventures and romance of a young minister who believed that he could live like Christ in the twentieth century. It has been ever written for stage or screen, not only because of the significant moral message it contains but also for the sheer thrill and entertainment of its melodramatic action and climaxes.

All of the leading members of the cast were especially selected and Edmund Lowe, handsome young Fox screen star, scores the greatest success of his meteoric career in the role of the hero minister, Daniel Gilchrist. Another big part, one which Lowell Sherman made fame in on the stage, is that of Jerry, played by Ray Bloomer in the Fox screen version. Brenda Bond, a new and pretty face in motion pictures, but well known on the stage, has the role of Clare.

Thursday and Saturday are the last days of the engagement of the mighty screen melodrama, The Fool. The management is sure that there are many among the local Sussex screen patrons who have not taken advantage of the opportunity to see this greatest of Fox pictures produced and shown this year. They are reminded that the film adaptation of Channing Pollock's sensational stage play has been acclaimed greater than the original and that no theatre-goer's background is complete who has not seen The Fool. The Fool is a ten reel super-production. Only one show each night, starting at 8 o'clock, at usual prices.

ST. JOHN DEFEATED SUSSEX AT BASKETBALL

A picked up basketball team of St. John Intermediates defeated Sussex intermediate team here on Saturday night by the score of 9-4. The score was low on account of the men being marked so closely. St. John was ahead at the end of the first period. At the end of the second period the score was tied. In the overtime play the game was very fast.

The lineup was as follows:—Sussex: St. John: Stackhouse (3) Cripps McLean (2) McInerney (2) Spear (2) Whelan Long (2) McPherson White McPherson

IMPERIAL'S FUN FROM THE PRESS

The Right Audience—Professor: "I am going to speak on liars today. How many of you have read the twenty-fifth chapter of the text?" Nearly every student raised his hand.

Professor: "Good. You are the very group to whom I wish to speak. There is no twenty-fifth chapter."
