SUSSEX FIREMEN DEFEAT MONCTON 4-3

The first in the series of home and home games to be played between Sussex and Moncton Firemen, was won by the locals at the Royal Arena on Wednesday night, when a sextette of the fire fighters from the railway town went down to defeat by the score of 4-3.

The game was fast and interesting throughout, and both teams put up a brand of hockey that surprised and pleased the large gathering of fans present.

The Moncton team was somewhat handicapped from the fact that it had no spares, as two men expected did not show up. And also nearing the end of the second period, Agnew, who was putting up good hockey, met with an accident in a mix-up, which resulted in a dislocated shoulder that put him out of play for the balance of the game. He was replaced by a Moncton youth named Lloyd Ware.

In the first period the only score made was turned in by Stultz, after 17 minutes play. Sussex failed to tally and the period ended Moncton 1, Sussex 0.

The second period which was faster than the first opened by Bell scoring in 2½ minutes. The puck was kept moving swiftly and in 11 minutes Stultz placed one behind Smiley. A minute later H. Radcliffe tallied for Sussex and repeated the dose shortly afterwards, making the score 3-2, in favor of Moncton.

The third period had hardly got under way when Billy Keith in a nice rush scored one, making the play even 3-3. After a ding dong battle of 15 minutes, H. Radcliffe notched up another and there was no further scoring

In this period Percy Smiley was injured by being hit in the face with the puck, and the game was delayed ten minutes, while he was receiving medical aid. He pluckily returned to the net after receiving first aid treatment. The period and game ended with the score standing Sussex 4, Moncton 3.

Joe LeClair refereed to the entire satisfaction of both teams. He imposed only one penalty.

The line ups were:

Sussex		Moncton
	Goal	
Smiley		Cummings
	Defence	
W. Friars		Bell
J. Friars		Delahunt
	Forwards	
H. Radcliffe		Ingraham
Anderson		Agnew
Keith		Stultz
J. Watson		
F. Lewis		
C. Bonnell		
Roy Cunningham		

After the game the visiting firemen and friends were entertained in No. 1 engine house at a smoker. Refreshments were served and an enjoyable social hour spent.

SUSSEX HIGH WINS KINGS CO. SCHOOL HOCKEY LEAGUE— GOES THROUGH SEASON WITHOUT DEFEAT

For the second successive year the Sussex High School has won the Crosby cup donated for competition at hockey between the schools of Kings County. This is also the second season that they were not beaten in a league game. The boys have been playing great hockey this year, and should they enter the play-off they would be strong contenders.

The team has an evenly balancer forward line with three subs, who are nearly as good as the regulars. In Freeze and G. Bolton the team has two hefty fast skating defence men, while in Wilson they have one of the best junior goalies turned out here for many years.

Although the team did not lose a game this year they were forced into overtime play in three games. At Norton the full thirty minutes overtime was played to decide the issue.

FOWLER BLOCK.

The Sussex team had a total of 44 goals and were scored on 12 times.

The Sussex boys were hosts to Rothesay Consolidated on Thursday last and came through with a 6-2 win. The game was fast throughout, although the Sussex boys always had a slight edge. G. Bolton and Prescott each caged one goal and Kennedy and McDonald split on the other four. The Sussex team all played well, while Kirkpatrick was the star for Rothesay.

J. Friars refereed and handed out several penalties. Prescott was the worst offender, paying the timers visits on five different occasions.

The local boys continued their winning streak at Rothesay on Saturday, when they won a 5-0 victory over the Rothesay Collegiate. This was the second shutout victory for the Sussex team. The Sussex team had an edge on the play throughout.

At Norton the Hampton team received a 14-0 setback. The Norton team was all over the visitors and they handed them a worse beating than was expected.

Fans who visited the Arena on Monday night were treated to a fast game of hockey between Norton and Sussex. The Norton boys were determined to win as a victory would send them into a tie with Sussex for the league leadership, while Sussex was out to increase their advantage. The local team managed to win by a 3-1 score, after ten minutes overtime.

Neither team scored in the first session but in the second each side secured one, Kennedy turning the trick for Sussex on a nice shot. Both teams worked hard in the last period but the defences were strong and no scoring resulted. Better use of the subs began to tell in the overtime and Prescott and Kennedy both scored to give Sussex the championship and the Crosby Cup for another year.

IN MEMORIAM

DIBBLE—In fond and loving memory of my dear husband, John A. Dibble, who passed from this life Feb. 15, 1925.

How much I loved him
No tongue can tell,
God loved him too,
And thought it best
To take him to his heavenly rest.

I mourn for thee, dear husband,
But not with outward show,
For the heart that mourns sincerely
Mourns silently and low.

WIFE.

LISSON—In memory of Edith E. Lisson, who was called home Feb. 16, 1922. Missed by her family.

Our own are our own forever,
God taketh not back His gift;
They may pass beyond our vision,
But our souls shall find them out.
When the waiting is all accomplished
And the deathly shadows lift
And Glory is given for grieving,
And the surety of God for doubt.

We may find the waiting bitter
And count the silence long,
God knoweth we are dust
And He pitieth our pain.
And when Faith hath given to fulness
And the silence changed to song
We shall eat the fruit of patience
And shall hunger not again.

So sorrowing hearts who humbly in
Darkness and all alone
Sit missing a dear lost presence
And the joy of a vanished day
He comforted with this message
That our own are forever our own
And God who gave the gracious gift
He takes it never away.
