"THE IRON HORSE" IMPERIAL TONIGHT

THURSDAY, FRIDAY, SATURDAY—MATINEE SATURDAY AFTERNOON STARTING AT 3 O'CLOCK. —HUNDREDS OF SUSSEX FANS ALREADY PLEASED WITH ITS SHOWING MON. AND TUES.

When the Imperial made the announcement shortly after the arrival of the noon train on Monday that the picture "The Iron Horse" had arrived from Summerside, P.E.I., it took our town citizens completely by surprise, as they were waiting a long time to see this picture. The result was that the news spread like wildfire and the Imperial received a good patronage during its showing the first of the week.

It took three years to complete "The Iron Horse."

Members of the cast and approximately 5,000 extras lived through the rigorous months on the Nevada desert and in the Sierra range, in tents and lean-to shacks, enduring the same hardships so far as the elements were concerned, as those experienced by the transcontinental pioneers they portrayed.

Two complete towns were built in a setting as picturesque as that which surrounded old Benton at end o' track in the days when eastern newspapers described the settlement as "hell-on-wheels."

Three tribes of Indians were used in the picture, one of Cheyenne, one of Sioux and a third of Pawnees.

When fine, hard snow swept down from the high country ahead of a tearing wind, these Indians sat hunched in their blankets, grimly calm. They were the same in the summer months when a desert sun scorched all that it shone upon.

To feed the extras and the Indians it was necessary to employ 100 cooks and assistants.

When supplies ran low, a hurry call was sent, and until the necessities came in they lived on what they had.

The cast included all nationalities, with a preponderance of Irish and Chinese. To dress a regiment of troops in the garb of the old West required 1,000 costumes. The troops came from Salt Lake City under command of Col. J. K. McGee.

In addition to these, costumes were provided for hundreds of girls who appeared in the picturesque hoop skirt and pantalette style of the times, and for cow-boys, rail workers and scouts.

The engines which appear in the picture were the originals of both railroads, having been loaned especially for the purpose.

There will be a special matinee Saturday afternoon starting at 3 o'clock. Special prices. See advt. on page 2.

"HIGH SPOTS" IN KINGS COUNTY

The following table showing the "high spots" in Kings County is taken from "Altitudes in Canada," a report prepared by James White, F.R.S.C. The figures submitted is the elevation above mean sea level.

	Feet above sea level.
Bald Mountain	1430
Bull Moose Hill	750
Kingston Peninsula (ridge at one end)	600
Hillsdale (hill 4½ miles south-east)	1223
Fowler Corner (nearby hill)	675
Londonderry (hill north)	1250
Cripps Hill	1225
Mechanic Sett. (Post office hill 4 miles S.W.)	1400
Kars	288
Scotch Settlement	660
East Scotch Sett.	520
Collina Corner	475
Snider Mountain	720
Fenwick P. O.	605
Jordan Mountain	775
White's Mountain	790
Springhill	450
Perry Sett.	440
Picadilly Mountain	1000
Pollett Lake	968
Shepody Road P. O.	850
Barnesville	470
Markhamville (at mines)	700
Makhamville (hill 1 mile north of mine)	1045
Salt Spring P. O. (1 mile west)	300
Saddleback Sett.	1000
Campbell Sett. (Hill east of)	1050
Pleasant Lake	1200
Long Settlement	1200
Waterford P. O.	840
Jeffry P. O.	375
Lakefield	500
Wamanake	650

Asst.-Treas.—Mrs. Frank Buchanan.
Secretary—Mrs. L. A. Putnam.
Asst.-Secty.—Mrs. A. S. Murray.
Convener for Watch Town Committee—Mrs. Harry Morton.
Auditor—Mrs. Robert Morison.

FIRE CHIEF DALY'S ANNUAL REPORT

SUBMITTED AT MEETING OF THE TOWN COUNCIL.—CALLS ATTENTION TO FACT THAT THE APPARATUS IS NOT PROPERLY HOUSED.

At a meeting of the Town Council held on Monday evening Chief Daly submitted his annual report as follows:

To His Worship the Mayor, and
Members of the Town Council
of the Town of Sussex, N. B.

Gentlemen: I beg to submit my report of the Fire Department for the year 1925.

During the year the department has responded to 18 bell alarms, 2 still alarms, 1 false alarm, 4 outside calls, a total of 25 alarms with 12 fires.

The outside calls were as follows: May 22nd, 3 p.m., Hampton, N. B.; May 28th, 5.30 p.m., Lawrence Fenwick house; June 26, 2 p.m., Petitcodiac; Sept. 1st, 7.45 p.m., Prescott House, Sussex Corner.

The most serious fire of the year was in the Sussex Manufacturing Co. office on July 31st.

Of the 12 fires during the year 5 were roof fires on dwellings with wooden shingles. I feel safe in saying had these buildings been covered with patent roofing, the department would have been saved these five runs and the town considerable expense.

The department had in service during the year 3,950 feet of hose.

The fire loss for the year was $6,333.00
Property loss $6,333.00
Insurance loss $3,833.00
Loss not insured $2,500.00

Two branch pipes have been added to the equipmnet during the year.

The apparatus consists of two motor hose trucks, one motor ladder truck, one motor salvage corps and fire police truck.

The department has on hand 1900 feet of serviceable hose and 250 feet in fair condition. While this is less than the amount of hose we should have on hand, I would not advise buying more this year. I would, however, advise installing more hydrants, one or two a year as I requested three years ago. With hydrants close together we could reduce our amount of hose and the department do better work with shorter lines.

As you know, the life of a hydrant, if used for fire purposes only is a very long time, while a joint of hose will rot and wear out in a very short time.

Taking the matter of expense into consideration, the odds are in favor of more hydrants and less hose. I might say the cost is about the same, that is to say, about $100.00 each.

I wish to again state the equipment is not properly housed.

The electric alarm system consists of 9½ miles of wire, 15 street boxes, 1 bell striker, and 15 bells, 2 sets of storage batteries, volt meter, amp. meters, dynamo and necessary electrical appliances.

This is all in first class condition, and is well looked after by Mr. C. D. Mills, the superintendent, who gives it every attention.

The department is in need of rubber coats.

I am pleased to say all the equipment is in first class condition.

The department has responded promptly when called upon, and as in the past the officers and men have given every satisfaction.

In closing I wish to thank the officers and members of the Salvage Corps, and Chief of Police Asbell, for their assistance during the year. Also the Mayor and Members of the Town Council in meeting with my requests on behalf of the department.

I have the honor to be, gentlemen,
Your obedient servant,
JASPER J. DALY,
Chief, Fire Department.

MISS CAROL DOUGHERTY HERE FRIDAY

TALENTED DRAMATIC READER WILL BE HEARD IN THE PLAY "POMANDER WALK," IN SCHOOL ASSEMBLY HALL.

Interest is steadily growing in the entertainment to be presented in the Sussex School assembly hall on the evening of Friday, March 5th, under the auspices of the Sussex Women's Institute. This is "Pomander Walk," the entire play to be read and impersonated by Miss Carol Dougherty, of the Leland Powers School faculty in Boston, Mass.

"Miss Dougherty brings to her art not only sincerity of purpose and understanding of character, but a rare and lovely imagination, an unusual sense of humor, an optimistic outlook on life which radiates through her reading and lends its individual charm and flavor."

Indications point to a large attendance. The Institute is hoping for this. Those who go are assured of a double satisfaction—a splendid entertainment at a very reasonable price and a sense that they have helped to make possible a memorial in Sussex for those whom we cannot afford to forget—those who are sleeping "Over there."

INFORMATION WANTED REGARDING WESLEY HODGEN

(From Pictou Advicate)

County Clerk Andrew Fraser recently received the following letter from Lincoln, New Hampshire. Anyone having any knowledge of the whereabouts of Mr. Wesley Hogden is asked to communicate with Mr. Fraser:

Lincoln, N. T., Feb. 12-26.

Dear Sir: I have a brother somewhere in your part of the country, I think, and I would like to find him if it is possible. His name is Wesley Hodgen and he belongs to Apohaqui, N. B. I will thank you very much if you will answer this and let me know if he is in your county.

ALBERT HODGEN,
Box 296, Lincoln, N.H.

Patchwork shoes are a fad in London.

MEETING OF THE TOWN COUNCIL

REINVESTMENT OF $20,800.00 VICTORY LOAN BONDS DUE 1934 ARRANGED FOR WITH THE EASTERN SECURITIES COMPANY.

A meeting of the Town Council was held on Monday evening at which His Worship Mayor Murray presided. All the Aldermen were present with exception of Alderman Jones.

At the request of the Mayor, Mr. J. P. Atherton was asked to explain to Council the suggestion submitted by Eastern Securities Ltd. for the reinvestment of $20,800.00 Victory Loan 5½% bonds due November, 1934, in Province of British Columbia, Province of Saskatchewan and Province of Alberta bonds of later maturities.

Mr. Atherton explained that a premium could now be obtained on 1934 bonds which could only be disposed of at par in 1934; and also that while the present interest rate would be lower the ultimate value would be very much more, and the 1934 would have to be reinvested in any case, as the Town have no bonds due till 1942.

Ald. Vickers moved that the offer of Eastern Securities Co. Limited to exchange $20,800.00 par value Victory Loan, 5½% bonds due November, 1934, at a price of not less than $103.75 with accrued interest (such bonds now being owned by the Town of Sussex) for $10,000.00 province of British Columbia 4½% bonds due January 15th, 1951, at $94.75 and accrued interest, and $9,000.00 province of Saskatchewan 4½% bonds due February 2, 1945 at $95.25 and accrued interest, and $4,000.00 province of Alberta 4½% bonds due January 15th, 1946, at $95.00 and accrued interest; any monetary difference between the two exchanges at above prices to be received or paid as case may be.

This motion was seconded by Ald. Dr. Kennedy and on being put was unanimously carried.

Moved by Ald. Kennedy regarding the Wallace Manufacturing Company, that the Town Council buy 3 25 H.P. transformers the cost of which will be $168.20 each—$504.60— and one 200 amp. meter at $85.70, for the purpose of equipping the Wallace Manufacturing Company as per suggestion of H. W. Wallace, the manager of said company. And it is further moved that there be no reduction in our present rates of horse power per month, and provided further that the Wallace Manufacturing Company Limited enter into a contract with the Town of Sussex regarding time of use, and that will in all other respects, be satisfactory to and be approved by the Mayor and the members of the hydro committee.

This motion was seconded by Ald. Vickers and upon being put it was unanimously carried.

HOCKEY AT NORTON

The Norton Outlaws added another victory to their list by defeating the Sussex Wildcats by a score of 6—2 at Norton last week.

When the Sussex boys arrived at Norton it was snowing quite heavy, but this did not prevent the game from being a good one. The Sussex team hope to play a return game with the Norton boys at Sussex next week and are in hopes of breaking into the latters' chain of victories. The line-up:

Sussex.	Norton
Goal	
E. Wilson	Huggard
Defense	
J. Wilson	Peters
Whalen	Nodwell
Forwards.	
Anderson	Byrne
McArthur	Harmer
Friars	Cripps
Spares	
M. Allen	E. Cripps
P. Rouse	R. Marr
D. Knox	S. Marr

The goal-getters were—Sussex: McArthur 1, Wilson 1. Norton: Harmer 2, Bryne 2, Peters 2.

LAMB PLAYING FOR PROBABLE MONTREAL JUNIOR CHAMPIONS

Joe Lamb is playing on the Montreal Royals, who won an 8-1 victory over the Victoria juniors in the first game of the playoffs for the junior championship of Montreal. The winner of the series will play off with the winners of the Quebec-Sherbrooke series for the right of representing Quebec province in the Dominion playoffs. The Bankers League is finished in Montreal, Banque Canadienne Nationale winning by virtue of a 5-0 win over the Royal Bank team. Montreal, Royal and Commerce finished in this order. Lamb was used on the defence for the Royal Bank to speed up the play and he turned in a star game.

Fire early Tuesday morning destroyed the vocational building of the Nova Scotia Sanitarium, at Kentville, N. S., at an estimated loss of $12,000. The biulding housed the carpentry and basket weaving departments of the institution. The cause of the fire is not known.

IMPERIAL'S FUN FROM THE PRESS

Case For the S. P. C. A.

The tightest man in the world is the Scotchman who shot off a pistol outside of his house on Christmas Eve and then came in and told the children that Santa Claus had committed suicide.

A. D. 1925

"So you're lost, little man? Why didn't you hang onto your mother's skirt?"
Youngster: "Couldn't reach it."

LAYING ALL JOKES ASIDE

—do you realize that "The Iron Horse" which played for a solid year in a New York Theatre, is being repeated at your own "Small Town Theatre with all the Big City Attractions" again Tonight (Thurs.), Fri. and Sat. and a Saturday Matinee, after already pleasing hundreds of Sussex fans on Monday and Tuesday. The admission is not $1. to $2. as in New York, but the lowest ever charged in Canada—15c, 25c, 35c.
