LORENE MUIR, OF PEARSONVILLE, ACCIDENTALLY SHOT

A shocking fatality happened on Friday afternoon last, at Pearsonville, when Lorene Muir, son of the late George Muir, was accidentally shot and killed by his own rifle while returning from a hunting trip. Mr. Muir had gone out about 3 o'clock in the afternoon into the woods on his own land, and intended to be back by supper time. When he did not return his brother, Wilmot, started out and went up through the pastureland looking for him. Following a path behind a little bunch of bushes he found the body of his brother, lying with a shot through the right temple. The gun was lying beside him with an empty shell in it.

The body was taken to the home and Dr. L. R. Murray and Chief of Police Asbell, of Sussex, were summoned. They visited the scene and after investigations decided that death had been purely accidental. It was supposed that young Muir had tripped and fallen, causing the gun to discharge. He was alone at the time of the accident.

The victim was 29 years old and unmarried. He is survived by his widowed mother, three sisters, Mrs. Ora Anderson, Ward's Creek; Mrs. Murray Boyd, Bridgeport, Conn.; Miss Clara Muir, at home; and three brothers, Herbert, Belleisle; Murray, Rubicon, Sask.; and Wilmot, of Buffalo. Wilmot happened to be home on a visit and he it was who found his brother's lifeless body.

The funeral was held on Sunday afternoon and was very largely attended, showing the esteem in which the deceased young man was held in the community. Interment was made in Woodland cemetery.
