DOCTOR ADVISED OPERATION FOR MRS. PENN

She Escaped It by Taking
Lydia E. Pinkham's Vegetable Compound

Windsor, Ont. — "After the birth of my first baby I was very much run-down in health and the doctor said I must have an operation as I was suffering from a displacement. My friend wanted me to try your medicine—Lydia E. Pinkham's Vegetable Compound—and I took it steadily for a year. During this time I was carrying my second baby and I felt real well all the time and did not have a hard confinement. I feel sure the Vegetable Compound did me a lot of good, and all my people do, too. One sister in Leamington, Ontario, takes it, and both sisters praise it as a good medicine. I am more than pleased with the result." — Mrs. W. PENN, Windsor, Ontario.

Mrs. Corbin Relieved from Pain
Stewiacke, N. S. — "I had pains across my back and in my side for two years after my first baby was born. My mother had taken Lydia E. Pinkham's Vegetable Compound and I read about it in the papers, so I tried it and the pains all left me. I have a family of three children now, and the medicine helped me during the months before they were born. I recommend it to my friends." — Mrs. CARY W. CORBIN, Main Street, Stewiacke, Nova Scotia.

ACROSS CANADA AND BACK

"Marvelous beyond conception" aptly describes the glories of Canada's Rockies. To be fully appreciated they must be seen. To start out on a trip by one's self into this unfamiliar but far-famed paradise-on-earth, to many appears quite a task. Realizing this, Dean Sinclair Laird, of Macdonald College, an experienced Rocky Mountain Traveller, for the third year in succession has undertaken to conduct a party through this glorious wonderland.

A special train of dining, standard sleeping, and observation compartment cars has been chartered, to leave Toronto on July 19th via the Canadian Pacific Railway. Stops will be made at Port Arthur and Fort William, which together form Canada's greatest grain port; Winnipeg Beach, the popular summer resort for Winnipeggers; Winnipeg, Canada's third largest city; Indian Head, the chief tree distribution centre of the Federal Forestry Branch; Regina, the capital of Saskatchewan; Calgary, Alberta's largest city; Banff, the world-famous mountain resort; by automobile for 104 miles over the Banff-Windermere Highway, the most spectacular drive in Canada; through Kootenay Lake to Nelson, the commercial centre of Southern British Columbia; then through the Doukhobor country to Penttiston; along lovely Okanagan Lake, and to Vancouver, thence by steamer to Victoria.

Returning, the trip will be by the main line of the Canadian Pacific, through the great canyons of the Fraser and Thompson Rivers, and through the Selkirk and Rockies, affording scenery such as can be found nowhere else on earth; Lake Louise, the Pearl of the Rockies, the most perfect gem of scenery in the world; another day at Banff, Edmonton, the Capital of Alberta; Saskatoon, the city of optimism; Devils Gap Camp, on the Lake of the Woods, near Kenora, thence to Fort William, where one of the fine Canadian Pacific steamers will be used across Lakes Superior and Huron to Port McNeill, then rail to Toronto, where the trip will terminate.

Everything is included in the price of \$330.00, from Toronto; transportation, sleeping cars, accommodation in Hotels, and Bungalow camps, meals in diners, hotel and on steamers, and sight-seeing tours at points visited.

The trip is open to all, and applications for accommodation are now being received.

Fares from other points than Toronto will be named and descriptive illustrated booklet sent on application to Dean Sinclair Laird, Macdonald College Post Office, Que.

A FAMILY MEMORIAL

should be a record for the ages

THE extra cost of a good monument over the other kind is a duty to those who come after quite as much as to those remembered.

THE value of our guarantee is evident in thousands of monuments erected by us from Halifax to Campbellton during the SIXTY YEARS we have been in business.
