MAGNESIA BEST FOR YOUR INDIGESTION

Warns Against Doping Stomach With
Artificial Digestants

Most people who suffer, either occa-
sionally or chronically from gas, sour-
ness and indigestion, have now dis-
continued disagreeable diets, patent
foods and use of harmful drugs, stom-
ach tonics, medicines and artificial di-
gestants, and instead, following the ad-
vice so often given in these columns,
take a teaspoonful or two tablets of
Bisurated Magnesia in a little water
after meals with the result that their
stomach no longer troubles them, they
are able to eat as they please and they
enjoy much better health. Those who
use Bisurated Magnesia never dread
the approach of meal time because
they know this wonderful anti-acid and
food corrective, which can be obtained
from any good drug store, will instan-
tly neutralize the stomach acidity,
sweeten the stomach, prevent food fer-
mentation, and without the slightest
pain or discomfort. Try this plan
yourself, but be certain to get pure
Bisurated Magnesia especially prepar-
ed for stomach use.
