

"LIMITED MAIL" IS FILM THRILLER

IMPERIAL (TONIGHT) THURSDAY, FRI., SAT., SAT. MATINEE—ALSO SECOND CHAPTER OF "THE GREEN ARCHER"—OLD STAGE MELODRAMA SAID TO BE MOST EXCITING OF NEW PICTURES.

The Limited Mail is roaring through a storm in the Colorado mountains. As it sweeps down the curving roadbed, a terrific landslide catapults tons of dirt across the tracks. Three tramps, seeing the light of the train high in the hills, know that the passengers face death unless the obstruction is removed. Working with frenzied haste they have the tracks cleared as the train is upon them.

Jim Rowler, the train mail clerk, invites the trio of hoboes aboard the train. One of the three proves to be Bob Simpson, son of wealthy New York parents, who have disowned him because of an affair with a flashy adventuress.

Jim brings Bob with him to his home, and there they find that Jim's wife has died, leaving a baby boy, whom they name Bobbie. The two men agree to bring the youngster up. Bob gets a job as a freight engineer, and for four years enjoys hard work and primitive simplicity. He is falling in love with Caroline Dale, a pretty waitress at a railroad buffet, when the adventuress, Jane Gordon, again crosses his path.

Jane's arrival sets him brooding over his misfortunes, so that one night when he is ordered to take out the Limited Mail, he misses a danger signal. The Mail crashes into another train; cars are telescoped and overturned; hundreds of passengers are injured. And Bob's closest friend, Jim Fowler, is killed.

Bob, taking little Bobbie with him, flees to the mountains in a frenzy of grief. Then one day he sees another of the great landslides sweep over the tracks. He decides to swim the river to warn the engineer. Little Bobbie tries to follow him and is near drowning. It's a question of saving the kid he loves or saving the passengers. Bob saves the passengers. His heroism is rewarded by a full pardon for the train wreck he caused. One of the tramps of his hobo days has meanwhile saved little Bobbie.

Matinee Saturday at 3 o'clock.

APRIL MEETING OF NORTON BRANCH W. I. WELL ATTENDED—REPORTS SHOW MUCH ACTIVITY.

The Norton branch of the Women's Institute held its April meeting on Thursday, April 8th at the home of Mrs. Nelson Laughery. There were 22 members present. The president, Mrs. G. Harold Perkins, was in the chair. The secretary, Mrs. G. C. Brown, read the correspondence among which was a letter from Miss Nutter, Fredericton, Superintendent of Women's Institutes, in regard to hygiene, and the secretary was requested to send for a copy of the paper "Social Hygiene" to be read at the next meeting. Mrs. H. O. Pollock, R.N., of the Kings County Municipal Home, gave a short talk on hygiene and suggested as a step along this line that the Institute furnish tooth brushes, etc., for some of the inmates of the home. It was decided that the Institute do so, for the children who are at present in the home.

A report was brought in of destitution and sickness in a home some few miles from the village and Miss Ella Start was appointed to investigate and provide what relief was needed on behalf of the Institute. After the business was over there was a contest, Mrs. Lisle Heine and Miss Kathleen Folkins winning the prizes.

Afternoon tea was served by the hostess and assisting with the refreshments were Mrs. Albert Ryan, Mrs. James Byron, Mrs. Elmer Myers and Mrs. Robert Chambers and Kathleen Folkins.

The May meeting will be held at the home of Mrs. James Byron.

—J. Warren West, of Hampton Village, a former resident of Sussex, had the misfortune one day last week, to fall from a step ladder, dislocating his shoulder.

MEETING AT HAMPTON TO DISCUSS SCHOOL SPORTS—THREE GIRLS EVENTS TO BE ADDED

A meeting was held at Hampton on Saturday afternoon to discuss the school track and field meet to be held June 3rd. It was decided to hold the meet in Sussex if the athletic field is available, and if not Hampton will stage the contest.

This year there will be three girls events on the programme: the high jump, the seventy-five yard dash and tennis doubles. These events will not count in the point scoring for the Bolton shield.

Sussex Grammar school was represented at this meeting by W. Hart and D. Bolton.

LORD BEAVERBROOK TO OFFER TRAVELLING SCHOLARSHIPS TO HIGH SCHOOL TEACHERS.

A London despatch of recent date states that Lord Beaverbrook has informed the Canadian Press that after conversation with Mr. Justice O. S. Crockett of the King's Bench of New Brunswick, he has declared to offer travelling scholarships to High School teachers of New Brunswick as an experiment.

"I have reason to hope," Lord Beaverbrook said, "that Mr. Justice Crockett will consent to act as chairman of the selection committee for apportioning the scholarships. Selection will be made immediately. By this means there will be an opportunity for the teachers to travel in Great Britain from July 1 to the end of the summer vacation. During the British tour the teachers will be afforded every facility for studying the social and political conditions in Great Britain at close range. I will hope that Mr. Justice Crockett will work out the details and those wishing to offer themselves should apply to him."

Lord Beaverbrook, who was created a Baron in 1916, was born at Newcastle, N.B., and was educated in the public schools of that town.

CONGRATULATION TO J. E. B. MCCREADY.

(From P. E. I. Patriot)
Our warmest congratulations are extended to our genial confrere, Mr. J. E. B. McCready, the Island's veteran journalist, who was showered with congratulations from all parts of Canada on Easter Sunday, on which day he reached his 87th birthday. Mr. McCready is still a physical and mental wonder. Amongst his other activities, he still wields the same facile and able pen as of old, as is evidenced by his couple of columns or so of editorial "Notes by the Way" which appear daily in the Charlottetown Guardian. Our best wish, if it were possible, would be that Mr. McCready might live to again celebrate his birthday on the next Easter Sunday that falls on April 4th, which will be in the last year of this century, 1999. In the meantime we wish him many happy and vigorous returns of the day.
Ed. Note.—The Kings County Record extends congratulations and best wishes. We trust that this eminent son of Kings county will live to enjoy many more birthdays. Mr. McCready was born at Penobscus on April 4th, 1839.

"IT HAPPENED IN JUNE" TO BE PLAYED BY LOCALS

DRAMATIC CLUB FOR COMMUNITY EFFORT FORMED IN SUSSEX—FIRST PLAY TO BE PRESENTED IN THE SCHOOL ASSEMBLY HALL ON APRIL 22nd AND 23rd.

A number of young people of Sussex have banded themselves together under the leadership of Mr. H. W. Wallace with a view to providing the citizens of the town with clean and entertaining plays about four times annually, the profits to be devoted to any worthy community effort which may need their assistance from time to time.

Their first effort in this direction will be made on April 22nd and 23rd when that essentially human and humorous comedy "It Happened in June" will be presented for the approval of the citizens of Sussex and the surrounding country.

The profits from this play will be devoted to thoroughly equipping the stage in the school assembly hall where the above play will be presented. The equipping of the stage in the auditorium is very necessary and will doubtless improve the acoustic properties of the hall and should there be sufficient profit it is proposed to equip the chairs with rubber silencers in order to lessen the noise at school closings and other entertainments and thus provide greatly increased enjoyment for the audience.

The Trustees of Sussex school are to be congratulated on their decision to allow the assembly hall to be used for entertainments given for community purposes. The citizens anticipated that this would be done when the new school was built and are glad to see the Trustees making such excellent use of the assembly hall.

The members of the Dramatic Club deserve the thanks and hearty support of the citizens for giving freely of their time and skill for this most worthy object and the fact that Mr. H. W. Wallace is directing affairs is a sure guarantee of excellent productions, well managed and skillfully portrayed. No member of the Dramatic Club is being paid and the citizens have the satisfaction of knowing that 100 p.c. of the profits will be used for community purposes.

A complete statement of receipts and expenditures will be published periodically through the columns of the Record.

The following is the cast of "It Happened in June," a dramatic comedy in three acts:
Bell Branssen..... Pearl Gaunce
Susan Crandell..... Edith McRae
Nel Crandell..... Kay Prescott
Evelyn Scriggs..... Greta Whitney
Charles Atkins..... Billy Keith
Randy Stewart..... Charles Upham
Ian Fretchell..... Ed. Moirney
James Sneed..... Lew W. Gay

Harry Wallace, Director.

The curtain will on all plays put on by the S.A.D.C. promptly at 8.15.

The S.A.D.C. orchestra will play selections for the entertainment of the audience from 7.45 till the curtain rises.

Specialties between acts will make the entertainment continuous from 7.45 till the last curtain.

All entertainments will be at popular prices.

In order to prevent disturbances the audience are requested to be in their seats not later than 8.10.

Don't forget the dates and place—Sussex school assembly hall, April 22nd and 23rd.

RUBBERS

For Ladies and Girls

In the very best quality of rubber. In the lasts to fit your boots, at a price you can afford to pay. Nothing taken out to reduce the wearing qualities. Not a cent added to the price.

With raw rubber up from 14c to \$1.00 a pound (think of that) you can see where the price is bound to go. Think of the slush that is before you when the thaw comes. No one can say that rubbers will not be much higher and it looks as if everybody would need a pair.
