"NOTHING"—NEW HOSE SHADE

Men should not be alarmed this Spring, says the Toronto, Mail, if their wives and daughters suddenly appear to have disregarded the weather man and the proprieties and stepped out minus their hose. Men should simply stifle their desire to use robust language and study the situation more closely. They will discover that their beloved women folks are simply obeying the whimsies of fashion and are wearing the new shade in hose, known facetiously and descriptively by the name of "Nothing." It is a decided flesh tint.

Instead of buying full length hose and "rolling her own" this Easter, the flapper and all her allied kinswomen will buy the new "self role" sock which some kind manufacturer has rolled nicely for her. She may purchase this hose in "above the knee" or "below the knee" length.

Sports hose for hiking are of silk and lisle and have a billiard cuff. They are most suitable to wear with knickers.

Its' a chiffon season, although one fashion authority says that fine French lisle stockings are being worn with cloth dresses, especially for business wear.

One dealer, asked what he thought about this, was skeptical. He said, yes, he remembered the day when women wore cotton and woollen stockings, too, but he didn't think any woman would wear cotton stockings if she could have silk.

The new chiffon hose show many variations of grey and beige shades, including blush, peach, French nude, bran, sunburn, pongee, peach, zinc moonlight, dove, rose, maresque—which has a decidedly reddish cast—and circassin. Black and platinum are coming in again. Bright colors, which will be worn with frocks or sports suits to match, include chartreuse green, orchid, powder blue and yellow.

DRAGGING-DOWN PAINS RELIEVED

Woman Suffered Nearly a Year. Lydia E. Pinkham's Vegetable Compound Brought Her Health

Moose Jaw, Sask.—"I am going to try to tell you what Lydia E. Pinkham's Vegetable Compound has done for me. I suffered very badly with dragging-down pains and inflammation, also pains in my right side over my hip and down my whole side into my leg. I had it nearly a year when I went to a doctor and he said I would have to have an operation. But my mother said to take Lydia E. Pinkham's Vegetable Compound as it saved her life years before. I took two bottles and I found I was better, so I kept on taking it and also used Lydia E. Pinkham's Sanative Wash. I have had two more children since then and am perfectly well. I used to have to lie down two or three times a day, and now I do all my housework without trouble. I always keep the Vegetable Compound in the house as I find a dose now and then helps me. I am willing for you to use this letter any way you see fit and I will answer letters. If I can help any other woman I'd be only too glad to try."—Mrs. ESTHER HOUGHTON, 712 Athabasca W., Moose Jaw, Saskatchewan.

Lydia E. Pinkham's Vegetable Compound is a dependable medicine for all women.

BUSY SEASON EXPECTED IN CROSS CHANNEL SWIMMING

The busiest season in cross channel swimming looms up for 1926. Four months must pass before any swimmer dives off this rocky point to try to reach the English shore, but already Wm. T. Burgess, vetertan trainer and second man to swim the channel, has established headquarters for training competitors. Two Canadians are expected to be in the swim. These are Omer Perriault, husky French Canadian, and Eva Morrison, of Pictou, N. S., who recently demonstrated her indifference to cold water by outstaying overcoated spectators of her swim in Boston harbor. Others who will try the channel will be Ishak Helmy, gigantic Egyptian, Jean Demieville. of Geneva, Georges Poilley, of France, Madame Jane Sion, of Dunkirk, Mlle. Suzanne Wurtz, former French champion, and the Misses Helen Wainwright, Gertruce Ederle and Ethel Cannon, of the United States.

Suing George Neuman for breach of promise, Fraulein Emma Trondheim, of Berlin, Germany, demanded compensation for the evenings she had given up to entertaining him.
