TEACHERS AND OTHERS ALL EXPENSE TOUR ACROSS CANADA

A low cost, personally conducted, all expense, tour to the Pacific Coast, via the Canadian National Railways, and under the direction of Mr. C. A. Adams, B.A., Principal of Granby High School, Granby, Que., has been arranged for, a special train to leave Montreal July 8th next, returning on July 31st.

These tours have proven very popular and enable teachers and others desiring to avail themselves of their advantages in low cost combined with first class service to see the great new North woods of Ontario; Winnipeg and the fertile farm lands of the prairies; Jasper National Park—Canada's largest national playground; Banff, the far-famed Alpine resorts of the Canadian Rockies; the famous Triangle Tour of British Columbia; the Indian Village of Kluwanga, with its weirdly decorated totem poles and old Indian graveyards; enjoy the 550 mile voyage on a palatial Canadian National steamship through the sheltered scenic seas from Prince Rupert to Vancouver (part of the famous "Triangle Tour"); visit Victoria and Bueharts Sunken Gardens; the roaring gorges of the Fraser and Thompson Rivers; Mount Robson, the highest peak in the Canadian Rockies; the largest buffalo herd in the world at Wainwright, Alberta; spend two and a half days on a palatial Northern Navigation Company's steamer travelling through the Great Lakes and gaze upon the majestic awe-inspiring cataract of Niagara Falls, the illumination of the Falls in the evening by powerful electric searchlights, and numerous other scenic wonders, which will all make your holiday trip a source of education and delight.

Sports and recreation will be available at the different resorts and stop-over points; also on the steamers, and if you will, then ride, hike, climb, golf, swim, dance, promenade or play tennis.

This tour is highly commended by the officials of Bishop's College, Lennoxville, Que., and McGill University, Montreal, Que.

The rate from Montreal, including railway and steamship fares, lower berth in sleeping car, hotel accommodation, meals, sight-seeing tours, etc., is \$350.00; for upper berth \$337.00. For two persons occupying lower berth \$321.00 each. The rates for compartment or drawing room accommodation are, of course, slightly higher.

Persons from the Maritime Provinces desiring to take advantage of the tour will travel to Montreal by regular Canadian National trains and there join the special train. Information as to reservations, fares, etc., in connection with regular trains can be obtained from any Canadian National Railways Ticket Agent, or write the General Passenger Department, Moncton, N. B.

Full information regarding tour can be obtained from Mr. C. A. Adams, B.A., Principal, Granby High School, Granby, Que.

Illustrated literature covering the places of interest along the lines of the Canadian National Railways can be obtained by writing the General Passenger Department of the Canadian National Railway at Moncton, N. B.

The Nashwaak river is to be stocked with 60,000 to 100,000 salmon fry during the summer. R. B. Hanson, M.P., has been notified by W. A. Found of the Fisheries Department that the fry will be sent. The fishway in the Marysville dam, which was rebuilt, is now considered practicable. Salmon have been caught about it for several years. In old times the Nashwaak was one of the best salmon streams of the tributaries of the St. John.

Before a very large assemblage in Fawcett Memorial hall, Sackville, last week, Sir George E. Foster gave the third of his series of three addresses under the Josiah Wood Lectureship Foundation. He spoke of the League of Nations, outlining its constitution and explaining how it functioned. Sir

George gave the history of the League and told how it was formed. He described impressively the memorable gathering at Geneva in 1920—six years ago—and how the men who had come together to organize the League had become acquainted with each other. Sir George spoke very enthusiastically regarding the future of the League of Nations, and of the consummation of the Locarno Pact. In closing he told of the formation of the League of Nations Union in Canada, and appealed for increased membership for the Union. Many of those present at the meeting enrolled as members.

A closed season on partridge will be sought by the N. B. Guides Association, as the result of a resolution adopted at the annual meeting of the Association, at which W. T. Griffin, Cross Creek, was chosen to succeed W. Harry Allen, Penniac, as president. The guides will also seek an amendment to the Game Act to permit shooting only animals with antlers of ten points or more. At present the regulations permit of the killing of moose whose antlers have attained six points. The amendment of the regulations would ensure the taking of older animals. A special license during October for deer is also advocated by the Guides Association.

At Stratford, Ont., speaking on behalf of Hon. J. E. Elliott, Saturday, Rt. Hon. Mackenzie King forecast reduction of taxation. After outlining the various items of legislation promised for the present session of parliament the prime minister said "There is going to be a very considerable reduction in taxation. Better times make it possible for the government to remove some of the burden from the shoulders of the people."

Mrs. C. Jacobson, of Deer Park, B. C., who sued W. Schermer of the same place for \$500, general damages, and \$250 hospital expenses, alleging she was attacked on her own ranch by a bull owned by Schneider, Saturday, received the \$250 hospital expenses and \$250 general damages in judgment handed down by Judge Forin in the County Court. His Honor found that the bull charged the woman, and stated he disregarded the statements of various witnesses that Mrs. Jacobson, when being treated for her wounds, gave a different version, this being a reference to her alleged admission that she put her arm around the bull's neck, called it a nice boy, and invited it to "go for a walk." He found that she was then suffering from hallucinations.

The people of Great Britain spent seven pounds four shillings per capita on intoxicants last year, compared with seven pounds five shillings in 1924, or one shilling per head last year than in the previous year. The total amount spent on liquor last year is estimated at 315,000,000 pounds, of which 134,000,000 was in taxes in connection with the liquor trade. These figures are contained in the annual report of the big temperance organization, the United Kingdom Alliance, which notes that there has been a considerable increase in the consumption of wine in recent years and attributes it to the wine habit acquired by the soldiers on the continent during the war.

Mrs. W. E. O'Brien of Toronto, and her 11 year old son were drowned in Bermuda, according to a cablegram received by relatives at Moncton, on Sunday. Mrs. O'Brien who was the widow of W. E. O'Brien who dropped dead at a hockey match in Toronto a year ago, was spending the winter in Bermuda for the benefit of her health. Deceased was a daughter of the late Charles L. Hon. J. C. Elliott, federal minister of labor in the by-election in the riding of West Middlesex, necessitated by his promotion to a ministerial position in the federal cabinet, defeated T. A. Elliott, his Conservative opponent, on Monday by a majority of 2,681 votes, the total vote being Elliott, Liberal, 6,520; Elliott, Conservative, 3,839.

Declaring that the birth of Canada was the beginning of a new era in the British Empire, Justice W. R. Riddell addressing the Canadian Club, Toronto, Monday, said that previous to the battle on the Heights of Abraham, the British Empire had been modelled on the Roman Empire, but with the conception of the Dominion, the Empire became a new Empire, composed of a number of separate nations, existing not for the sake of the Mother Country, but for the sake of the people that live in them. He did not think Canada would ever pass from the old flag. "I cannot see Canada ever separating herself from the Old Empire," he said.

Todd, in his annual report. Reports of a tragedy which wiped out an entire family of two adults and five children, were received in a special despatch to the Free Press from Williams, Minn., Tuesday night. The despatch states that the charred body of the father and four children were found in the ruins of the Newman home, which burned Sunday morning, and that the bodies of the mother and an eight year old daughter were found on the road a quarter of a mile from the home, where they had succumbed to terrible burns after escaping from the house.

Women are more beautiful today than at any previous time in the world's history, famous British painters have decided by a vote of 11 to 1. The one dissenting vote was cast by a woman, Miss Hepburn Edwards, vice-president of the Royal Society of miniature painters. Philip Connard, R., thought that there had been no change in feminine beauty. "The seas, skies, trees, birds and flowers, are just as beautiful today as they have always been," he declared. "So are the women." Walter W. Russell, R., said that shingled heads, lineless, fashionable figures made the modern woman look less good looking than she really was.

At Stonington, Conn., Muriel Miner, 19, and her sister, Mildred, 16, charging that an attempt is being made to frighten them off their farm, have threatened to shoot "an ape-man" dressed in skins, who has appeared on their land.
