

THE SPORTING CHANCE AT IMPERIAL TONIGHT

A TREMENDOUS POWERFUL RACING DRAMA—EXCELLENT ENTERTAINMENT—EXTRA COMEDY ATTRACTION; ONE OF THE BEST IN MONTHS, "THE FIGHTING DUKE," WITH LUPINO LANE.

Action and plenty of it will be found at the Imperial Theatre where the Tiffany Production "The Sporting Chance," is showing tonight (Thurs., Friday and Saturday). In addition to action there is a cast of well-known screen players who give a finished portrayal of all the characters in this story of society and the race track.

"The Sporting Chance" shows one of the most realistic race track scenes ever witnessed on the screen. After watching the events that lead up to this big scene it is unlikely that there is a person in the theatre who will not be on his or her toes until the climax of the scene is reached.

Another novel effect introduced in "The Sporting Chance" is a pony race staged in a ball room, the ponies ridden by a bevy of beautiful Hollywood maidens. This is a new twist in film entertainment in rich men's mansions and is rather cleverly introduced.

The story tells of the love of a wealthy sportsman who overstepped the bounds of speculation and finds himself in financial difficulties. He thinks his daughter will marry the sporting man, but a young impetuous but handsome Southerner who has entered his horse in a famous race meets the girl and the usual complications follow.

The picture as a whole is put on in a rather extravagant manner with a cast including Lou Tellegen who is seen in the part of the villain, Dorothy Phillips as the heroine, George Fawcett as the father and Theo Von Eltz as the hero.

You'll be surprised and delighted at the two-reels of top-notch comedy in "The Fighting Duke," with Lupino Lane, in addition to the above feature.

GEORGE LECLAIR STARS IN SAINT JOHN—KENTVILLE GAME

In an exhibition game played at Saint John on Monday evening, between the Saint John Comets and Kentville Wild-cats, the former won by the score of 5-3. The sporting editor of the Telegraph-Journal in a write up of the game had the following to say about George LeClair:

"Standing out most prominently in the limelight was the phenomenal goal-tending of George LeClair, former net guardian of the Sussex Maritime champions, who donned a local uniform for this exhibition game. The burly star of the Dairy Kings never turned in a better piece of work than that seen last night and his playing by far outshone that of any man on the ice. The visitors' sharpshooters literally rained shots on the local citadel in the second period and during most of the closing stanza but their efforts to go into the lead were unavailing.

SUSSEX PLAYERS DO WELL IN MARITIME BADMINTON TOURNAMENT—MISS H. ATKINSON REACHED FINALS IN THE GIRLS' SINGLES

Sussex players showed up well in the Maritime Badminton Tournament held in St. John on Thursday and Friday of last week. Miss H. Atkinson was defeated by M. Tilley in the final of the girls' singles. She was eliminated by B. Jack, the champion in the second round in the ladies' singles. H. Evans in the men's singles, was beaten by P. Streeter in the third round. Streeter was defeated in the semi-finals. H. Jonah was eliminated in the first round. In the men's doubles Jonah and Evans lost to Streeter and Harley, who forced the champions, McKenna and Poston, into an extra game. This was in the final of the mixed doubles. Miss H. Atkinson and H. Evans lost in the first round.

WILLARD FINNIGAN, FORMER SUSSEX PLAYER, RECEIVES OFFER TO TRY OUT WITH MONTREAL MAROONS

Willard Finnigan, popular Bathurst goalie and for several years net minder for Sussex, has been asked to work out with the Montreal Maroons, of the National Hockey League, next winter. Finnigan is generally regarded as one of the best net minders in the Maritime Provinces and one of the best ever developed in these provinces. "Finn" has been working better than ever this year and was scored on less than any other goalie in the North section of the New Brunswick Hockey League. His many friends in Sussex and throughout the Maritimes wish him success if he should try out.

TO OPEN STORE AT OTTAWA

S. L. T. MORRELL, FORMERLY OF SUSSEX, OPENS OTTAWA STORE—WAS HEAD OF SUSSEX MERCANTILE CO. DRY GOODS DEPT.

The Ottawa Journal prints a news article telling of the opening of a new fashion shop for women's wear in Sparks street by S. L. T. Morrell, formerly of Sussex. It says, in part: "As is well known, Mr. Morrell brings to his new enterprise an unusually extensive business experience. Coming to Ottawa from Saint John, New Brunswick, 18 years ago, he joined the staff of Murphy-Gamble, Limited, as a buyer in the ladies' ready-to-wear department, remaining with this firm until his recent resignation and occupying the position of president of the company during the last five years. Many business trips abroad have made him thoroughly conversant with merchandising conditions and markets in the United Kingdom, France, Germany, Switzerland and England. With this unequalled practical knowledge coupled with his keen appreciation of the particular dress needs of the buying public, Mr. Morrell would seem assured a generous measure of success.

"Associated with Mr. Morrell in the new business is Mrs. Mary Hunter, who for eight years was with the Toronto firm of Holt, Renfrew & Co., who is better known to the people of Ottawa through her successful management for some years of Eve's Shoppe and her later connection with the firm of Murphy-Gamble, Limited."

BIG CUT AT KEIRSTEAD MOUNTAIN—MORE THAN 1,000,000 FT. BEING HAULED TO APOHAQUI.

An Apohaqui correspondent writes that despite the great quantity of snow, the local lumbermen have succeeded in getting out large cuts. The amount of lumber being hauled and shipped from this railway station is unprecedented in the history of lumbering in this vicinity. The cut of upwards of 1,000,000 feet taken from the lumber yards at Keirstead Mountain by Robert Stewart, of Cole's Island, is all in and a large crew of men are still engaged here in loading cars.
