

ALEXANDER McMANUS WAS FOUND DEAD

GATEMAN AT THE MAIN STREET CROSSING PASSED AWAY SUDDENLY—DEATH PROBABLY DUE TO HEART FAILURE

Alexander McManus, gate tender at the Main Street C.N.R. crossing, was found dead in the gate house, shortly after the passing of the Eastbound express from St. John on Monday morning.

It was noticed that when the train went by, the crossing gates were not lowered, and thinking that something might be wrong, George S. Dryden and Samuel Wortman, who were handy to the gate house, decided to investigate. On entering the gate house, the door of which was unlocked, they discovered the body of Mr. McManus on the floor at the foot of the stairs, which led up to the room in which the operating levers are installed.

Dr. L. R. Murray, who was at once summoned, made a quick response to the call, and on examination, pronounced McManus dead. The body was cold and all signs indicated that life had been extinct for a number of hours.

Coroner F. W. Wallace was notified and after viewing the remains, and making enquiries, considered an inquest unnecessary, as death had apparently been caused by heart failure. As Mr. McManus had not been seen around by any one on Sunday, it is thought that he may have passed away on Sunday night.

The deceased, who had been in the employ of the C.N.R. for 28 years was a resident of Lakeside. He was baggage master at Hampton for a number of years.

The deceased, who was a son of the late William and Elizabeth McManus, of Hampton, leaves to mourn, his wife one son Harold; three brothers, W. A. McManus, of St. John; John, of Hampton; and James R., conductor on the C.N.R., also two sisters, Mrs. Arthur Wetmore, Newcastle, Pa.; and Mrs. Joseph Yeomans, of Pettitodiac.

The funeral took place on Thursday afternoon at 2.30 o'clock, from his late residence, Lakeside, to Hampton cemetery.

AMENDMENTS TO AUTO LICENSE BILL—OWNERS, LICENSED DRIVERS, OR CHAUFFEURS PERMITTED TO DRIVE CAR IN N. B.

Any registered owner, holder of a driver's permit, licensed chauffeur or person accompanied by a registered chauffeur, may operate a motor vehicle in New Brunswick, according to the provisions of the bill to amend and consolidate the Motor Vehicle Law as finally amended by the legislature.

When the bill was considered by the House it was shown that there was some conflict between different sections relating to those who may operate a motor vehicle. In one section it was set forth that no one but a registered chauffeur should be allowed to drive an automobile while elsewhere provision was made for the registration of the owner as a driver as well as members of his family after securing a driving permit. The bill was amended in this respect.

In reference to this subject, Hon. Mr. Stewart explained that the owner could drive his car on his license and any other member of his family, over 16 years of age, could get a permit to drive for \$1.

"THE PACE THAT THRILLS" AT IMPERIAL

IMPERIAL TONIGHT (THUR.) FRI. SAT.—THE BIG THREE IN ONE SHOW, A BULL FIGHT, A PRIZE FIGHT, AN AUTO RACE—ALSO 5th CHAPTER OF "THE GREEN ARCHER"

Those who mourn the loss to the screen of the late Wallace Reid and the wholesome type of pictures in which he was starred should welcome Ben Lyon's newest picture, "The Pace That Thrills"—at the Imperial, Thursday, Friday and Saturday.

Ben Lyon, who in less than two years has emerged from obscurity to high screen popularity, is considered the real successor to Wally Reid as a portrayer of exuberant youth.

In "The Pace That Thrills," Ben is co-featured with Mary Astor in a lively rapid-fire comedy drama which centres around the romance of a Hollywood stock and the daughter of a film producer. A pampered and petted idol, the screen actor wakes to a realization that the world is laughing at his apparent cowardice. To prove that he isn't yellow, he jumps into a prize fighting ring and wallops a champion, takes part in a bull fight, and then winds up by driving his car against professionals in an automobile race.

It's a story replete with thrills with lots of comedy, a well balanced recipe that cannot fail to please.

"The Green Archer"

Reaches the half-way mark in the fifth chapter, now showing at the Imperial, with Allene Ray and Walter Miller featured in the leading roles. In this exciting chapter Bellamy begins to feel the not drawing tighter about him, but he is undismayed.

When he finds that Savini is not only stealing money from him, but spying upon him, he conceives a plan whereby he will put Savini right where he wants him—and not alone his disloyal secretary, but also Coldharbour Smith and Valerie. Perhaps it is Valerie—fragile, delicate, a pretty fly in his spider web—that he fears most of all.

The events transpiring in this fifth chapter are said to be the most exciting and baffling to date. The identity of the Green Archer and his purpose is still a mystery, but suspicion now points most accusingly at Valerie's father, whose literary pursuits are an excuse for having many uninterrupted hours to himself, during which time he does—what?

"Clothes Make the Pirate" Will be Monday's, Tuesday and Wednesday attraction. It is a tremendous comedy sensation and 1925's biggest show. Usual prices will prevail.

SUSSEX MILITARY RIFLE CLUB WILL COMMENCE OUTDOOR RANGE SHOOTING ON WEDNESDAY, MAY 12.

The outdoor range shooting at the Sussex Military Rifle Association starts on Wednesday, May 12 and will be continued through the summer each Wednesday and Saturday afternoon from 2 p.m. till dark.

The first competition of the year is the Inter-provincial Shoot on June 10th, a competition between teams of Nova Scotia, New Brunswick and P. E. Island. This was shot last year on the Bedford Ranges, Halifax.

The New Brunswick team is picked from three competitions to be shot by each club by the end of May. Any member of the local club can compete free on the dates set, namely May 22nd, May 26th, May 29th, the certified cards to be sent to the executive of the Provincial Rifle Association, who will pick the team from these scores and with the standing of the competitor in the grand aggregate at the provincial rifle meet here last year also to count.

It is expected that the shooting for the City of Moncton challenge shield will also be shot on our range this year at a later date in the summer, and also the provincial rifle shoot for four days the first week in August.

HARMONY LODGE L. O. B. A. IN FLOURISHING CONDITION—PLAN HOLDING A FAIR IN JUNE IN AID OF PROTESTANT ORPHANAGE.

The last regular meeting of Harmony Lodge, L.O.B.A., held on Monday evening, the 26th inst, was largely attended, forty members being present. After the initiation of one candidate, and the usual routine of business transacted, reports were received of the proceedings of the Grand Lodge, L.O.B.A., held in the city of Fredericton on the 21st and 22nd of last month. The delegates from Harmony Lodge were Mrs. Thomas Proctor, Mrs. Geo. Coggon and Mrs. Murray Carr. Mrs. Proctor and Mrs. Coggon who hold the offices of W. Mistress and D. Mistress gave a good report of the work done at the different sessions of Grand Lodge. Reports show that there has been quite an increase in the membership during the past year, and that the order is doing a good work throughout the province.

One thing worthy of note is the large amount of work done by the order for the Protestant Orphan's Home in St. John. Every lodge in the province is doing something in that line and among the foremost in the good work is Harmony Lodge, Sussex, as Grand Lodge reports show. This lodge organized a sewing circle the latter part of September last year and during the seven months that have passed since then the members have made and sent to the Home clothing for the little ones valued at \$168.00; they have also pledged themselves to give \$25.00 a year for three years to the Inter-provincial Home for Young Women at Coverdale, Albert Co., N. B. Plans are being made for the holding of a fair some time in June at which there will be a sale and supper, proceeds to go towards the maintenance of the Protestant Orphanage. The members of Harmony Lodge are very much interested in the little tots in the Home and will do what the can to make life pleasant for them, bearing in mind the words of the Divine Master: "Inasmuch as ye have done it unto one of the least of these my brethren ye have done it unto Me."

BOND ISSUE VOTE TO BE ON MONDAY

POLL WILL OPEN AT 8 A.M. AND CLOSE AT 4 P.M.—WILL BE HELD AT OFFICE OF GEORGE S. DRYDEN, PETER STREET.

The vote upon the adoption of the Act passed by the Legislature of the Province of New Brunswick authorizing an issue of bonds not exceeding \$5,000 par value, to provide funds for a new fire station, will be taken on Monday next, May 10th. The poll which will open at 8 a.m. and close at 4 p.m., will be held at the office of George S. Dryden, Peter street.

If the Act is adopted by the ratepayers, instead of building a new fire station, it is the intention of the Civic Fathers to purchase the Mills-Eveleigh building, so called, on Maple Avenue, and locate therein, in addition to the fire department apparatus and rest rooms, the Town Clerk's office, Town Council Chamber, Police Court and police cells.

Charles T. White and Son, Ltd., owners of the building and land on which the Mills-Eveleigh building is situated, have offered to sell this valuable property to the town for the sum of five thousand dollars, and have agreed to take in payment part cash, and the balance on time, to suit the town's convenience, with interest at 6 per cent. on amount unpaid.

The property which it is proposed to purchase if the Act is adopted by the ratepayers, is one of the most valuable pieces of real estate in the town.

All those who have their town taxes paid for 1925 and previous years are entitled to vote at Monday's election.

THE BUTTER MARKET

The following bulletin on the butter market was issued Monday, April 26, by W. A. MacKay, of Truro, dairy superintendent for the Province of Nova Scotia:

"Saturday's Montreal markets were: No. 1 pasteurized solids, 32-32½. Receipts light and being pretty well cleaned up. Think prices at or near bottom.

"Today's quotations from J. A. Rudnick were as follows: Montreal—No. 1 pasteurized, 33 to 33½. Toronto—No. 1 pasteurized, 34; No. 2 pasteurized and No. 1 unpasteurized, 33. Cheese, No. 1 large, colored, paraffined, graded, 17½.

"Halifax wholesale markets are 33 to 34 for prints and ½ to 1 cent less for solids, f.o.b. shipping point. Jobbing in Halifax, 35 to 37, depending on quality. Unpasteurized goods in poor demand.

"Our advice to creameries would be to keep cleaned up on prints and put any balance into pasteurized solids for the present."
