

"THE LOST WORLD" AT IMPERIAL MONDAY

NOTED SCREEN STARS SHARE
HONORS WITH PREHISTORIC
MONSTERS.

Imagination flees in awe before the thrills of prehistoric monsters and the strange fascination of dramatic grandeur compressed into Waterson R. Rothacker-First National spectacle, "The Lost World," which starts at the Imperial Monday, Tuesday and Wednesday.

This adaptation of Sir Arthur Conan Doyle's famous adventure tale, "The Lost World," has been translated to the screen by Earl Hudson with the uncanny elusiveness of a nightmare. Yet the hair-raising episodes are transcended by a beautiful love story. Bessie Love, Lloyd Hughes, Lewis Stone and Wallace Beery are noted leading players.

Because of their extraordinary novelty, however, it is the animal actors that compel prior consideration. Not animals, but monsters. Towering 100-foot monsters, stalking through primeval forests in the untracked heart of the Amazon country. The conflict between these huge reptiles and the human actors stirs deep wells of feeling.

As a novel "The Lost World" ranks as one of Sir Arthur Conan Doyle's most fantastic literary fabrications. It tells the story of a party of English scientists, newspaper men and a girl who venture into the wilds of South America and discover a lost section of the world, where life has remained unchanged in pristine wildness through 100,000 centuries.

Finally capturing one of the monsters—a brontosaurus bigger than ten elephants—the party returns with it to London to prove the discovery. One of the most thrilling scenes ever filmed is that in which the monster, escaping from its captors, charges through the heart of the English metropolis, wrecking buildings and terrifying thousands of pedestrians.

And the Imperial offers you the chance to see it—to see its wonders never before shown—the eyes of the civilized world have never seen adventure like this.

You forfeit your right to see the greatest entertainment the brains of man have ever achieved, if you miss seeing "The Lost World."

COUNCILLOR AND MRS. J. E. McAULEY HAVE "HOUSE WARMING"

On Tuesday evening of last week a large number of the residents of Berwick and Lower Millstream took occasion to pay honor to Councillor J. E. McAuley and Mrs. McAuley, of Lower Millstream, when they assembled to have a general "house warming" in their spacious new residence recently completed and in which Mr. and Mrs. McAuley have only been residing a few weeks.

The established reputation of Councillor and Mrs. McAuley as a gracious host and hostess was verified in the hearty and hospitable manner in which they received their friends.

A programme of musical selections, readings and addresses were given by the guests, after which Mr. Willis, on behalf of the company, presented Mr. and Mrs. McAuley a handsome electric reading lamp. A tempting luncheon was served and a most enjoyable evening spent.

T. S. McAuley, of New Britain, Conn., who has been with his parents, Councillor and Mrs. McAuley, during the Christmas season, left on Thursday to spend a few days in Fredericton with his sister, Mrs. Howard Patterson, and Mr. Patterson, before returning to New Britain.

HOCKEY CLUB MEMBERS

In addition to the names already published in the Kings County Record, the following by the payment of one dollar have become members of the Sussex Hockey Club:

Edna Price, W. H. Scribner, Robt. Robinson, Oscar Friars, A. T. Manks, M. T. Kelly, C. T. Nisbet, Fred Dinean, W. P. Erb, J. M. Roberts, H. H. Reid, H. A. White, O. A. Jeffries, G. J. Kierstead, W. A. Jeffries, Friend, E. M. Lockhart, H. W. Wallace, C. B. Spear, Jas. Forbes, Com. Traveller, Margaretta Arnold, Alward King, Adrienne Keith, Rev. Father Hannigan, Percy Hunter, J. R. Sutherland, Geo. H. Dryden, J. D. McKenna, Louis McKenna, W. Raymond Lutz, Martin Ryan, W. D. Turner, W. F. Lutz, O. G. Carleton, J. H. Kirk, J. E. Fenwick, Robert Smith, Harry Warren, Jack O'Dell, Robt. Johnson, Wm. Carleton, N. S. Fraser, B. M. McAlary, E. M. Macrae, W. J. Mills, E. O. McIntyre, J. J. Daly, J. H. Gould, Mike Ross, Oldfield Mace, Wm. Wallace.

It takes funds to run a hockey team. By the way the Sussex "Colts" are performing it looks as if the "Old Gray Mare" had some pretty speedy stock. When the "hoppers" get properly adjusted, and a little more work indulged in, you want to watch out for the "Colts" perform. The way for citizens to help boom hockey is by joining the club. This costs only one dollar.

Malcolm DeBoo has been appointed by the hockey club management to make a canvas of the streets of the town that the other solicitors have not been able to cover. When he calls on you, look pleasant and join the club.

Nova Scotia now has a three cent per gallon gasoline tax. The system of licensing cars in that province, according to horsepower has been abandoned, and the Nova Scotia motorist will pay according to the weight of his car at the rate of \$1.00 per hundred weight, and an additional \$1.00 for the plate. The minimum will be \$18.00, including cost of plates.

WILL STAGE BRIGHT COMEDY "MR. BOB"

A PLAY SPARKLING WITH SNAPPY
DIALOGUE AND BRISK ACTION.
—PROCEEDS FOR SOLDIERS'
MEMORIAL FUND.

Desire J. Bourque, of Moncton, the talented artist and theatrical manager, is in Sussex again to direct another show.

The Sussex 1925 Revue which was staged in September last under Mr. Bourque's direction, is still fresh in the memory of all, and is still talked about as being the theatrical feature of the year. While the 1925 Revue was good, Mr. Bourque proposes going a step in advance, and he is now preparing to put on a comedy at the Imperial Theatre in the very near future that will excel in merit anything of its kind yet staged here.

DESIRE J. BOURQUE
Who will direct the presentation
of "Mr. Bob."

A capable cast is being selected to take part and everything points to a banner production. "Mr. Bob" is the name of the play to be staged, a scrupulously clean comedy, with snappy dialogue, brisk action, amusing complications and an interesting story with the spirit of the sporting life.

This production is as was the 1925 Revue under the auspices of the Sussex Branch of the Women's Institute and the proceeds will go to the Soldiers' War Memorial fund. It is expected that "Mr. Bob" will be staged in about two weeks' time.

Mr. Bourque has just returned from Nova Scotia.

Since his visit here in September last he has staged four heavy productions and is at the present time booked ahead until July next.

MEETING OF THE TOWN COUNCIL

A meeting of the Town Council was held in the Town Clerk's office on Monday evening last. His Worship, Mayor Murray, presided, and all the Aldermen were present.

E. H. Vickers took his seat as Alderman-at-Large for the next two years. The election to fill the vacancy in Ward III, caused by the resignation of Alderman Vickers is to be held on Monday next, January 11th.

The chief business of the evening was the passing for payment of all accounts properly certified to by the finance committee.

The appointment of committees and other appointments was postponed until after the Ward III. election in order that a full board of aldermen might be in attendance.

Ald. Kennedy moved that W. E. McLeod be appointed for the season of 1926 to do the snowplowing of the sidewalks, etc., of the Town of Sussex, at the same rate as paid last year, that is to say at \$1.00 per hour for the time actually employed. This motion was seconded by Ald. Jones and upon being put was carried unanimously.

Ald. Jeffries moved that Heber E. Sinnott be appointed an Assessor for the Town of Sussex for the period of two years from the first day of January, 1926, at a salary of \$75.00 per year, same being the salary heretofore paid.

This motion was seconded by Ald. White and upon being put it was unanimously carried.

Ald. Jeffries moved that the street lights be turned off every night at twelve o'clock, midnight, until further notice. This motion was seconded by Ald. White and upon being put was unanimously carried.

On motion of Ald. Jeffries, seconded by Ald. White, and unanimously carried, it was ordered that a street light be placed on the post near the shop of C. B. Spear, Esq.

ASKS PROHIBITION LAW ENFORCEMENT

The St. John Evangelical Alliance at its meeting recently passed the following resolution:

"The Evangelical Alliance expresses its surprise and alarm at what appears to have been the almost unrestricted flow of intoxicating liquors in our city during the recent days of the holiday season. The fatal tragedy of New Year's Eve has awakened the indignation of every right thinking citizen. But the Seaman's Mission was not the only place in the city where drink was in evidence that night and such tragedies may happen again and again until the law is properly administered and such scenes made impossible. Therefore the Alliance would call upon the Government to make good its pledge made to the people of this province that the law against intoxicating liquor would be rigidly enforced."

The Evangelical Alliance also expressed its sympathy with the widow and family of the deceased Police Constable Stephen McCavour, who lost his life while doing his duty.

HAVE MADE GOOD IN MAINE

SENSATIONAL PLAYING OF JACK
AND GEORGE LECLAIR AND
EDDIE BROOKS ON THE WATER-
VILLE, MAINE, COLLEGE TEAM.

In a recent hockey game played in Waterville, Maine, between the St. Jean hockey team of that town and the Berlin team, the former won by the score of 12-1. Jack and George LeClair and Eddie Brooks, of Sussex, are members of and played on the winning team. The Waterville paper in its account of the game in part states as follows: "The team attack last evening centered around the fast playing of John LeClair. His playing was the talk of the entire crowd. He can skate and best of all he is a real hockey player, one that is rarely seen performing in these parts. He was here, there and everywhere, first carrying the puck then following it up. Six times during the evening he shot the rubber through the Berlin net and his ability was responsible for each point.

"The wing positions were exceptionally well taken care of by Lennande and Eddie Brooks. Brooks was about the fastest skater on the ice, and while not the shot that Lennande is he took the puck away from the Berlin players on several occasions.

"George LeClair gave a fine demonstration of goal tending; true, he had few chances to display his wares in the first part of the game, but as the battle progressed, the Berlin players took longer shots, many of which were labeled "one point," but when they reached the cage they were marked "no chance."

"While there is but one Joe Maltais, George LeClair showed last night that he is just as capable a performer as the former goalie; only once did he let the puck slip through, this coming in the second period when a battle ensued in front of the goal, and Ross slipped one through.

"The game started with the St. Jean team showing plenty of pep, which was soon followed by a goal by Brooks, the "Jennies" then eased up but John LeClair jumped into the limelight by caging a difficult goal from the side of the ice. Not satisfied with one goal in this period, he shot two more.

In the account of the game a number of other complimentary references are made, regarding the sensational work of the Sussex boys on the Waterville team.

Friends in Kings County and elsewhere throughout the Maritimes will be glad to hear of the New Brunswick boys, late members of the "Maritime Province Champions" team, making good in the United States.

THIS WILL NOT HAPPEN IN SUSSEX

W. J. Melody wires: Something unique in the history of theatre business in Halifax happened when police reserves were called out Monday, before afternoon and evening, to handle crowds seeking admission to the Casino Theatre to view the premiere showing in these provinces of "The Lost World." In spite of a driving rain on Tuesday picture held up remarkably well."

Fred Selby, manager of the Queen Square Theatre, Saint John, says in the Evening Times: "Capacity houses; hundreds turned away unable to gain admittance. The World's Wonder Picture, "The Lost World."
