Woodstock Senators Lose Game To Hillmen 43 to 20

Senators Not Up to Mark; Many Losses; Ward Prominent; U.N.B. Played as Team

By G. B. Dawes

The first basketball game of importance was played in the College Gym. on Jan. 21, between the Woodstock Senators and U. N. B. Hillmen. The Hillmen won the game with the score 43 to 20.

The Senators did not come up to the standard of former Woodstock teams. The loss of Tommy Reardon and Brown made a big difference; also the team has had very little practice since their gym. has not yet been rebuilt.

Dr. Jones tossed the ball up to start the game, which was late getting away. The play started fast, with Christmas scoring first for the Hillmen. Woodstock's first point came on a foul shot by Ward. Both teams displayed good combination, the forward line of Thomas, Mix and Cuthbertson showing up to advantage. The Hillmen were headed but once with half the first period over Woodstock led 7 to 6, but successive baskets by the U. N. B. forwards put them again in the lead and the half ended 14 to 7 for U. N. B. The pace had been fast and both teams had called time out. Both teams had hard luck with their shooting.

The second half was a repetition of the first with the Hillmen going on a scoring bee to make the score 21 to 7. At this time Woodstock used their only spare and garnered a few more points, which caused U. N. B. to call time out. When the play resumed the Hillmen seemed to have recovered and baskets came in quick succession. With a comfortable lead Coach Coffey of the game. The final score was Hillmen 43, Senators 20.

Throughout the game there were few fouls, with the Hillmen getting the more. The pick of the Senators was Ward, closely followed by Pickle and Moers. It would be hard to pick a star of U. N. B.'s team. All the men played well, Lee was careful of his infected foot but was steady as usual. Christmas was right there as well as the forwards, Thomas, Mix and Cuthbertson. The U. N. B. spares showed up well for the short time that they were in the game.

Referee, Mr. E. G. Cass; Timers and Scorers, Bob Brown and Gray.

STAN BURGEOYNE TO ACT AS U.N.B. HOCKEY MENTOR

Capitals' Management Willing; Has Held Two Practices; Successful in Past

Dickerings on the part of Physical Instructor Coffey and Manager Adams, with Secretary-Treasurer J. H. Limerick of the Fredericton "Capital" Hockey Club, were pronounced successful when the services of the genial Capital Mentor, "Stan" Burgoyne, were promised to the Hillmen.

A Busy man, Mr. Burgoyne took over these extra duties with the understanding that 100% support would be given by the candidates for positions.

His first practice on Saturday night kept many of the boys working overtime in order to master the fundamentals of shooting, and his quiet way of instructing individuals produced a general good effect on the turnout.

Stimulated interest on the part of the players will no doubt be closely followed by College backing, and with the City team to act as "Tip Gods" for the boys, the Hillmen should put up a good brand of hockey against this year's opponents.

Mr. Burgoyne's success in Hockey circles of past years is evidence enough of his ability. As former coach to the Bearcats of Truro and the Port Arthur team (the year before it won the Allan Cup), he is one of Canada's leading Hockey teachers.

CO-ED QUINTETTE HOLDS WORKOUTS

More Girls Out; Preparing For York Co. League Games

During the past week four basketball practices for the Co-Eds were held under the direction of Coach Coffey. More girls have availed themselves of this excellent opportunity of learning the game. The increase in the number out for practices is very encouraging.

Many phases of floor work have been practiced and the results remain to be seen. Much time has been given to practice games in view of the York Co. League games, which started this week.

On Friday night, the Marysville Onwegoes were trimmed by the Normal School girls on the Dawson "Y" floor to the tune of 28-11. This is the first game of the season that the Normalites have played, and by the looks of things, they must have a fast and snappy team.

RIGID TRAINING POLICY ADOPTED BY CONTENDERS

1. No more than three pies may be eaten per day, except in the case of written permission from the trainer.
2. Women are absolutely taboo except on the following evenings: Monday, Tuesday, Wednesday, Thursday, Friday, Saturday and Sunday.
3. Under no conditions whatsoever shall any player indulge in alcoholic liquid of a strength sufficient to remove the nickel plating from a new pair of skates.
4. Players must arrive on time for practice, that is to say, not later than one hour after the appointed time.

—J. H. SMITH, Mgr.

CONTENDERS OPEN SEASON WITH A BANG

Playing without the services of two of their regulars the Stanley Cup Contenders easily defeated the Old Ironsides Saturday morning at the College Field Arena three goals to one to win the first game of the Farm League.

For most of the game the champions had complete control and only the fine work of Goalle Lee in the rival cage kept the score down to one figure. In all, Lee handled twenty nine shots as compared to eight for Billy Vaughan. Play roughened up from time to time, due to slackness on the part of (Continued on Page 4)

SECOND ROUND REACHED SAT. IN MEN'S PLAY

Professors Cattley and Jones Good; Richards in Line for the Championship

Almost two-thirds of those who started light-heartedly on the road to Badminton Singles Championship have fallen, not because of fatigue, but because of the other third. The matches have passed the second round and this week should declare the champion. Professors Cattley and Jones played a good game last week which was called on account of lectures; Latin being one up on Mathematics. Scrapper seemed to have difficulty in picking up Prof. Cattley's smashes, but on being interviewed he refused to comment on the game beyond a few words about the great height of the net.

Three hard games had to be played before Bentley acknowledged defeat to Richards. Richards put Godfrey out of the running in the first round and is playing a consistent game that should put him at the top in the final lineup.

Results of First Round Matches
Cameron defeated G. Johnson.
Prof. McPherson defeated Crowe.
Marsh defeated Bedell.
MacLeod defeated R. Anderson.
A. Corey defeated Wood.
Harding defeated Stevenson.
Richards defeated Godfrey.
Results of Second Round Matches.
E. Anderson defeated Harding.
Cameron defeated McNaughton.
Richards defeated Bentley.

EDGAR DIXON IS CAPTAIN OF MT. A. HOCKEY SQUAD

Sackville, N. B., Jan. 23.—At a recent meeting of the hockey squad at Mt. Allison University, held in Eureka Hall, January 19, Edgar Dixon was elected captain of the team. Dixon is a Sophomore and plays right defence on the team. Two years ago he played with the Newcastle town team and the year before that, as a Freshman at Mt. Allison, he played with the University team. The choice was a popular one.

CO-ED SINGLES MATCHES GOOD

Last week, the women's singles badminton tournament started with ten participants. So far four of the five first-round matches have been played. Two of the matches went to three sets. A close contest for the title is looked for.

Results of first round matches:
Irene Harrison defeated Marjorie McMurray, 8-11, 11-8, 11-3.
Gertrude Cremin defeated Hilda MacBride, 9-11, 11-9, 12-10.
Molly Burr defeated Dot Palmer, 11-3, 11-0.
Mary Neill defeated Doris Bayley, 15-4, 15-6.

SOPHS DEFEAT FROSH 14 to 6

The Freshmen turned in a fine brand of basketball Monday afternoon to defeat the Sophomores in a regular Interclass League game, 14-6. The whole Freshmen team played good basketball while Hazleton and Cameron were the pick of the Sophomores, the latter being high point scorer of the game.

The lineups:
Freshmen—Lilly, g. 2; Thomas, g. 2; Pell, f. 4; Cuthbertson, c. 4; Jardine, f. 2.
Sophs—Hazleton, c. 1; Nonneman, f. 0; f. 0; Freeze, f. 0; Nickerson, g. 0; Baker, g. 0; Cameron, f. 5.

Referee—Ted Coffey.

Scanning the Sports Horizon

The team came through against the Senators in fine style Thursday night. Looks like a good season at last.

The Badminton tournament is proving a big success with the men's play in the second round. The ladies have as yet to finish the first round.

Burke and Johnston, candidates for the hockey squad, played for the Homebrews Saturday night against the Fredericton Capitals imports. Both men played fair games.

The opening game of the Farm League was played Saturday morning with the Champions winning 3-1. Christmas made his debut in big-time hockey and played a good game.

The Saint John Trojans open the Provincial Basketball League Thursday night. Nothing is known of the Trojans this year as they have as yet to play a game.

Stan Burgoyne has taken over the coaching of the hockey team and was out several times last week. If any man can produce a team he can, as there isn't a better coach in Eastern Canada.

Mt. A. won its first hockey game last week with a 2-1 decision over Springhill. Later in the week they held Amherst to a 2-0 score. Spec Peebles, imported to play hockey for Amherst, will be in the games against U. N. B.

The laugh seems to be on the Fredericton Hockey Club now with the announcement that Nels. Crutchfield of McGill has been chosen as a defenseman for the Canadian Olympic team. Nels, in need of a job, was in Fredericton last summer and was quite anxious to be "induced" to remain here.

Yale's hockey team will not be presented on the American Olympic sextet at Lake Placid, although three of its members have been offered places on the Olympic squad. It was learned recently that Captain John Muhlfeld, Dunbar Bostwick, and Stewart Iglehart had decided to decline the invitation, largely due to the fact that acceptance would mean desertion of their own team for four contests.
