

SPORT

Prospects Bright for Good Basketball Team This Year

Practices Away Early This Year;
Exhibition Tour; Some Good
Material Available

The University, in the past few years, has not had a winning Basketball team due mostly to lack of practice. This year Basketball started early and with Coach Coffey's ability the team should go a long way toward a championship.

During the Christmas holidays, the team took an extended trip to St. Stephen and Calais, and although they lost these exhibitions their showing was creditable to the University. With the new year just started all the players should settle down to hard work and we are expecting the boys to come through.

The team, although losing some of their good players from last year, are strengthened by material from the Freshman class. Most of the new material comes from Saint John High, although Fredericton High contributes a few players. Chief among the new players are: Lilley, Cuthbertson, Cameron and Currie.

Under the guidance of Coach "Ted" Coffey, Manager Father Peck and Captain "Si" Oldham, we should have a good team. Coach Coffey will pick his team from the following players: Oldham (Capt.), Christmas, Lee, Currie, Moore, Cameron, Lilley, Cuthbertson, Thomas, Pell, Gray, Stephens, Ellis, Beatty, Pond, Watson, Freeze and Hersey.

PRACTICES

Hockey and Basketball practices will be held whenever possible and will be announced by Ted Coffey through the managers. Ted will welcome you at the rink even if you can't score as many goals as the Stanley Cup Contenders, and the same thing goes for Basketball. Everyone out!

BADMINTON PLAY OPENS THIS WEEK AT COLLEGE

Many Entries Received; Gymn
Repaired; Ladies' Matches
To Be Good

This week sees the beginning of the battle for the last badminton titles in the University. Entries have been pouring in during the last few days for matches that will produce the ladies' and men's singles champions. The court lines have been repainted and Ted reports everything in readiness (except the back left hand corner of the court which must be walked on cautiously). This racket game has become very popular in the gym as was shown by the turnouts in the mixed, ladies' and men's doubles before the holidays. Judging from last term's play there will be many versions of war dances, grace and the English language. The swish as a racket misses the feathers and the plaintive wail of the little bird as it is dashed to the floor will cause many to lie awake and think of what would have happened if the shot had gone over.

The ladies' matches particularly are worth watching as they are all in excellent condition, due to strenuous workouts after the festive season. The way Miss Palmer shoots the bird through the rafters shows an extensive knowledge of ballistics and is certainly a practical lesson for any one with scientific interests.

F'TON TO HOLD COLLEGE MEET

According to Fred G. Kelly, Secretary of Maritime Intercollegiate Athletic Union, the track meet this year is to be held at U. N. B.'s home grounds. It was thought that the meet was to be held at Antigonish this year.

Following is Mr. Kelly's wire to Ted Coffey:

Wolfville, N. S.,
5:50 p.m., Jan. 8, 1932.

Ted Coffey:
University of N. B., Fredericton, N. B., Intercollegiate Track Meet will be at Fredericton May, 1932.
Fred Kelly.

ST. STEPHEN GAVE DEFEAT TO U. N. B.

St. Stephen, Jan. 4.—The opening hockey game of the season took place here tonight when the local Mohawks trimmed University of New Brunswick, 3-1. A large crowd was on hand, George Walker refereeing. It was rough hockey all the way, with little combination and much tripping and poor shooting.

Many offside marred the match. In the first period Lowe tallied for the winners. Two more Mohawk goals came in the second period, first Charters and then Purcell registering. Clavette turned Pickard's pass into the sole U. N. B. marker in the final session.

CO-ED QUINTETTE IN NEW LEAGUE

With the conclusion of the supplementaries, the basketball season for the girls got under way.

A new feature of the season this year is the formation of an inter-city league, composed of the Marysville Onwegoes, Brunswick St. Baptist, Normal School and U. N. B. Competition for the title should be strong. Play will begin next week.

Besides these outside games, the usual inter-class games will be played. The girls are anticipating a very busy season.

is indeed reason to believe that the team's backers—who Manager Smith is not in a position to make public at present—will have little cause for complaint.

Of last year's great championship team only three regulars remain, McNicol and Brown of the forwards, and the veteran Douglass of the defense, who was playing hockey when the other two pastimers were in the cradle. It is thought unlikely that anyone will be found to push these boys out of their positions.

J. Herbert Smith, the financial wizard, Leo Dandurand of Maritime hockey, has been secured as manager, and there has not been a busier man in the country for the past month. First, he signed that ever successful coach, "Schoolboy" Gammon of Devon, and between them they have rounded up as fine an array of puck-

Scanning the Sports Horizon

Ted Coffey has drawn up a schedule for gym classes in which every student will have an opportunity to get in some serious work this winter.

Besides the interclass hockey league Ted is busy organizing another composed of U. N. B. seconds, Stanley Cup Contenders, Old Contemptibles, and Old Ironsides.

The ladies' basketball team is due for a banner year. Ted has entered them in the York County League, and judging from the "tea-room" gossip, the cup is practically won.

Manager Adams and Captain Minue had a big worry lifted from their shoulders last week with the announcement by the President that Dow is eligible to play goal this year.

Sure looks like a big year at U. N. B. Eric Fowler, with his College Field Arena is proving a big boon to these "minor" league teams and it only remains to make a more agreeable financial arrangement with him.

Again Mt. A. profits by U. N. B.'s loss, Bud Brist, prominent forward with the Red and Black basketballers for the past two years, is finishing his course at Sackville, being unable to get in at Duke University.

An extensive interclass gym schedule has been drawn up consisting of Basketball and Badminton play. Ted is certainly giving the "occasional participant" all he can look after this year.

U. N. B. showed up very well considering their opposition and the amount of practice they were able to get, in their two exhibition games over the holidays. Financially they were a success too, the treasury being some twenty dollars rich.

Manager Peck and Captain Oldham are faced with a big problem this year as many of the old reliables are absent. There is some good Freshman talent, however, and if it can be impressed on several of the veterans that they still have something to learn about the game Ted may be able to come through this year. This latter is also quite noticeable on the hockey team.

U. N. B. PLAYED EDMUNDSTON TO 3 ALL TIE

The University of New Brunswick sent a team to Edmundston during the Christmas vacation.

The Edmundston line-up included several former college and senior players, while U. N. B. used some of last year's varsity and some new material. The play was even in the first period, both sides scored. Goodine scored for U. N. B. after collecting his own rebound from a long shot.

Fradsham had a lucky goal scored on him in the second period, the puck rebounding from the end of the rink and striking him on the shoulder.

Doughney equalized on a long shot in this period just inside the blue line, puck going in clean.

In the third Goodine again scored on a long shot, Edmundston repeated, game ended 3-3.

The shooting of Goodine and Pickard stood out, also Daughney, Fournier, Clavette and Burke turned in good performances. The back checking of Ellis, Minue and Adams is also worthy of note.

Lot's wife turned around and turned into a pillar of salt. Now they look around and turn into a telephone pole.
