CAPT. DOUGLASS REGAINS FORM AS CHAMPS WIN

Defeat League Leading Tin horns 3-1; K. Smith, Sansom, Fradsham, Vaughan, Star

Playing championship hockey in front of Skeet Vaughan, who was on, in the first period and securing two goals, enough to win, then staving off a vicious attack by the league leaders in the third, the Stanley Cup Contenders defeated the Tin horns 3-1 at the Arctic Rink Thursday night. The ice was hard but rough and this did much to spoil the combination attack of the losers.

For the winners Douglass and K. Smith were good on defense, while Sansom played his usual game at right wing, scoring two goals. The flying Swede contributed the other.

Defeat Co-eds 15-11 to Win Final; Have Edge Preliminary Game

The McAdam Senior Ladies Basketball team captured the provincial title by defeating the U. N. B. Co-eds 15-11, and taking the series by the score of 38-21, at the College Gym Tuesday night.

The play started out very slow with both teams taking long shots. About half way through the first quarter Burt scored on a nice combination play. It was a long shot from the corner. Boone soon evened the score.

The Co-eds did not score in the second quarter and McAdam added five points to theirs. Buchanan and Lindsay showed up well in this quarter.

The second period opened faster and the girls had a tendency to rough it a little, but Referee Gorman kept the game under control by calling numerous fouls. Palmer was banished for four fouls, being replaced by Mawhinney, Buchanan and DeWitt were the fastest on the floor, while Lindsay and Boone play a steady game at centre.

The pick of the Co-eds was Hanson, who played one of the best games of the season. She was closely followed by Burt and Harrison. Line-ups:

McAdam—M. Bell, g; Gayley, g; R. Bell, g; Lindsay, c; Boone, c; DeWitt, f; Buchanan, f.

Co-eds—Hanson, g; Foster, g; Cremin, g; Palmer, c; Harrison, c; Burt, f; Mawhinney, f; Munroe, f; Owens, f.

In the preliminary game the University defeated the Normal School 30-23.

The play was fast and quite rough. Christmas was experimenting on his bounce shot but did not have much success.

Bell, Jones and Thorburn showed up well for Normal, while Lilley, Peck and Cuthbertson were outstanding for U. N. B.

FRESHMEN WIN FROM SOPHS. 3-2

In the best game of the Inter-class hockey league played this year, the Freshmen defeated the Sophomores 3-2 in the Arctic Rink, Wednesday afternoon, March 9, to clinch the Inter-class title. The scoring for the winners was done by Sansom, Smith and Roderick, while Patterson and Godfrey scored for the losers.

The line-ups:
Fresh.—Goal, Richards; defence, Ogilvie, B. Chalmers; forwards, Benson, Pond, Smith, Fradsham, Sansom, Guimond, Roderick.

Sophs.—Goal, Pringle; defence, Davenport, Anderson; forwards, Patterson, D. Chalmers, Goodspeed, Godfrey.

Referee—Coach Coffey.

OLD IRONSIDES LOSE 3-1 SAT.

In a fast game from start to finish, the Dungeness Whoopers came through with a victory over the Old Ironsides in the Arctic Rink, Saturday afternoon with a score of 3-1. The scores for the Dungeness W's were gotten by Sansom on Pond's assist, McKnight on Pond's assist and Benson unassisted. The lone goal for the Ironsides was scored by Coffey in a mix up in front of the net.

JUNIORS DEFEAT FRESHMEN 30-15

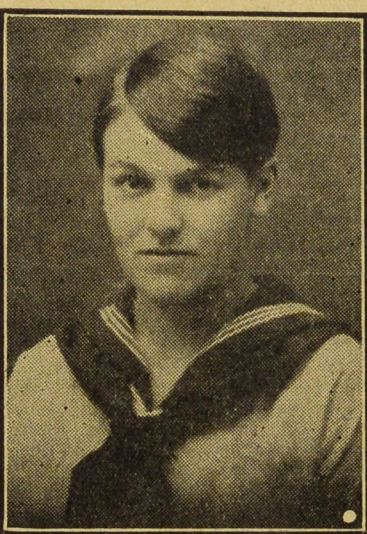

The Juniors defeated the Freshmen in an Inter-class Basketball game played last Saturday, 30 to 15.

Daughney and Ellis were the chief factors in the Juniors' win, with Rudge working very nicely in the floor plays. The Juniors were eight points up on the Freshmen at half-time, 15-7.

Burke's floor play was noticeable for the Freshmen with Likely and Lunam working some combination with Burke.

Freshmen—Lunam, g; Morgan, g; Sayre, g; Likely, c; Burke, f; Smith, f. Juniors—Rudge, g; Harris, g; Derner, Ellis, C; Daughney, f; Fulton, f.

Scanning the Sports Horizon

The Co-eds got a tough break last week at McAdam when Mary Neill had the misfortune to break a bone in her foot. The accident completely upset the team with the result that they were swamped in the first half. They came back strong in the second, however, and in spite of Mr. Pim, unsympathetic train schedules, etc., more than held their own.

The following is the proposed list of judges for the swimming meet:

Starter, Bus Woods; timers, Prof. Byron Priestman, Prof. E. O. Turner, Prof. A. F. Baird; finish judges, Prof. B. Fleiger, Prof. J. M. Gibson, D. Douglass; scorers, W. A. G. Todd, H. Garvie, R. Herbin; surveyors, E. Hagerman, D. Adams; diving judges, Prof. Priestman, Hap. Watson; clerk of course and announcer, T. H. Coffey.

Miss Neill's absence was very noticeable in the final, Tuesday night. She has been a valuable member of the team for several years, having a steady influence on her team-mates and, because of her height, being able to control the ball much of the time. This is the second time within a year that she has suffered broken bones. About this time last year she had the misfortune to break an arm. It seems that an insurance policy against the acts of the Gods would be a good investment.

Rothsay Collegiate School won the New Brunswick Inter-scholastic Championship at St. Stephen Saturday, when they defeated the High School quintette 55 to 14 in a sudden death game. Inch, a Fredericton boy, was high scorer for the Blue and White, securing 22 points. The team may play off for the Maritime title, a championship which most New Brunswick winners have found a bit too expensive in the past. This is the first time in history that Rothsay has won the title and the second in eight years that Saint John High has not won it.

Alfred Winsor, coach of the U. S. A. Olympic hockey squad, writing for the souvenir Winter Games magazine, states that the Canadian Amateur Hockey Association should adopt the professional hockey rules to improve the game. He writes well and his arguments carry plenty of weight. He points out that interest in amateur hockey is waning (which may not be the case here, however, as it is across the border), and that it is waning because the professionals have adopted a set of rules which better conform to public opinion.

He carries his argument further, too, by comparing the results of the Harvard-McGill exhibition games last Christmas. He points out that McGill won in overtime playing the American college rules, which are like the professional in that forward passing is allowed in every area, while Harvard won playing the Canadian code, also in overtime. Winsor believes that the professional rules are calculated to give an outstanding player a chance to show up, and the better equipped team to pull through with victories in the majority of cases. He states that the Redmen were better skaters and stick-handlers than the Crimson.

PEG GUTHRIE WAS HOSTESS TO CAPITALS

Beaton, Gammon and Ferguson, Fredericton Men Approached by Chicago

Last Saturday evening the Capitals and the Boston Hockey Club were the guests of Miss Margaret Guthrie, formerly of this city, at the home of her father, Col. P. A. Guthrie, 51 Stewart street.

Joe Beaton, Clint Gammon and Walter Ferguson were the three players interviewed by National Hockey League representatives last week while playing in Boston according to E. Royden Colter, who arrived home yesterday morning from Boston, where he was managing the Fredericton Capitals. Sammy McManus is also likely to have an offer, being spoken of very highly as a hockey player. The offers were made by the Chicago Black Hawks, who were playing last week in Boston with the Bruins and who were also joint-hosts to the Fredericton Club at an informal luncheon.
