GEO. D. JOHNSTON

WELL, our "Dartmouth" went over satisfactorily and it almost looks as if the old spirit is returning to U. N. B. at least intramurally.....the main event, the ski-race, changed hands and Glennie came in ahead of Richter, the defending champ, after clipping off the six miles in under 38.....scoop.....are Glennie and Richter going to run again this Saturday as rumoured?

Another scoop.....last Tuesday the interclass hockey league produced its first real successful turnout.....the Frosh. arrived with plenty of men and showed the advantages of having enough players by finishing strong.....thus they trimmed the '33 champs, the present Junior team by the score of 2-1.....the length of the remaining schedule and the increasing strength of the sun demand that the other classes follow the example set by the frosh.....the first game of the second section was to be played last Tuesday and each team was to start with a new clean slate.....but it snowed and as the Rink management seems to be under financial difficulties the schedule will undoubtedly be held up.....for shovelling snow is a payable job.....unless we have some volunteer snow shovellers things will go hard for our inter-class play-offs.....

The Varsity basketballers are

away Friday morning to Mt. A. where they engage the Garnet and Gold in the first of the intercollegiate series. With them go all our hopes for their success. The team will be without the services of Ronald "Osh" Beatty, who has been declared ineligible.

Also Ralph Freeze, spare forward, will be out. Ralph startled us by slipping away to the Hospital last Tuesday and undergoing an operation for appendicitis. He is doing nicely.

The absence of Ralph and Osh leaves Doug. Gerneroy with an extra worry.

And the students appreciated the efforts of Professors Priestman and Cattley. Our two Profs. showed the sporting spirit when they did their part in the winter carnival. Prof. Cattley entered the cross-country race while Prof. Priestman went in the ski-jump. The latter drew the admiration of the crowd when he showed his willingness to take another jump....

The McGill hockey team went through their senior league schedule undefeated, being the second team which has performed this feat. It has also won the Canadian intercollegiate title.

Nels Crutchfield, defenceman, captain, was recently injured and will be out for about three weeks. Nels is probably their most valuable player and unless he recovers soon will greatly impair the team's now famous chances to take back the Allan Cup to the mid-east.

Montreal.—A log-rolling contest, billed for February 24 at the baseball stadium, will do much toward dispelling the popular idea that the practice of this art is confined to Government circles.

Downed Saints By Score 9—3

Johnston opened the third with the prettiest play of the match. He took Bob Chalmers' pass, went through the defence, circled the net and batted in the puck. A minute later, a Dike to George to Bus pass accounted for the seventh goal. Bob Chalmers slammed in Johnston's rebound. "Farmer" Dadds and Burke were jibed by McManus as they put up a tricky offensive. U. N. B. controlled the puck throughout the remainder of the period, Bob Chalmers completing the scoring after a pass from Burke with a few seconds to go.

Interclass Hockey Positions Changed In League Standing

Two games played on the Antarctic on Tuesday February 13 shook out the teams in the league standing leaving the Seniors on the top of the heap followed with the Sophs, last years runners up, in the cellar.

Both games were hard fought with sparkling individual plays but with a lack of combination attempts. The winning margin in both games was the odd goal in three.

Seniors vs. Sophs.

The Seniors with Anderson, lanky wing, flaying in two shots, and Colpitts playing a whale of a game in the nets, took the Sophs into camp. The Sophs goal came from the stick of Tweedie play-making centre who did a nice job for the second-year men.

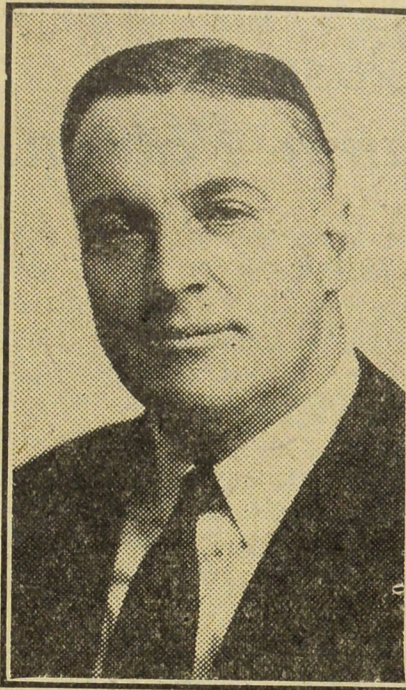

Frosh vs. Juniors

The Frosh eked out a win over the Juniors by virtue of a goal by H. King in the last minute of play. Previous to this goal Jackson had scored for the Frosh from a mix-up in front of the Junior cage and Benson had evened the count when he played his way around the Frosh defense to beat Dustin from close in. Frosh had a good turn out and showed the benefits of it by finishing with a burst of speed which hemmed in the tiring Juniors.
