

FRESHMAN DAY

Innovation! Innovation! Every Freshman in the college is to be asked to display his wares on Saturday! Instructor Coffey is making an attempt to get one hundred per cent. turnout of the first-year men in the various sports on the card. If each freshman will present his choice to Mr. Coffey he will see that every individual is busy in one or more events on the promised day. The program follows:

Rugby, Softball, tennis, golf, swimming, rifle shooting, track, badminton, boxing and wrestling.

Freshmen, better yourselves! Get behind the larger scheme of participation in college athletics by the entire student body!

TROJANS TIE

(Continued from Page Four) put on by the U. N. B. backs. Very apparently the team, as a whole, had an "off" day.

The first half ended 3-0 for St. John. The Trojans' try made by Doucett was the result of a good combination run by their three-quarters. McLenahan gained the points for U. N. B. in the second half on a beautiful penalty kick from a difficult placement. Play with U. N. B. having a slight edge in territory play.

tempt to convert. The City score came in the second period, when the Green and White forwards were again controlling the scrums, a sharp heel came bounding out to the young capital receiving half who side stepped the on-rushing third liner and finding himself facing a clear field drop kicked his team to victory.

In the territory play the game was probably the College's for while the opening of each period was controlled by the Capital men, the superior condition of the Red and Black found them pushing the play at the finish of each period.

While Patterson and 'Mac' Watson strengthened the City backfield. Coach Hickson successfully tried some new arrangements in his back division. Perhaps the outstanding treat in this respect was 'Hec' McKinnon's showing as he appeared in the first of the second period. This boy has promise and experience is the only thing he lacks.

With Guimond laid up with a cut hand 'Ike' Daughney was shifted to the wing to give the agile Donaldson the inside position. Except for Daughney's tendency to run in-field these men contributed everything that could be expected. Fradsham was, as he is ever to be seen, very much "in there" in every put.

Charlie Thomas broke loose on several occasions to initiate drives that gave the game some real thrilling moments, he was aided in most cases by Hyslop and 'Syd' Thomas who only slightly shaded the hard-working Bob Chalmers.

For the City 'Snap' Thompson was in fine form. He was closely chased for honors by Jack Vaughan and Dave Pickard in the scrum and the ever tricky Patterson and the reliable Ron Beatty in the backfield. With these men Boone and Watson were very much present. Coach Cain has promising material in Goodine, McGinn, Currie, Lifford and the others with which to seek MacTier honors, a good showing is inevitable.

Perhaps the most pleasing play of the day was the forty yard run by the City backs in the first period when every man handled perfectly to give Beatty a 20 yard run with lots of room to move about in.

Bus McLenahan made perhaps the most powerful individual drive of the game when he out ran, bowled over and fooled four successive opponents in a frantic effort to score in the dying minutes of the game.

With continual infield kicking and quick moving offensive and defensive moves hurrying up and down the field referee Cass had his hands full at all times and was often outdistanced by the thundering

CALEDONIA WITHDRAWAL

The withdrawal of the Caledonians from MacTier Cup competition came rather unexpectedly but not totally as a surprise. Although the press states that they withdrew due to conflicting dates it may be that Caledonia intends to devote all their time and energy to the MacCurdy Competition, which cup they now hold. It seems too bad that U. N. B. could not arrange dates to play for the MacTier cup as undoubtedly the competition would likely be between the Red and Black and the City team. With the Caledonians eliminated by their own consent the Nova Scotia entry may not be strong and if so the Cup would likely come to Fredericton. It is just another case of Upper Canada dictating to the Maritimes and in setting dates about which the Maritime teams have little or no say whatever. However it may be that Caledonia will yet appear in the MacTier ranks for as a Cape Bretoner has just said to us "yes, I know they have withdrawn — but you don't know Caledonia."

SENIORS DEFEATED BY COMBINED TEAM

The Seniors were defeated in inter class football on college field Saturday morning by a team composed partly of Freshmen and partly of City players. The score was 3-0. Aided by the City players the Freshmen had the advantage in play throughout, though the Sen-
