

Tech Freshmen Hold President of Sophs

BOSTON.—Despite attempts on the part of the sophomores at Massachusetts Institute of Technology, they have been unable to find their president, Phillip Briggs, who was captured by the freshmen Saturday and carried away to an unknown hidden place.

Yesterday, one freshman, who seems to be "in the know," said that Briggs was securely hidden and guarded and that his classmates might just as well give up hope of seeing him before field day—Friday.

The kidnaping is the first move in the field day clash between the first and second year men at Technology, which will include a crew race, relay race, football game, tug-of-war and glove fights.

If the freshmen succeed in holding Briggs in captivity he will no doubt be displayed before his classmates during the field day events. As in the past, this has been a signal for a pitched battle between the two classes.

A group of sophomores, captured four freshmen late Saturday night and left them on Mt. Wachusett to find their way to Cambridge. They arrived home tired and hungry early Sunday morning.

Collegiate Poverty

An empty school,
Not one fool
To hear T—le.
Where are they?
Gone to play
At Mt. A.
We are left,
All bereft,
Bored to death.

Speeding Students Take "Lectures" Of Another Kind

A leaf detached itself from a gently swaying tree and drifted lazily to the ground. A horse and cart trudged deliberately along.

Chief of Police Peter Carrabre of the Fort Garry police force reflected on the peace and quiet of the world. All things, he thought, were as they should be.

Swish! and a carload of decidedly noisy students flashed past and roared into the distance. "H-m-m-m," said Chief Carrabre. Swish! and another cargo of students on their belated way to a lecture zoomed past.

"H-m-m-m," said Chief Carrabre. Reprimands to speeding students followed and still the cars swished.

Something, decided Chief Carrabre, had to be done about this swishing.

And so on Monday morning a group of ten or more students whose zeal for attending lectures on time led to speeding down the Pembina highway will take "lectures" of a different kind at the Fort Garry court.

that such students must pay the student levy.

The meeting also brought forward a recommendation to be placed before the Student's Union, that the Union adopt the proposition presented by the Social Committee, to control and finance the Fall Formal.

STUDENTS . . .

When asked if he thought, according to the results, that twenty-five percent of the students were agnostics, Dr. Keirstead said that he thought that 25% of the students thought that they were agnostics but he believed that the truth of the matter was that students were mistaking the dogmas of the Church for true religion. Dr. Keirstead says he believes that the majority of the students believe the ideals of Christ worth attaining, and only find fault with the dogmas and customs.

It is expected that Dr. George Patterson will be in the City for the next meeting, at which time an even larger attendance is anticipated.

Parks—"No, I got sick on the sponge cake."

Borgal—"What did you do?"

Parks—"I threw up the sponge."

LAST YEAR'S SHOOT

In the D. C. R. A. Competition for 1932-33, the Dominion Championship was won by the U. N. B. team, comprised of E. M. Nason, G. G. Copeland, A. M. Floyd, V. E. Box, D. F. Brown, J. H. Peters, D. W. Corey and J. R. Cameron; with a record score for all the Dominion shoots to date, of 799 out of a possible 840. In addition to setting up a record team score for the Dominion, the U. N. B. team won additional honor through the accomplishment of J. Ross Cameron in obtaining 104 out of a possible 105 in the individual scoring. This is set up as a record score for any one marksman in the Dominion Intercollegiate shoot.

The members of the championship team with their scores are as follows:

	200	500	600	Total
J. R. Cameron.....	35	34	35	104
E. M. Nason.....	33	35	34	102
D. W. Corey.....	32	33	34	99
J. H. Peters.....	33	32	34	99
A. M. Floyd.....	33	33	33	99
V. E. Box.....	34	32	33	99
D. F. Brown.....	34	33	32	99
G. G. Copeland.....	32	35	31	98
Average				99.8

The standing of the highest ranking teams entered in the Competition is to be seen in the following statement, in which both the 1931 and 1932 totals are given. It will be noted that U. N. B. placed second in the competition two years ago:

	1931	1932
U. of Man.	747	782
U. N. B.	752	799
U. of B. C.	615	775
U. of Toronto	750	771
Queens University	764	771
Royal Mil. College		682

THIS YEAR'S TEAM

Of the members of the 1932 Championship team and present holders of the Dominion Cup, Nason, Brown, Box, Cameron and Copeland are still with the association and will in all probability secure places on this year's team. In addition we have marksmen such as Dow Kitchen, Sutherland, Corbett and Sansom who, together with a number of shots who are gradually working their way into the footlights, will undoubtedly make a good account of themselves on the ranges Saturday.

I took her to a show.
I took her almost everywhere
A girl and boy could go
I took her to swell dances,
I took her out to tea;
When all my dough was gone I
saw
She had been taking ME.
