Sixteen Events To Be Run Off; Winners To Meet N. S. Champs

The dates for the first official Maritime Tennis Championship have at last become known. Mt. A. plays U. N. B. at Fredericton on Saturday, October 14th, with the winning team — the N. B. inter-collegiate title-holder — scheduled to play the Nova Scotian Champions at Sackville the following Saturday.

Arrangements are being rushed to completion and prayers offered for fine weather. In all probability the U. N. B. and Mt. A. meet will be staged on the Riverside Courts in the West End.

Norman McLeod is secretary of the U. N. B. club, while inter-mural coach "Ted" Coffey, is doing great work as an assistant.

A committee composed of Secretary MacLeod, Coach Coffey and George Johnston are vested with the authority of choosing a suitable team — Davis Cup fashion — as obviously, the Intra-mural tournament cannot be run off by Saturday. The team is to consist of four men and four lady players, and a total of sixteen events is to be run-off.

Names already before the Committee are Duchene, Kirkpatrick, Johnston, Bartlett, Ruth Hanson and Jean Burnham. However any selection of players so far has been purely tentative and it is highly probable that the entire personnel of the team will not be selected until just previous to commencement of the tournament.

BRITISH PICTURES

"The quality of British motion pictures is such that they can easily stand alone without quota protection", said John Hicks, one of three Paramount Films directors, interviewed aboard the Empress of Britain after a ten weeks tour of Great Britain, France and Germany.

line when Burke made a fast dribble into City's territory. Then the U. N. B. scrum dribbled to City's twenty-five yard line with Ogilvie outstanding. Following line plays Coombs kicked to mid-field. Varsity's half-line made a pretty run, Donaldson gaining well. Varsity advanced almost to City's goal line where City held. Hazelton tried a drop from a bad angle but missed, giving the City a safety. Following the drop out dribbles and runs kept the ball in mid-field, until City kicked well into U. N. B. territory and Varsity

orary president of that organization and deplored the lack of interest in the society on the part of the general student body.

Following the program, refreshments were served and then the annual ceremony of pairing the freshmen and freshettes was carried out, and the function came to a close. The reception committee consisted of Mrs. C. C. Jones, Mrs. R. E. D. Cattley, Pat Pond, Isabelle Hughes, Chas. Thomas and Arthur O'dell.

quarters. that the crowd would have shouted "Come on, U. N. B."

The students are asked to "get together" at the football games—around the band. No effective cheering can be done by scattered fans.

"Vince" Sadovsky accomplished the remarkable feat of clipping 15 seconds off his last year 220 free style record. His new mark is 2.42 2/5.

Bruce Wright, speedy sprinter, took 1/5 sec. off his 40 yd. free style record, swimming that distance in 20 4/5 seconds.

Herbie has a new assistant, Dave Coombes—and Dave doesn't live very near the field either. Dave's type is what we need "in this here college", we want willing men.

"It is a deplorable fact that the result, or lack of results, of inter-class football, justify Ted Coffey's declaration of lack of interest on the part of the students. Ted goes on the assumption that since the students are paying money for the promotion of inter-class sports, they must want to take part in such sports; but, as yet, no actual inter-class games have been played as scheduled, because of lack of players. As students of U. N. B., with football rated as the major sport, must we admit such physical inactivity and lack of interest as to allow inter-class football to languish in idleness, and finally die out altogether? Ted is doing his job. The rest is up to the students themselves."

Ted, after reading this criticism, remarked, "No, I don't think I'd print it — Still, I think that if you substituted "Freshmen" for "students" it would be in order."

Credit is due "Ted" for his offering to referee the second game on Saturday. Patience and good-nature enabled him to withstand the numerous questions hurled at him by the out of town squad. He, having handled the previous game had to put in 3 hours of continuous work.

Thanks Ted,

Joe Hurley, our old front-liner, was at the game Monday. Incidentally, he cracked up at Trenton not as a direct result of doing the "Prince of Wales" but as a result of losing his undercarriage. He had to crack up.

Also, our former goalie and present Kiwani Gordon Coffey was in the sidelines.

touched down for safety. Following the drop out the ball went into touch at Varsity's thirty yard run. Kicks and scrum plays resulted in a slight gain until U. N. B. forced the ball to City's fifteen yard line. Donaldson tried a quick drop which missed going over by inches. After the drop and dribbles and runs gained for Varsity, with aggressive following up by Hyslop. City gained on kicks and dribbles. Bartlett was hurt and replaced by Burke. The game ended with scrum plays and kicks at mid-field. Dr. A. F. VanWart handled the whistle to the satisfaction of everyone.
