

Largest Class Graduated

UNIVERSITY CONFERS OVER 100 DEGREES

Senior Class Graduates Intact—Prize List of Twenty-Three Includes Three Double Winners

Thursday, May 17:—

THE brilliancy of the annual Encoenia proceedings was little dulled by overcast skies this afternoon, when visitors from many outside places gathered at the University to witness the graduation of the largest class ever graduated in the one hundred and thirty-four years of the history of the institution.

Of the degrees, three are honorary and the remaining 99 are divided as follows: Master of Arts, 5; Master of Science in forestry, 2; Bachelor of Arts (ad eundem), 4; Bachelor of Arts with honors, 7; Bachelor of Arts, 23; Bachelor of Science with honors, 6; Bachelor of Science, 7; Bachelor of Civil Laws, 3; Bachelor of Science in civil engineering, 11; Bachelor of Science in electrical engineering, 22; Bachelor of Science in forestry, 9.

The ceremonies were also marked by an exceptionally large prize list, the presentations on which took up a greater part of the preliminary exercises. Three double prize winners were featured in the

picture against the rugged rocks of the old college building and gave a touch of contrast to the scene within doors. The procession filed with stately tread into the Convocation Hall and the exercises commenced.

In the absence of His Honor the Lieut. Governor, Visitor on Behalf of His Majesty, the chair was taken by Dr. C. C. Jones, who opened proceedings with an introductory address, in which he made fitting reference to the record number of graduates and to outstanding events of the academic year now closing. The presentation of medals, prizes, scholarships, and certificates of honors and distinctions then followed and owing to the size of the class occupied a longer time than usual. The conferring of degrees then took place with President Jones performing the ceremony. G. Percy Burchill, B. Sc., of South Nelson, N. B., a distinguished graduate of the University in Forestry, then addressed the graduating class. The Alumni Oration by Prof. Chester Martin followed and the Valedictory by D. Chester Campbell of Saint John was the final address.

The prize winners, graduate and undergraduate honors and graduation lists are as follows:

LADY BEAVERBROOK RESIDENCE

list, of which Charles W. D. Scotcher of London, England, a member of the Sophomore class, was awarded the Alumni Gold Medal for translation of Latin into English and the Cattley Prize for Prose Composition; R. Reed Logie of Chatham, N. B., a member of the Freshman class, was awarded the Justice Richards' Prize for First Year English and a Currie Memorial Scholarship; and Walter McF. Smith of Fredericton, was awarded the Brydone Jack Memorial Prize and the Bailey Memorial Prize.

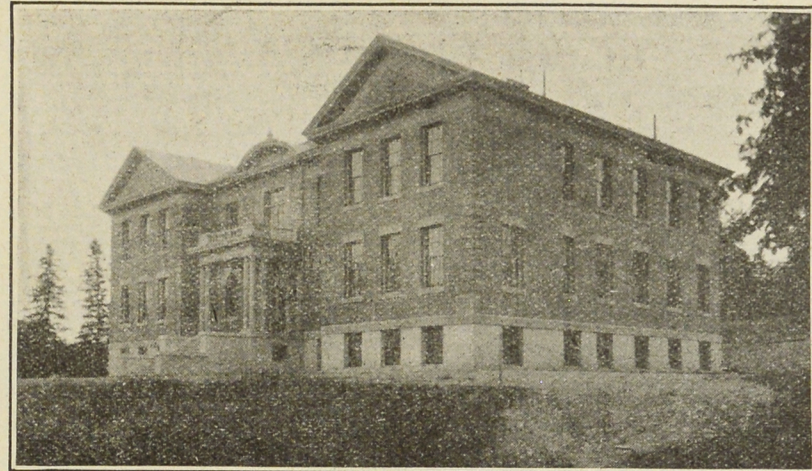

The three degrees honoris causa, conferred by the University, were those of Doctor of Laws, conferred upon Prof. Chester B. Martin, Head of the Department of History, University of Toronto, who was orator on behalf of the Alumni at to-day's Encoenia; Hon. L. P. D. Tilley, Premier of New Brunswick, in absentia; and the honorary degree of Doctor of Science upon William MacIntosh, Saint John, Curator of the New Brunswick Museum. The capping was performed by Dr. C. C. Jones, president of the University, candidates for degrees in Applied Science being presented by Dr. John Stephens and those for other degrees by Prof. R. E. D. Cattley.

In the traditional manner the academic procession was formed in the Arts Building and marched to the Memorial Hall where the exercises took place. The severe dignity of the scholastic garb coupled with the colors of degree hoods and gowns made a pleasant

The Presentations

The Alumni Gold Medal for translation of Latin into English was presented to Charles W. D. Scotcher by Justice Richards, retiring president of the Associated Alumni. The Montgomery Campbell Prize for Classics, won by Miss Rebecca Munro of Moncton, was presented by Prof. Cattley. Dr. M. A. Oulton of Saint John presented the Governor General's Gold Medal to Hugh James MacLean of Campbellton. The Brydone Jack Memorial Prize, won by Walter McF. Smith of Fredericton, was given to him by Dr. B. H. Priestman. The Ketchum Silver Medal for civil engineering was presented to Kenneth Nonnenman of Saint John by Prof. E. O. Turner. The Lieut. Governor's silver and bronze medals in electrical engineering were presented by Prof. A. F. Baird to Woodrow Parker London of Saint John and to Frederick Ernest Crowe of Sussex, and Prof. J. Miles Gibson presented the medals given by His Honor in forestry to Donald E. Nickerson of Marysville and to Ernest A. Smith of Pownal, P. E. I. His Worship Mayor Clark presented the City of Fredericton Medal to the winner, S. George L. Horner of Sussex, N. B. Mrs. Burdette Harmon on behalf of the Alumnae Society presented the Society's medal to Miss Margaret E. McDermot of Saint John. Justice Richards' prize for First Year English was presented by Prof. R. B. Pugh
