MT. A. CAPTURES TWO BASKETBALL TITLES

Varsity Team Defeated In Intercollegiate Series By Five Point Margin

Mount Allison University captured the Intercollegiate basketball title of New Brunswick by a narrow margin on Tuesday night, when the Garnet and Gold downed the Red and Black by a 59 to 56 score. The first game of the series, played in Sackville, resulted in a 19-17 victory for the Mounties so Tuesday's game gave them the league leadership by a margin of five points.

Tuesday's game was a game to the finish and excitement ran high throughout the entire period of play. The gymnasium was overtaxed with spectators as approximately 200 screaming collegians crowded the side-lines, and the tension increased noticeably towards the latter end of the game, as play became faster, and the scores, although mounting rapidly, kept fairly even.

The game was exceptionally fast throughout with neither team checking closely and with both forward lines piercing the opposing defences at will. Andrews, cagey, Mt. A. centre had a field day under the U. N. B. basket, his deadly tap shot making him high scorer. For U. N. B. Thomas, Lilly and MacKinnon were high scorers, while the work of Cuthbertson at guard was one of the highlights of the game.

The Game

Lilley, U. N. B. centre, opened the scoring on a tap play, Lilly to Thomas to MacKinnon and then a bounce pass to Lilly idling under the basket. A minute later Hyiski of Mt. A. equalized. Donaldson with his characteristic style broke up a play and slipped a low pass to Lilly who looped the ball into the basket. Then Lilly broke again and ran in three successive baskets and one foul shot for a total of eleven points in six minutes of play. Mount A now clicked on a play with Macintosh on the basket end. Cuthbertson scored on a long shot and MacKinnon took a pass on the foul line to hook in a difficult shot from the corner. An-

St. Stephen Girls Defeat 46 to 26 By Co-ed Team

St. Stephen:—The U. N. B. Co-ed basketball team defeated the St. Stephen High School Girls 46-26 in a fast game played in the High School gymnasium here Friday night. The visitors were easily the better team and outplayed their diminutive but aggressive opponents in almost every department of play during the second period. Play throughout the first period was fairly even with neither team displaying any great advantage over the other. St. Stephen started well but weakened rapidly under the smooth functioning of the Co-ed forward lines. The period ended 8-7 in favor of High School.

M. Burt and F. Nugent were high scorers for U. N. B., with 11 and 4 baskets respectively to their credit. MacVay and Rouse with 7 and 6 baskets each, led the High School Girls.

GEO. D. JOHNSTON

THERE is very little doubt that nearly every fan turned away from the gym last Tuesday night feeling that he had seen a very fine basketball game. We saw a fighting U. N. B. squad which clicked, played heady basketball, and which at times displayed a brand of ball which was inspiring to see.

During these flashes Mt. A. was entirely outplayed...Capt. Thomas turned in a performance even better than his usually flawless exhibitions, with well-timed attacks and cool defensive tactics...“Lill” played smoothly and effectively until he became dead on his feet...we have quality but not quality and quantity, as Mt. A. has...Donaldson was marked most of the time but managed to combine with MacKinnon to open up many an attack...Tubby played sound stuff but most of the time with a turned ankle...a fact of which Coach Gomeroy was not aware...Freeze and LeBlanc played cautiously and well during the short time they were on...they were all good...in fact, as we have said, at times there seemed to be only one team on the floor...for instance during the first five minutes...they were brilliant...but for every thinking fan there was a tragedy in the fact that we lacked men, that we lacked a benchfull of eager substitutes who would not only have relieved Lilly that night but would have been the experienced players of next year...in a college like ours where little attention is paid to digging up young high school stars and herding them up our path we must build up our basketball, hockey and football teams...it seems not our fortune to merely assemble ready-made material...we must finish it ourselves...it is no easy solution from the coach's standpoint (for his object is to “win this Year” and that is precisely what is expected of him), but obviously we have no alternative...that is, unless someone gives us a pile of money....

The final ski meet of the year will be held at College Hill on Saturday next, weather permitting, it was stated yesterday by Coach Coffey. The meet will consist of four events,—Ski jumping, cross-country ski race, slalom race and snowshoe racing. Report has it that skiing has been better for the past week than it has been all season.

Our swimming team meets St. John on the 24th. The trials indicate that we still have with us the men to collect our points. There might be even more material as well as interest if the swimming club was allowed a few more hours, the amount of time being of less importance than the appointment of it. But what material we have already....

Stan Guimond looks good as a welter...Glennie flashes a nice glove...while Chawlie Scotcher reigns supreme in the heavies...and the intercollegiate meet is not so far off...Dal. has very conveniently guaranteed our boxing team \$50 to use for the Halifax trip.

An obvious contrast between the two teams last Tues. night was the brilliancy and almost temperamental “flashiness” of U. N. B. and the consistency and confidence of Mt. A.

We congratulate Mt. A.'s hockey team. We wish her basketball equal success.

The Interclass hockey playoffs are here with headquarters at the Arctic rink. The present Junior class is the defending champ. team.

An enterprising Yale journalist is contemplating printing a hitchhikers' guide for the benefit of the sons of Elihu who bum their way to New York week-ends.

Mounties Win Ladies' Game 19-17 Score

The Mt. Allison Co-eds nosed out the U. N. B. Girls team by a narrow margin on Tuesday evening in the college gym when the score was 19-17 at the end of the game. For a time it looked as if the U. N. B. team would inflict a heavy defeat upon their opponents. At the end of the first half, which was played according to men's rules, the score was 13-9 for U. N. B. In the second half they placed under girls rules and the Co-eds succeeded in holding their own until the last ten minutes when they evidently became rattled by the fact that the Mt. A. co-eds were forging ahead.

Miss Sparling was most effective for the visitors, being high scorer, while Miss Ellis was outstanding at defence. The Varsity forward line marked hard but seemed to be unable to do much. Molly Burt was not up to her usual good-shooting form.

The U. N. B. defence, minus the able support of Pauline Merrithew, seemed unable to check the opponents and appeared at times, bewildered by the tactics of the visiting team.

Teams and scoring.
