IT IS our opinion that even those "in the know" were agreeably surprised at the showing of our basketball team at Sackville.....so it is easy to deduce to what degree those fans were surprised who were not up on the inside dope.....also we note that the boys opened up with an attack of effective—and beautiful—long shots which helped to loosen up the opposing defence and provide openings for getting in close....that's what's good....we are looking forward to a show of tactics just as sound on our home floor; and we more than hope that the '34 basketeers break that four year old tradition by which U. N. B. makes a great showing on the Mt. A. floor and a comparatively poor one on its own.....Four points in basketball means only two baskets.

It is with the deepest regret that we note that Bob Chalmers, sterling defenceman of the Varsity hockey squad, is ill at his home in South Devon. He was first confined to his bed on Tuesday, at which time a doctor was called and it was found that he was running a very high temperature. The latest bulletin, received from his home this noon, states that his condition is considerably better.

The Varsity swimmers will meet the Saint John Y. M. C. A. team in the Beaverbrook pool at a date to be soon decided. Remembering the times set in the interclass meet of last fall we anticipate a meet of thrills....and wins....

The Junior basketball squad is hard at work with such men as "Andy" Likely and Don

SOPHS TOP FROSH, 18-17

Last Saturday the Sophomores and Freshmen engaged in another one of their interclass struggles; this time on the Basketball floor. The Freshmen defeated the Sophomores by a margin of 1 point, 18-17. As the score indicates the game was very closely contested throughout and many fine plays were pulled off by both teams. Duchene for the Sophomores and Bartlett for the Freshmen were outstanding. They also piled up the largest scores, having 10 each. Keswick making his debut in interclass competition, for the Freshmen played a good game at guard.

The line up:

Freshmen, Corbett, c. 2, Mann, f. 6, Bartlett, f. 10, Keswick, g. 0, Hubbard, g. 0. Total 18.
Sophomores, Dunchene c. 10, Copeland, G. 2, Buchanan, f. 1, Crocker, g. 0, Edgar, f. 4. Total 17.
Referee: Ted Coffey.

Storey outstanding for their great improvement in the last few weeks.

The Argosy, in its latest issue, seems to attach extraordinary importance to fact that the recent U. N. B.—Mt. A. game was Mt. A.'s thirteenth.... The Cubs had a "thirteenth" game the other night,—score 10-3.....

We are sure that there is only one reason why the Mt. A. ladies' basketball team won over U. N. B.....That over there they have an extraordinarily able team.....For undoubtedly U. N. B. has a team which would bow before no ordinary squad.

We cannot understand, however, how our ladies played the poorer period under Men's rules.....That should be their strength, since it is the manner in which they have practiced most of the season.

The latest word with respect to the hockey situation states that Acadia, Nova Scotia Intercollegiate Champions, wish to play off with U. N. B. at Moncton for the Maritime Championship. The date suggested is Tuesday next.

The Co-eds expect to meet St. Stephen's team here Friday night. The game promises to be very interesting as both teams judging from last year's results seem to be evenly matched. However the team this year is minus the effective work of Pauline Merrithew as guard who is unable to play in the coming game.

YOU'VE HEARD that ancient and oft-repeated epigram about biting the nose off, etc.....That's what the Mount Allison student body is doing by delivering the ultimatum which demands a sudden death game with U. N. B., or else they withdraw their teams from intercollegiate competition. Because college spirit is what makes a college, and although Mt. A. may stack up against strong opposition in the barnstorming career she now contemplates, there won't be that element of healthy rivalry which exists among Universities and which, more than anything else, fosters the said college spirit.

One hockey player told us that he considered it a fine sporting gesture to play a deciding game, but after Mt. A. came forward with this attitude, he "wouldn't think of it." We'd like to put two questions to our old foe, "Where is your famous fighting spirit?" (Don't lie down and sob because you've been defeated—we'll admit that you had a fair team). No. 2:—the popular and ever so exuberant query, "Can you take it?"

Although other institutions appear to be able to attract and hold a complete athletic corps (including athletes), U. N. B. is unable to support her hockey coach! Larry took a big cut this year and was not offered a bonus in case his team took the Championship—which it did. In this day of economic upheaval, man finds it difficult to obtain work and when he does, difficult to obtain adequate pay. Larry's having a hard time of it. He's being sadly underpaid by the college. What think you?

If it's your opinion that Varsity is wrong in refusing to play another game to decide the provincial champ—The long overtime (which has assumed the proportions of the Tunney-Dempsey "long count") besides violating an agreement, materially lessened the team's chances of success against St. Joseph's, whom they played the following night. It stands to reason that the boy's must have been fagged when they could only hold the Saints to a one all tie. They beat them, nine to three, on home ice.

Hail to that troublesome, two-syllable word, at whose door blame for much of the world's discontent is laid! — RUMOR — It's been the source of this rather amusing anecdote....., at the meeting of the Maritime Intercollegiate body in Amherst, on Saturday, the Mt. Allison representatives were "Bul" Lister and the Residence electrician, "Spec" Peebles. The resolution before the house was that the Mt. A.—U. N. B. game be called a tie. The motion was debated and finally the representatives who approved of the resolution were asked to stand. Whereupon Monsieur Peebles assumed the standing position with alacrity. Mr. Lister repeated the resolution. Representative Peebles remained erect. Mr. Lister asked Secretary Norm. MacLeod to re-read the resolution. Mr. MacLeod did. Representative Peebles, by this time, scented a mistake. He shifted his weight from one foot to the other. Then, bluntly, "Am I voting for Mt. A. or U. N. B.?" Mr. Lister replied that he was voting for U. N. B. Representative Peebles precipitately resumed a sitting position.

College romances are like problems in business administration. They don't mean a thing, but you gain experience for the future.

Mount A. Up Four Points In Basketball Schedule

The Red and Black Gemeroy-coached team dropped a close decision to a highly touted Mt. A. squad at Sackville on February 22. The injury-riddled U. N. B. squad fought an uphill battle to hold the Marshmen to a meagre four point lead, in the first of the home and home series, total points to count. Coach Gemeroy started Donaldson, MacKinnon and Thomas with Cuthbertson and Art Freeze at defence. It was this inexperienced but reliable defence which played a large part in holding down the fast Brodie-Hyiski-Rogers line. Highlights of the game were the brilliant playing of Ralph LeBlanc and the beautiful long shots of Tubby Cuthbertson. For Mt. A. Brodie was high scorer with fifteen and the ever-dangerous Hyiski was runner-up with eight points.

The Game

Mt. A. opened the scoring with two baskets by Brodie and one by Hyiski. The Mt. A. forwards were sifting through the U. N. B. five man defence like a knife through butter. Then Gemeroy sent in Ralphie LeBlanc who completely disrupted the Mount A. defence by running in two quick baskets. "Sid" Thomas then hit his stride and combined with MacKinnon for two quick scores. However, Brodie and Andrews soon equalized. Period ended with Mt. A. holding a slight lead.

Second period opened with both teams hitting their stride. Donaldson entered the scoring column with two clean baskets. Brodie ran wild however, combining with Rogers to score two pretty baskets. As the period progressed, Gemeroy sent in Lilley, who played a remarkable floor game making two successive plays with Donaldson and McKinnon on the scoring ends. With three minutes to go U. N. B. was leading by one point but a double foul called on Lilley, resulted in Brodie tying the score. Two power plays followed which resulted in two quick scores for the Mounties, placing them four points in the lead, a margin which they continued to hold until the end of the game.

FROSH HOLD FIRST PLACE

Continuing to hold its position in the lead of the Interclass Basketball League, the unbeaten Freshman team triumphed over the Senior aggregation Friday afternoon in the Gym by the score of 27-24. It was a close, hard fought game, rough in spots, with the boys hitting the floor quite often. Mann and Corbett starred for the Frosh, the first with 12 points and the second with 7. Baker, Lodge and Sadovsky, an almost impregnable guard, were outstanding for the upper classmen, scoring 6, 10 and 8 points respectively. Creighton, center for the Seniors, was replaced late in the final quarter, when he twisted his ankle, by Coffey, who played a purely defensive game.
