GEO. D. JOHNSTON

THERE REMAINS only one more item on our 1933-34 sport card.....all the events have been run off except track.....and as usual, the final exams will be on us before our track men settle down to the grind which will end on the Mt. A. athletic field May 21st.....so if we are to be represented in the annual intercollegiate meet, the greater part of the training and conditioning must be undergone within the next two weeks.....and then the finishing touches will come immediately before the meet. Manager Odell states that about 15 men have been working out daily at the gymnasium under Coach Gomeroy and all that is lacking is quantity and not quality.....for there is Hyslop and White slinging the weights, Sid Thomas trying the Pole-vault, Scotcher, Bain, Burgess, Anderson, Bev Hazelton (Javelin), Burke, Corbett, and "Sparky" Lodge (the miler who is in perfect condition).....all waiting to don the spikes when the track is ready.....then there are the Freshman runners and jumpers who as yet are unknown quantities.....so you see what there is of it is of quality—now how about the quantity?.....

And how they are panning our "Hawks".....certainly the Toronto crowds wanted their "Money's worth", but consider the other side—the Hawk's side.....in fact, a great many who have themselves at any time undergone a lengthy game schedule in hard competitive sport wonder how the Moncton team went as long as it did without relaxing a bit—both on and off the ice.

SOPHS DEFEAT JUNIORS 20-15 IN FIRST GAME

In the first game of the Inter class basketball playoffs the Sophomores defeated the Juniors by a score of 20-15. The game was hard fought throughout, and both teams proved their right to enter the playdowns by demonstrating a brand of basketball superior to any seen in the inter class league this year.

The Sophomores opened up the scoring to take an easy lead, with Ted Tweedie sinking the first basket. The Juniors retaliated shortly after, and by means of the combination of Godfrey and Likely, and the sharpshooting of Burke, managed to keep close behind the fast breaking Sophomores throughout the first half. Both teams relied strongly on dribbling to advance the ball. The Sophomores worked in closer to the basket than the Juniors, but neither team showed any sustained passing attack. The Sophomores were leading at the end of the first half.

The second half opened up in the same manner as the first, with both teams breaking fast and guarding close, though many easy shots were missed. The Sophomore combination of Likely, Copeland and Tweedie really got working, and by fast passing around the basket had the Junior guards wide open. The shooting of the Junior forwards enabled them to keep near the Sophomores in the early part of the half, but in the fourth quarter the younger squad drew away to win by a definite margin.

Throughout the game the Sophomores showed themselves to be the steadier team, notably on defence. In this respect Tweedie and McCarroll were outstanding. The shooting of the Juniors was the more accurate. Guarding was close and many fouls were called. Ted Coffey refereed.

The line-ups were as follows:
Sophomores: Copeland, Tweedie, Likely, McCarroll, Wilson.
Juniors: Godfrey, Burke, Likely, Guimond, Benson, Callaghan.

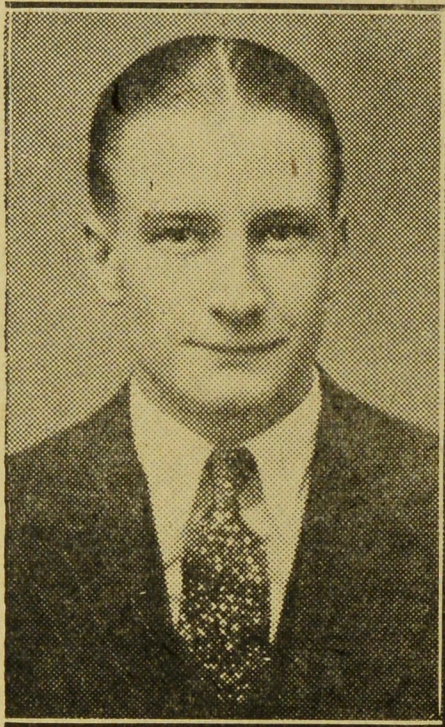

hammer the other day and threw it 108 ft.....without warming up.....Let's see you warm up.....

The 1935 Varsity hockey team will be led by Capt. 'Pud' Fradsham. Pud is also Football captain. His new office is most fitting for without his great playing during the past season the U. N. B. squad might not have won the Maritime title.....nor the New Brunswick.....

Speaking of hockey.....we are losing three valuable players this spring. Bus. McLennan, (Continued On Page Five)

"Pud" Fradsham Captains Two Varsity Teams

Allan C. Fradsham, "Pud" to pals, has had his popularity among fellow athletes at the University, evidenced at the football elections held last fall, when he was elected captain by a large majority, confirmed in no uncertain manner by his selection as hockey captain for the 1934-35 season. Being selected captain of two-teams for the one year is a distinction rarely attained

ALLAN C. FRADSHAM

at U. N. B. In this "Pud" is following closely in the footsteps of his old team-mate, Ralph Goodine '33, who captained both the rugby and hockey teams in the 1932-33 season. Like Goodine, Fradsham 'made' both the football and hockey squads in his Freshman year and has retained his position in both, throughout his college course. He received his major athletic distinction in the spring of 1933.

On the ice, "Pud" first took his position between the goal posts when he was in Grade 10 of the Fredericton High School. He has become so accustomed to stepping in front of pucks in the last five years that it is now a natural grace which is sometimes interpreted by the unknown as 'sheer luck'. This doesn't prevent ardent hockey fans, who have watched that 'luck' for those five years, from continuing to pick the Devon lad as the "best goalie in the Intercollegiate league".

TRACK MEET AT MOUNT A.

The Annual Maritime Intercollegiate track and field meet will be held at Sackville on May 21, it was decided at the annual meeting of the Intercollegiate Athletic Union, held in Halifax recently.

The following records made at the track and field meet of last year, were recognized by the Union: Earl Oldham's (U. N. B.) record shot put of 39.2 ft.; Earl Anderson's (Acadia) discus throw of 118.2 ft.; Ossie Mann's (Acadia) hop, skip and jump distance of 42.26 ft., and Jack Harding's (Acadia) time of 2 minutes and 7 3/4 seconds for the 880 yards.

The boxing championships for next year will be held either at U. N. B. or St. F. X., the latter university having the call, if U. N. B. desires it that way. In hockey the provincial champion must be declared before the last Tuesday in February, and the Maritime champion, the first Tuesday in March.

Y.M.C.I. Trumps Capture Basketball Championship

SOPHS CLINCH CAGE TITLE

Defeat Juniors 17-15 In Final Game Of Interclass Series

The Sophomores clinched the interclass basketball crown by defeating the Juniors in the final game of the playoff series. The game was close, as was evidenced by the final score, 17-15.

The game opened fast, but slowed down quickly, as guarding was close, and penalties were many. There was little opportunity for a sustained passing attack, and both teams depended on dribbling to advance the ball. The Junior combination of Godfrey, Nagel and Likely managed to penetrate the Sophomore defense several times, and enable the older squad to maintain a slight lead throughout the half, with Nagel high scorer.

The second half opened with the Juniors holding a two point lead, while the Sophomores were all cut down in the first few minutes of play. The Junior play was weaker both on attack and defense, while the Sophomores were all around the Junior basket. Play was more open, though more fouls were called than in the first half. Tweedie and Copeland were outstanding for the champions.

The game did not show as much heady basketball as the preceding game. Tension was great throughout, and the total number of fouls called was thirty, eighteen on the Sophomores and twelve on the Juniors.

Ted Coffey refereed. The line-ups were as follows:
Sophomores: Tweedie (7); Copeland (6); R. Likely (2); Wilson (2); McCarroll, Eldridge, Bailey, Wright, Duchene.
Juniors: Godfrey (3) Nagel (7); A. Likely (3); MacLeod (1); Smith (1); Benson, Ogilvie.

The student manager of Oklahoma University Harvest Carnival invited Mae West to fly to the carnival. From Mae West in Hollywood the student received the cryptic reply—"I'm no angel."

Intermediate Champions By 45-29 Win Over U. N. B.; Lawlor Stars

The Y. M. C. I. Trumps of Saint John, defeated the U. N. B. quintet, 45-29, in the second and final game of the home and home series for the N. B. Intermediate basketball crown, played in Saint John on March 29. Trumps captured the round and title, 77-59, having won the opening game of the series at the college, the week previous, by a 32-30 score.

During the first half of the game Trumps could do no better than hold their own with the smooth working college boys and at half time were trailing their opponents by two points, the score being 18-16. During the first 10 minutes of the final half the local team hit their stride and outplayed the U. N. B. hoopsters by a wide margin.

Ray Lawlor, elongated centre ace, for the Trumps was the highest individual scorer of the game with 28 points, 22 of which were made on field goals and six on free foul tosses. "Binks" O'Leary, returning to the game after a brief layoff with an injured ankle, turned in a colorful performance and accounted for 10 points.

Thomas Stars
Sid Thomas, Donaldson, McKinnon and Lilley were the pick of the visiting five. Thomas played a spectacular game throughout. Donaldson, flashy forward, led his teammates in scoring with nine points, followed closely by McKinnon with seven.
