THOSE attending Tuesday night's game seem to have the opinion that the team was not up to standard, that it suffered from "stage fright" and that "they couldn't seem to click".....O. K.....but remember that the team they opposed was of the greater experience.....the Senators have been playing hard games since November.....remember that U. N. B.'s first contest took place Tuesday night and that they have not been practising for very many weeks.....sup week cannot really be counted.....a couple more games and they'll click.....we lost only two graduates from our 1933 squad.....so watch for clicking.....There is no doubt, however, as to Senator's ability.....they are smooth.....we realize it.....but why shouldn't they be?.....there is Reardon (who scored 14 pts. out of 34) and then there is their annual playing together for quite a number of years.....so Senators possess more than this year's experience.....just wait.....and watch.....a coach, as well as a team, must have time.....look at Nature herself.....

We deplore the fact that F. H. S. has this year decided to drop out of the N. B. Inter-scholastic basketball league. It looks bad.

It makes us want to remind those now in F. H. S. that once upon a time there was a high school squad that cleaned up New Brunswick.....remember "Squank" Dugan, Jack Babbitt, Andy Douglas, Bus Woods, "Poet" Hewitt?

A last minute flash to the printers from Intra-mural Coach Ted Coffey states that Ted is going to enter a university team into the New Brunswick Junior Basketball League, if the necessary arrangements can be made. Good luck Juniors!

FARM LEAGUE OPENER ENDS IN NO SCORE

Through special permission of the weather man, after weeks of waiting, farm league hockey got away to a sticky start on the open-air surface of the Antarctic rink on Tuesday afternoon, when the Senior Electricals played the Millionaires to a scoreless tie.

The game was slow due to the soft condition of the ice, and lacked the aggressiveness usually to be seen in farm league matches. Although both teams tried hard, the goalies were seldom in danger and the game ended 0-0.

Ted Coffey refereed.

The three ice surfaces on which the U. N. B. hockey team plays its scheduled games are very different in size. The one at Mt. A. is very small, that at Fredericton of a size approaching regulation, and that at Moncton very large indeed.

"Spec" Peebles, who has played for the past two seasons with the Mt. A. hockey squad, is still very often on the ice with his old team. He seems to be getting most of the refereeing assignments in the Central Senior league.

Making an effort to raise skiing to the position of a popular intra-mural sport, Ted Coffey called a meeting on Monday to consider the most suitable events for the meet to be held Saturday.

It was decided by the few students, interested enough to attend, that a slalom, a cross-country race and two snow-

CO-EDS DEFEATED P. N. S. 45-10

Varsity Team Trimmed By Woodstock Senators

Final Score 34—21
Game Played In
College Gym

The basketball season opened at the University on Tuesday evening with Woodstock decisively defeating the younger and more inexperienced University squad by a score of 34 to 21. Coach Gerneroy started Donaldson, MacKinnon and Lilly with the ever reliable Syd Thomas teamed up with Ron Beatty on defence. Woodstock started Si Oldham, former University star, at centre with Bill Reardon and Ron Hull flanking him; on defence the Senators used Augerton and David Hull.

The game opened slowly with both teams playing cautiously. Then Reardon took a pass from Dave Hull, dribbled into a corner, pivoted his guard out of position and scored. Then on a tip off play, Oldham tapped to Augerton who passed to Reardon who in turn whipped the oval to Ronnie Hull who scored on a high lacing shot from the far corner. Then Oldham hooked one in and Hull and Augerton scored in quick succession. Up to this point U. N. B. seemed unable to break the ice. However, Syd Thomas broke up a Senator thrust and bounced a pass to Scotty Donaldson who was idling on the foul line and Scotty with one of his deadly pivots sank the shot from close in. Then scores came more quickly, with Bill Reardon; former St. F. X. star, giving an exhibition of ball handling and shooting seldom excelled in the Maritimes. Donaldson added four more points on a corner shot and a pair of foul shots. The period ended with the score standing 20-6 in favor of Woodstock.

The second period opened with a blaze of speed. Oldham, who was consistently out-jumping Lilly, pivoted a play which ended in Ron Hull's score. Then the University changed tactics and began to play defensive basketball. Donaldson effectively bottled up Reardon for several minutes but the more experienced player broke away for another score. The University seemed to be working better to-

gether and their thrusts results in three more scores, by Beatty, MacKinnon and Donaldson. The University defence was effectively turning back all close in plays but could not smother the long shooting of Reardon and Augerton who dropped in three baskets in quick succession. Donaldson broke up a play, caught the Senator defence flat-footed and broke away with no one in front of him. He dribbled in close and looped the ball in without any difficulty. Reardon soon equalized however with another of his typical shots from centre. Then U. N. B. worked their first complete scoring play with "Bill" Lilly on the scoring end. The ball zig-zagged around centre and the whistle blew with Ron Hull just starting a play from centre.

RUTH HANSON HIGH SCORER

F. Lowe Outstanding
For Normal—No
Support

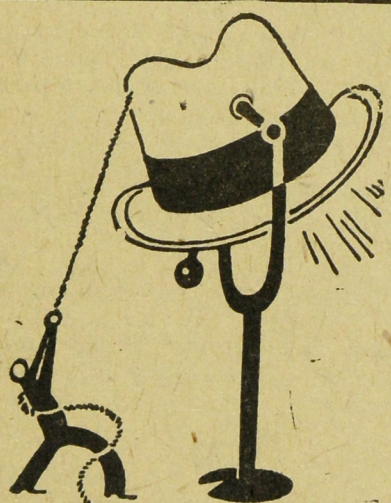

The U. N. B. Co-eds defeated the Normalites by a large margin on Tuesday night in the College Gym. Due to the fact that the opposing teams were so unevenly matched the game proved rather dull and more amusing than exciting. U. N. B.'s strong defence worked in perfect co-ordination with their fast forward line and succeeded at times in completely baffling the opposing team. The game was comparatively clean with referee Don Stephenson checking hard on both sides.

Among the co-eds, Ruth Hanson was high-scorer making some beautiful long distance shots. Mary Goodfellow with "Spike" Merrithew showed up well at defence in spite of the fact that Mary has always played centre. Running true to form Molly Burt, Helen Neill and Dot Palmer gave a good exhibition of passing and shooting.

In the second half the Normalites seemed to get under way and Florence Lowe, working like a demon, piled up an individual score of 10. However, she lacked the necessary support of her team and the game closed with the Co-eds leading by an overwhelming score. Line ups.

shoe races would constitute a full program.

During her recent short visit at U. N. B. Miss Margaret Kinney, travelling secretary of S. C. M., had a workout with the Varsity Ladies' Basketball squad. Miss Kinney is a graduate of the University of Alberta, on whose basketball squad she played guard. She expressed the opinion that our team plays good ball and would put up a real struggle against the teams of the west.

According to a letter received from Dalhousie, that university is to be the scene of an Intercollegiate boxing meet which is proposed to be more "intercollegiate" than any of those meets of recent years. Efforts are being made to encourage representation from all Maritime colleges.

In the letter mention is made of a possible guarantee. This may make it possible for a team to represent U. N. B. At any rate the boys are now working under Coach Lasky and hope at least that intramural eliminations will be held in time to consider such representation.
