

U. N. B. CO-EDS WIN MARITIME TITLE

Sports Slants

BY DAVE DICKSON

Our optimism at the first of the year re maritime championships seems to have been quite justified, with a second title coming our way in the past week, and another imminent. To the maritime intercollegiate football championship has been added the maritime intercollegiate ladies' basketball title and our heartiest congratulations go to the Co-Eds of U. N. B., who put out such a fine team and brought another title "up the hill."

The Red and Black male basketballers have been doing O. K. also and have already won the N. B. intercollegiate title. They finished up the league schedule without a defeat and now proceed against Acadia to fight it out for maritime supremacy. If the style and finesse displayed in their recent performances can give any indication of what to expect, we look forward for next week's sport page to report another maritime championship for the University of New Brunswick.

For several years now the Red and Black has been overshadowed in its hoop efforts by other colleges of this province and the maritimes. It appears at last, however, that we have emerged from our lethargy and rank right at the top in basketball as well as other college sports. Not a small portion of the credit for this year's showing should go to the coach, George Andrews, who has handled both the ladies and the men. "Beef" has done a great job and our wins have spoken well for his ability both as player and coach.

With this week's thaw, it almost looks like the end of the college rink for the present season. There still remain the interclass play-offs; and these may possibly be worked in. We feel that a word should be said regarding the efficient manner in which the rink has been managed this year by those in charge. Jim Dineen has carried out his duties well as has also Fred Currie, care-taker of the rink and clubhouse. It is to be hoped that when skating is finished, proper care will be taken of the materials put into the structure, that they may again be available next year for re-construction of the rink.

U.N.B. Hockey Squad Trims Saints 3 - 1

The Red and Black hockey squad wound up its last intercollegiate game with a 3-1 victory over the St. Thomas University team from Chatham last Friday evening. This was the first league game to be played on U. N. B.'s open air rink, and will in all probability be the last for this season.

"Rah-Rah" Lookhart of the home college team set the pace with one goal and assists on both the other goals to his credit. Marquis also

of the Red and Black squad, drove a hard fast one from the blue-line which beat Hickey of the Tommies for a goal. Pete Perley, third man on the star line, equalled his mates with one goal to his credit for the Provincials.

The game, even as the score now stands, was no cinch, however, for our Collegians and they were kept busy during all the three fast and clean-played sessions. Art Hickey who guarded the mesh for the Saints was kept in the limelight for the entire game. On several occasions he saved his net from the invading Red and Black rubber, while he grabbed, flicked away, or sat on the disc and saved his team from many a certain goal. Roberts, goalie for the U. N. B. team also deserves due credit for keeping the score of the opposing team down to its low pitch.

The game, although fast throughout, with plenty of rough and ready stick handling, drew few penalties, only three being handed out during the siege. Joe O'Leary of the Saints found himself in the cooler twice, while "Stu" Conacher of U. N. B. also drew a spell in the box.

The defensive mood of the U. N. B. team made the main factor in checking the plays of the Tommies. Coach "Snap" Thompson kept his defence men well forward, and as a result the puck was confined to the Saint's end of the ice.

The U. N. B. team took the lead in the first period when Marquis, drove the puck past Art Hickey.

DAL. BOWS TO RED AND BLACK

Win Five Out of Six Games Played.

On Saturday afternoon the girls' basketball team ended their sensational cage season by fighting their way to a Maritime Championship by a 42-23 win over Dalhousie University girls' team from Halifax. In their six game schedule, the girls lost only one game, and such a victory certainly proves their worth to U. N. B. athletics.

The Dalhousie co-eds were outplayed both as a team and individual players, by the expert marksmanship and team work of the home team.

Louise Dunphy, star offensive player for the Red and Black co-ed team started off the scoring by sinking the first basket. She was followed in turn by Marj Barberie, tall centre for U. N. B. who quickly tallied two points for the home team Dunphy again scored two successive

baskets in quick order, for the Red and Black. Throughout the entire session Dunphy played an outstanding game, and her style of playing and shooting could well be envied by any male collegian basketballer. She succeeded in running up a high score of 25 points for U. N. B. and this certainly indicates her worth to the team as a player.

Enid Bruce was kept from being up to her usual fine standard, by obtaining three fouls in the earlier part of the game. However too little credit cannot be given to the other defence players who played such a swell part in U. N. B.'s teamwork.

At the end of the first quarter the U. N. B. co-eds were well ahead with the score 17-3 and Fleiger and Dunphy looped the ball for several baskets during the second quarter bringing the score up to 26-11 in favour of U. N. B. MacKeighan of the Dalhousie team seemed the star player of the visiting team and during the first half sank two baskets in short succession.

During the second half the U. N. B. co-eds retained their edge and the score was 42-23 at the final whistle for U. N. B.

All cage-minded enthusiasts "up the hill" certainly appreciate such a fine showing of sportsmanship as has been exemplified by our girls, so let's show our appreciation to the

Down Tommies 52-23, For Fourth Straight Win and Chance at Maritime Title Thursday.

The men's basketball team, already with the Provincial Championship to their credit by the 52-23 drubbing of the Saint Thomas College squad last Saturday evening, and now ready to lay claim to the Maritime Intercollegiate title, when they meet the Acadia team in the Saint John Vocational Gym, March 14. The Red and Black team already have four straight wins, and another win certainly seems to be in line.

The game last Saturday night between the Tommies and U. N. B. was fast and rough throughout, and many fouls were dealt out by referee L. Hashey, but few of these tallied into points. On one occasion the Saints called the attention of the referee to rules in regard to fouls, but soon found themselves convinced as to his judgment. During the first half, the Red and Black squad were held down to a low score, and at half-time the score read 20-13 for the Red and Black. St. Thomas had a fast, tight checking team but from lack of good marksmanship failed to get results.

During the second half the Tommies found themselves minus two men, taken out with four fouls each, and thus were hard pressed for the rest of the game. Andrews and Munro, both played a stellar game, and scored many baskets from very difficult angles. Andrews was high point man with 16 points garnered for the Red and Black and he was also responsible for many of the points of his team-mates. Munro also of U. N. B. seemed to puzzle the visitors by his fast movements around the floor, and always seemed able to manoeuvre his way in under the basket for a shot. His straight shooting and accurate looping accounted for 14 points for the Varsity team.

INTERCLASH

It could be renamed "Inter-slush" as last week-end was touched with the gentle breath of Spring. In fact Brebner and Boney Wolstenholme were touched by this atmosphere and cavorted around and did Mendelssohn's Spring Dance while the Frosh were hanging a 14-4 defeat on the Seniors.

Early McDermott was doing a serious dance with about 10 or 11 goals to his credit. Flash Bannon and Weyman II were the other two dashing marksmen for the Frosh while Myers did a lot of rushing but was the only one outside Wimp Rogers who did not score on Cam Place. The score would have been much larger had Place let every shot in as the Tissue paper defence of Brebner and Page (no pun on Page) was badly broken.

Holmes managed to burn up the slush and got in front of the net by the time Boney centered the puck out and the result was a goal for the Seniors. Haddow Baird snuck in on the defence for another goal and as the sun got in everyone's eyes the puck somehow entered the Frosh net for two more goals. However John Henderson was one of the most active players on the ice and Cyril Kincaid was too until he left the ice via the slush route and then crashed through the door. He was not the only one as the slush was very deep and from the looks of the weather this ends the season as far as hockey is concerned.
