

U. N. B. AND ST. F. X. CLASH FOR MARITIME TITLE

SPORTS SLANTS

As predicted by this column last week Saint F. X. won the Nova Scotia Intercollegiate football title, by defeating Acadia, and so now it is U. N. B. vs. F. X. at Sackville on Thursday, for The Maritime Championship.

According to all reports, the Antigonish boys looked pretty good in taking the Axemen into camp by that 11-3 score. There can be no doubt that the Red and Black are in for a mighty tough game on Thursday. They will have to match the superior weight of the St. F. X. squad with speed and aggressiveness. And they will have to do plenty of hard tackling.

It should be a great game, and whichever team wins will be worthy holders of the Maritime Championship for the year 1939.

Well, Saint Dunstan's certainly exploded a bomb over on Prince Edward Island when they threw the Mount Allison squad for a loss, to the convincing tune of 21-3. This was the final game of the N. B. P. E. I. League. Consequently the U. N. B. boys feel rightfully pleased over having defeated the scrappy Islanders two weeks ago in their own backyard. Also, the result of this game leaves U. N. B. in undisputed possession of first place in the league, with the Mounties in second place and the Saints falling in behind them.

Strangely enough, Mount Allison, although finishing in second place, have scored less points than any other team in the league and have had more scored against them.

The above decisive win for the Saints was their first, and only, victory of the campaign, and in attaining it, they rolled up the biggest score to be recorded in the league this season.

Both interclass and co-ed basketball got under way this week. It is to be hoped that everyone who plays basketball will turn out for interclass as the team which is to represent U. N. B. in the exhibition game scheduled for this term is going to be picked from the players who show the greatest ability in these interclass games.

Prospects of the Red and Black again having a strong co-ed team look very good. Two of the stars of last year's team (New Brunswick Intercollegiate champions), namely Marj. Barberie and Louise Dunphy demonstrated in the game played on Monday afternoon, that they have lost none of the deadly accuracy they displayed in past years, in shooting baskets. Each hung up a creditable number of points against the "Dark Horse" Seniors, and teamed together, were the chief factor in the decisive win of the Juniors.

A bird's-eye view of the world of sport . . . the past week has been full of upsets in both big-time hockey and football . . . Toronto Maple Leafs pulled a big surprise when they took the Champion Boston Bruins into camp by a 5-0 score on Saturday night . . . likewise Montreal Canadiens who swarmed all over the Chicago Black Hawks to waltz off with an 8-2 win . . . the decisive victory of Illinois over undefeated Michigan in U. S. College football last week certainly set the wise boys on their respective ears.

Big Game to be Played at Sackville

The University of New Brunswick and Saint Francis Xavier University clash in a "sudden death" game at Sackville on Thursday afternoon for The Maritime Intercollegiate Rugby Championship.

U. N. B. qualified for the final by winning the N.B.-P. E. I. League. St. F. X. gained the final round by ousting St. Mary's and Acadia in the Nova Scotia playoffs.

Both teams are reported to be in top form, with no serious casualties to encumber them. Mal Rogers, U. N. B. fullback who sustained a knee injury in the game two weeks ago at St. Dunstan's and who consequently, did not see action when the team played Mount A. on the Garnet and Gold's home field, has recovered sufficiently to enable him to take part in this all important contest. The Red and Black squad have been out of competition for over a week, but do not expect that their play will suffer on account of this, since they have been working out every day against the faithful members of the second team.

The Blue and White St. F. X. team who only last week disposed of a fighting aggression from Acadia, look to have a formidable lineup. Their scrum is expected to be much heavier than the U. N. B. scrum and they are possessed of a couple of speedy men in the backfield.

This game will mark U. N. B.'s first appearance in the Maritime finals for five years, Mount Allison having dominated New Brunswick College football for the past number of years.

Vice Captain

DICK LOGIE

Husky U. N. B. forward, whose powerful pushing in the scrum, and whose hard tackling have been a great help in his team's drive to the Maritime Football finals. Dick has had many years of football experience, and his absence from next year's squad (Dick is a Senior this year) will certainly be felt.

Correction

Due to an unfortunate error on this page last week the writeups of two football games—U. N. B. second team vs. Mt. A., and U. N. B. Varsity vs. S. D. U. were published under the wrong initials.

The U. N. B.—S. D. U. game should have been credited to G. W. R. instead of C. E. W. and the U. N. B. second team game should have been under the initials C. E. W. instead of G. W. R.

FLASH!

Congratulations to the U. N. B. Football Team, new Maritime Intercollegiate Football Champion. . . .

Seniors Trim Sophs In Opening Game

The Inter-Class Basketball League got off to a good start on Tuesday as the Seniors defeated the Sophs 20-16. The game was surprisingly good in spite of being the first game of the season, and both teams not having had any practice.

The game was very fast throughout, but the Sophomores played very ragged basketball in the first quarter, and the Seniors piled up 10 points before the Sophs woke up. For the rest of the half both teams settled down and some very good basketball ensued. The Sophs fought their way down the floor time after time and as the half ended the score stood 14-8 for the Seniors.

The second half was a little slower with the Sophs having a slight edge, but the Seniors seemed to have the luck and kept their lead right to the end. Webb and Kincade were the bad boys of the game as both had three fouls called on them. Outside of this the game was clean and both teams showed fine spirit.

The Line-ups follow:
SENIORS—Brennan, 0; Haliburton 0; Estey, 2; Holmes, 4; Webb, 2; Bell, 4; Kincade, 8; Page, 0; Ritchie, 0.
SOPHS—Wilt, 2; Grant, 2; Baird, 6; Lamb, 2; Ross, 0; Davis, 0; Atyeo, 4.

Football Similies

The half-back was as fast as a tabloid reader's conception of a coded.

The pass was as straight as a Scotchman's course in a rented car.

The quarterback's play was as pointless as a professor's jokes.

The back was as evasive as a typical campaign speech.

The punt was as weak as the coffee you get around the campus.

The game was as rough as a truck driver's convention.
There remained as much chance for the home team to win as the captain has of making the co-ed basketball team.

The strategy was as subtle as the smell in a stable.

Seats were inexpensive as bribing a judge.

And the cheerleaders were as effective as a keep-of-the-grass sign.

Broncho Bustin' Juniors Swamp Dark Horse Seniors

'Mid loud neighs and whinnies the Broncho Busters swarmed over the Dark Horses by a score of 40-8 while the crowd roared—no there wasn't any crowd—while the handful of spectators looked glumly on. While the Bronchos fought, scratched and above all scored, the Dark Horses kept their tails up and plodded through to the end. The game showed good material on both teams and it looks as if the old members of the Varsity Team will have to be at their best this year to hold their former positions. Marjorie Barberie and Louise Dunphy were the real stars of the game scoring 30 points between them. Mary McMenamon, whom we have (Continued on Page 5)

Accompanying the team also are Manager Jim Dineen, assistant manager, Ivan Ronalds, coach, Egbert Cass and assistant coach Bert Waterhouse.
