

U. N. B. BASKETEERS EDGED IN MARITIME FINALS

Sports Slants

BY JIM MORROW

Headlining the activities on the sport front this week are two important events. There is first the Maritime Intercollegiate Basketball final at Saint John on Thursday, between U. N. B. and Acadia. Secondly, and of equal importance there is the Intercollegiate Boxing meet which is being held at St. Francis Xavier University, Antigonish, on Wednesday night. As this column goes to press, the results of neither of these events will be known.

U. N. B.'s chances to defeat Acadia in basketball and bring the third Maritime title of the year to this University looks good. The Red and Black are sporting the strongest cage outfit they have had to offer for a good many years. The team went undefeated through the New Brunswick Intercollegiate schedule, winning every game by a comfortable margin. They also won handily over the Ricker Classical Institute squad which played an exhibition game here early in the season.

There are some real sharpshooters on the Red and Black quintet, "Dag" Munro, "Beef" Andrews, Glen Davis, Gerry Bell, et al, who, if they have an "on night" are liable to pile up a big score on their rivals.

Without in any way belittling the prowess of the Acadia Axemen, who are sure to present a tough squad, the Red and Black should emerge victorious on Thursday evening.

As for the boxing—any predictions here would be strictly of the guessing variety. There is no telling what may happen in this parade of the Maritimes' best Amateur leather tossers.

Manzer Bunker, of U. N. B., present holder of the Featherweight title should keep his crown intact. Dallas Laskey definitely looks to have the edge over his opponents in the Welter division. It would not surprise us to see Dal go out there and cop the title this year. He came close two years ago, but was out of competition due to illness last season. He has had considerable experience since then, including an exhibition bout with the well known Johnny Lifford.

Bob McLaughlin, winner of the Laskey Cup this year, and U.N.B.'s representative in the lightweight class, may also pound his way to a title. Bob has a hard punch and can take it.

Ralph Sweet, Bob McLeod, and Cliff Hoyt, the manager who also may take a crack at the heavy title, are the remaining members of the team.

Sweet, a light-heavy weight may find himself a little shy on experience, but carries a lethal wallop into the ring.

McLeod has shown great improvement during the last year and should be able to hold his own in the middleweight division. Bob has an educated left, which his opponents will find rather annoying if they try to sneak a hay-maker around it.

It should be a closely contested

Bow to Acadia In 46-42 Tussle

Held Two-Point Lead
With 5 Mins. to Go

(Telegraph-Journal)

Acadia University Axemen retained the Maritime intercollegiate basketball crown last night with a 46-42 victory over the University of New Brunswick in a fast, thrilling game on the Saint John High School floor.

With five minutes to go U. N. B. held a two-point lead but lost their advantage in the closing minutes after big "Butch" McLean had been banished for exceeding his foul quota.

Mal Rogers, star guard of the Red and Black team, also left the game with 13 minutes to go with four fouls tacked on him. Coach George Andrews followed his two best men to the bench one minute before the final whistle.

Andrews paced all scorers in the game with 18 points although he did not come on the floor until the 15-minute mark in the first half. Morton of Acadia placed second with 14 points.

Frankie Barr, Acadia centre, and his opponent McLean, staged a great first half battle for points with the Blue and White players getting 12 and McLean 11. Both went scoreless in the second half. Bayne of the winners had 10 points.

Acadia piled up a 10-point lead in the first part of the initial half, but the Hillmen led by Andrews cut the lead to four points and the half ended with Acadia on top 30-26.

Acadia gave a great display of set-shooting in the first half sinking nearly every try. McLean and Barr used their great height to drop in many rebounds.

U. N. B. garnered most of their points in the fray with well executed push-shots. The New Brunswick squad had an edge in play in the second half, and but for the loss of their three best players might have

Red and Black Cagers Trample C. P. R. Team

The Varsity quintet advanced another step towards the N. B. intermediate basketball championship in the College Gym last Friday night, when they drubbed the McAdam C. P. R. five by the one-sided score of 57-17. The U. N. B. men controlled the play from first to last, and outshone their opponents in all points.

The Red and Black team got off to a good start with Munro and Bell scoring goals shortly after the opening whistle; and it was not until 17 points had been chalked up by U. N. B., that McAdam managed to tally one of their own. The score at the end of the first half was 26-5.

McLean, flashy centre of the first line, seemed to have some trouble with his shots during the first part of the game; but he came back strong in the second half, showing his usual form, to garner 14 points, making him high scorer for the night.

McAdam was constantly hindered by poor shooting; they just couldn't seem to find the basket; while their slow, feinting style of attack failed to puzzle the Red and Black cagers, whose snappy teamwork and lightning-like thrusts

U.N.B. Boxers Take Second Place at Antigonish Meet

Dal Laskey of Red and Black Takes Welter
Crown at Meet Won by St. F. X.

Garnering seven points, the University of New Brunswick boxing team Wednesday night took second place in the eleventh annual Maritime intercollegiate boxing tournament, held this year at Antigonish. The home town squad representing St. Francis Xavier University, annexed 27 points to take the title for the second consecutive year.

Teams from Mount Allison and Dalhousie Universities, also participating in the meet, failed to make the scoring column.

Dal Laskey, present N. B. amateur welterweight champ, was the only Red and Black man to come through in the finals. He took a decision over Rankin of St. F. X. in the welterweight division to add the crown to his long list of boxing laurels.

Of Coach Bill Laskey's proteges, six made the finals including Dal Laskey. The other five however, lost out by decisions. These were: Sweet, Hoyt, Bunker, McLaughlin and McLeod.

The winning St. F. X. team took seven titles out of eight and had a finalist in the eighth division. All bouts consisted of three two-minute

Game With Local Girls Won By U.N.B. Co-eds

Last Tuesday evening the Men's Basketball Squad conquered the City team by the score 44-18, after the Co-eds had defeated the City Ladies' Team 31-20, thus making it an all-U. N. B. evening.

With Captain Louise Dunphy on the sick-list, the remainder of the team overcame a small lead which City had established early in the first quarter, and after that their lead was never seriously threatened. The Co-eds seemed to make a sincere attempt to divide the scoring more evenly among themselves than has been done in the past, with the result that all the first line forwards were high scorers. Marj. Barberie well merited her 14 points and right behind her were Doris Fieger and Pat Anderson with 9 and 8 points respectively.

For the City, Jean Dickie, former Campbellton girl, was outstanding, garnering a total of 9 points with the capable aid of Della McFarlane and Molly Burt, who themselves acquired 6 and 5 points respectively. The City team displayed "nice form" throughout, as did the Co-eds; and keen shooting with close checking was featured in the game.

The scores and line-ups follow: City—Jean Dickie (9), Polly Rowan Molly Burt (5), Della McFarlane (6), Eileen Poore, Mary Haslett, Gerry Rowan.
U. N. B. Co-eds—D. Fieger (9), M. Barberie (14), P. Anderson (8), S. Lemont, M. McLean, E. Wright, J. Gregory, B. Ritchie, E. Bruce.

FROSH WIN ON SAINT JOHN ICE

Something new in the way of collegiate sport was evidenced last night in an Interclass Hockey final played in the Forum at Saint John between two U.N.B. class teams—the Sophs and the Freshmen. About 30 players of the two teams made the trip, leaving Fredericton at 6 p. m. last evening in a large 2-ton fruit truck, hired for the occasion.

After witnessing the Acadia-U. N. B. basketball game at the High School, the squads repaired to the artificial ice arena, where the game finally got underway at 11 p. m. The C. O. T. C. sweater-clad Frosh took a first period lead over the Red and Black bedecked Sophs, with the

S.D.U. Takes Trophy

St. Dunstan's University of Charlottetown by winning the N.B.-P.E. I. college hockey championship, is the winner of the shield donated by citizens and merchants of Charlottetown, Sackville, Fredericton and Chatham as an emblem of the title. The trophy is of oak, two feet long by a foot and a half wide; the mounting is done in bronze. On it are the crests of the four colleges that take part in the competition, namely, St. Dunstan's, Mt. Allison, U. N. B. and St. Thomas. At the bottom are the coats of arms of the two provinces, New Brunswick and Prince Edward Island, in addition to name plates on each side, on which will be engraved the winners' names from year to year.

meet, and U. N. B. will come away with a fair share of the laurels!
