PEP RALLY CONSIDERED BEST IN YEARS

Hugh Brennan Master of Ceremonies Last Friday

Freshmen Goat Predominant in College Field Show

The best Pep Rally seen, heard or acted in Fredericton in years, was held on Friday last in the Football field. Hugh Brennan, President of the A. A. A., was in charge.

The Pep Rally started in with a bang—and a speech by Mr. Brennan.

The first item on the programme was sponsored by the Ladies' Society—which was entitled "A Faculty Meeting". Following this, the co-eds sponsored a Freshman beauty contest, the winners being Roy Watt facial wart and Doug Gunter.

The Ants Society then put on a wedding scene, with Dave Dickson, as the blushing bride, "Ghandi" Hanson as the terrified groom and Johnny Robinson as the "sober" minister.

Harry Wall, in his usual inimitable style, led a sing-song which was one of the hits of the programme.

Hugh Brennan then stepped down from the microphone to take part in a skit, which was sponsored by the Forestry Association. This skit was called, "A Forester's Typical Day." The lumbermen taking part were John Henderson, Hugh Brennan and Haddock Baird.

The Engineers were not content with Home-made Dramatics, so they put on Eugene O'Neill's "Grow" (Continued from Page 1)

Dr. Bailey Addresses Students' Forum

A meeting of the Students' Forum was held Thursday night in the Ladies' Reading Room with the Chairman of the Forum, William Ryan, in the chair. The national conference of Canadian University Students to be held at Hamilton, Ont., during the Christmas holidays was discussed at some length.

Another matter brought up for discussion was the question of grants in aid for student scholarships. It was pointed out that considerable work in this matter had been done last spring through the Forum.

Lloyd Birmingham, who was in Winnipeg last summer when the national executive of the Canadian Students' Assembly met, outlined the steps taken and planned by that body in respect to these scholarships.

The speaker of the evening was Dr. A. G. Bailey, professor of History, who spoke on the historical aspects of certain problems leading up to the present war. A very interesting discussion followed Dr. Bailey's address and the hope was expressed that he would speak to the Forum again in the near future.

CHAIRMAN

HUGH BRENNAN

President of the A. A. A. due to whose efforts Friday's Pep Rally was a howling success.

U.N.B. Law Students Well Organized

The students at the U. N. B. Law School in Saint John is none the less active than the students at the parent organization in Fredericton according to word received from the Brunswickian correspondent in Saint John.

The law students are organized with Judge H. O. McInerney as honorary chairman and Kenneth J. Burbridge as president. Other officers of the student body are: vice-president, Gerard Michaud; treasurer, John Murchison; secretary, Edward Dinsmore; press secretary, Frederick Morgan; chairman of the Debating Society, Geo. O'Connell; chairman of social committee, William G. Power; others on the social committee besides the the honorary chairman, Mr. Justice L. P. Tilley are Adrien Cormier, John Murchison, Daniel A. Riley, and Hugh Teed.

Argue Again Hon. Pres. of Pre-Meds

The Pre-Meds held a meeting in the Biology lecture room on Tuesday at 1 p.m. Prof. Argue was re-elected by acclamation to the position of Honorary President of the Society.

The informal dance which was discussed at the last meeting received consideration. It was decided however, to abandon the thought of having it this term due to other dances and the close proximity of the exams.

The idea of having separate pre-med pins was discussed. It was decided to look into this matter further by obtaining cuts and prices.

A tentative date for Dr. Hynes talk at the hospital on X-ray was (Continued on Page 5)

Bobby Burns Changes Garb Again

Epidemic of Red and Black Paint Arouses Fredericton

The mysterious exterior decorators were at work again on Wednesday night when they gave "Bobbie Burns" a suit of red and black in place of his drab gray. This was the second coat "Bobbie" has received in the last few weeks, the previous one being a dull brown. In addition to painting the statue the paint slinging miscreants painted "U. N. B.", on a stop sign at the corner of Queen and Church Streets and continued up King Street leaving behind them daubs of red and black paint on the garage door of Dr. J. A. M. Bell.

The St. Andrews Society has posted a \$50.00 reward in addition to reporting the matter to the police who at press time had failed to apprehend the guilty parties.

On the right side of "Bobbie" Wednesday morning, waistcoat and breeches were red, his left stocking was red, his waistcoat and breeches on the left side were black and his right stocking was black.

In the past red and black paint has been used in numerous painting jobs in the dark of night about the city. For some time last winter three piers on the railroad (Continued on Page 5)

Freshmen Discuss Social Activities

A meeting of the Freshman Class was held on Wednesday, October 25th at 1 p.m. The President, John Crosbie was in the chair.

The business for the term was the object of discussion. The small deficit remaining after the Mt. A. game was declared by Mr. Crosbie to be the correct amount and a vote was held to determine the attitude of the class on this deficit.

The shortage was due largely to the unwillingness of some to pay their levies and the president declared that in order to preserve the name of the Freshman Class each member should have enough honor to pay his levy.

The President stated that the meeting was opened for suggestions for future social activity during this term. He also added that ample time for examinations and other student activities must be allowed. Two suggestions however, were to be considered: A werner roast and a Halloween Masquerade. But since no decision could be reached, Mr. Crosbie said that this affair would be taken up again at another meeting. Before the meeting was adjourned the president called for better co-operation among the members of the Freshman Class.

Red and Black Supporters Celebrate Victory

Picture Presented To Ladies' Society

Miss Sterling Presents Portrait of Dr. Mary K. Tibbits

A special meeting of the Ladies' Society was held in the Reading Room on Wednesday noon. Miss Sterling, librarian of the University, presented to the society a framed picture of Dr. Mary K. Tibbits, the first woman graduate of the University. Mary Neville, president of the society was in the chair and accepted the portrait on behalf of those present. Mrs. C. C. Jones was also at the meeting.

Reports were then given by Pat Morrison and Jean Ramsay on the amount of money made at Saturday's game by the selling of banners, chocolate bars, peanuts, etc. The secretary was asked to send letters of thanks to those who had given us donations and also a letter to Miss Tibbits.

It was decided that the Ladies' Society would put on the tea for the Alumnae Society during the month of January some time.

It was voted upon and passed that the Freshettes should no longer be confined to the kitchen during their spare time but they should now be allowed the use of both the Blue and the Ladies Reading Room.

Science Club Holds Banquet Meeting

The Science Club held its first banquet meeting of the season in the Goody Shop last night.

Following the luncheon an important business meeting was held. After the business session, Pat Holden, speaker for the evening read a paper on "Sulphanilamide and its Derivatives." Mr. Holden spoke on the discovery of Sulphanilamide, its many applications and the care required in its handling. The paper proved to be extremely interesting and of a definite educational value.

Year Book Committee Holds Meeting

The First Meeting of the Year Book Committee was held on Thursday afternoon in the Library, Jim Colby Editor-in-Chief was in the chair. The meeting was mainly for organization of the duties of each member of the committee. It was decided to bring up the matter of the Year Book again at the next S. R. C. meeting. Those present were Jim Colby, Lester Hoar, Whitley Tomlinson and Mary Neville.

Students Parade Through Fredericton In Victory March

Mount A is dead! Long live U. N. B.! So chorused a jubilant procession of University of New Brunswick students as they marched, three hundred strong, down Queen street here Saturday afternoon. The outcome of the rugby battle between the age-old rivals, Mt. A. and U. N. B., was no secret. It was written clearly on the face of every beaming Red and Black supporter.

Leading the parade was Billy the goat, U. N. B.'s strutting, dignified mascot. Marching close behind the bearded ruminant, the college band struck up the strains of "My Girl's a Cracker Jack," traditional theme song of Red and Black adherents.

The capital city's very foundation shook as college spirit ran rampant in mingled shouting, cheering and singing. Traffic was jammed for many blocks; but it was U. N. B.'s day and there were no complaints.

As the triumphant throng approached the Queen Hotel, they noticed a man in a third storey window waving with unrestrained enthusiasm. When they drew up where they could see their sympathetic supporter more clearly, a still louder burst of cheering shot forth as they recognized New Brunswick's premier, the Hon. Allison Dysart. The political leader could not contain the outbreak of college spirit, so long latent within (Continued on Page 5)

S.R.C. Pres. Receives Summons

The president of the S. R. C. blanched white on Thursday morning when he glanced at the notice board in the Arts Building. On the board was a Summons duly made out and sealed. Recent events on the campus crowded through his brain as he quickly scanned the Summons and breathed a sigh of relief.

The Summons was merely a novel announcement by William G. Power, Chairman of the Law School Social Committee, that the Law Faculty Ball will be held at the Admiral Beatty Hotel in Saint John on the third of November. U. N. B. students are invited to attend at three dollars a couple. All proceeds will go for the comfort of His Majesty's Forces.
