ACTIVE HOCKEY SEASON IS ASSURED

Varsity Squad to Play in Fredericton Section of The Pickrell League

Other Teams—Devon, Marysville, Merchants

Hockey activity was assured for U. N. B. when on Sunday afternoon the various officials of the local teams met, and organized the Fredericton District Section of the Pickrell League. Those teams represented at the meeting besides U. N. B. were Marysville, Devon, and the Fredericton Merchants, and it was agreed to run off a schedule of games among those four teams, with the winner, U. N. B. excluded, to play-off with McAdam for the Pickrell Trophy.

It was felt necessary by the managers of the other teams that the University's team's status in the league be unofficial because U. N. B. played Intercollegiate last year, which they consider the equivalent of Senior Hockey, and since Varsity's idea is to get in a series of regular games as preparation for the Maritime Intercollegiate Finals, this proposition was approved by all.

A schedule of games to be played during this month was then drafted, and since half of the games are to be played on College Rink, the fans "Up The Hill" will have plenty of opportunity of witnessing good hockey.

Varsity Hockey Practices

The College team have had several practices, and prospects for a championship team are not at all dark. With Captain Eric Lutes at the helm, and "Pete" Perley, Ralph Lockhart, Colin Marquis, Arnie McAllister and "Stu" Connacher back on the ice again, it shouldn't be hard to round out a good, all-round team from the promising lot of new material that is turning out. The remainder of the team will be picked from the following: forwards Anderson, Myers, Simpson, defence, Baptist, Brown, Bolton, Sweet, goal, Mitton, Pelletier, Burchill, Hinton.

Following is the series of games

In each case the last named team is at home and since the Merchants are using our rink as home-ice there will be six interesting games played at College Rink.

Plans Indefinite Re Basketball

As far as anyone has been able to gather, plans for this term's basketball are rather unsettled as yet. It seems a sure bet that U. N. B. will play Intermediate but arrangements and entries for a league are still hanging in thin air although it is thought that Saint John and perhaps Woodstock and Moncton may enter teams if such a league is formed. If a league of this kind is not forthcoming the U. N. B. team will doubtless play a series of exhibition games to get in shape for the playdowns. Another idea is that our team may play a series of games with the army who are reported to be going in for basketball.

With the new gym not quite ready for practising in yet, the basketball squad is going ahead under Coach "Beef" Andrews and Manager Stan Pringle. Practices have been held and the prospects of a smart team can easily be seen by glancing over this imposing list of players. Remaining from last year's championship team are "Beef" Andrews, "Dag" Munro, (who has not yet returned from a prolonged trip to Syracuse) "Butch" McLean, Bob Smith, Charlie Weyman and "Cho" Atyeo. New material aplenty is to be found among the following. Hal Marshall, Doug Rogers (who played for Acadia last year), Gordon Baird and the following Freshmen: Acker, Fisher, Gannon, McClintock, Mears, Milbury, Ramsey, Lockhart.

Being so well supplied with players U. N. B. should see lots of basketball this term when things become a bit more settled.

Ski Club Hold First Meeting

The first meeting of the Ski Club was held on Tuesday at 12.45 in Prof. DeMerten's Room. There was a good turn-out and the meeting opened with the President Gordie Bruce in the chair. He called for nominations of a new president, stating that it should be a Freshman or Sophomore as the upper classes were two busy. Two persons were nominated, Enid Bruce and "Bud" Smithers. Enid Bruce was elected. She took the chair and called for nominations for Vice-President and Secretary-Treasurer. Dal Laskey was named Vice-Pres., by acclamation and George McLaughlin, Sec. Treasurer.

It was decided to have a ski bus on Sunday to the Royal Road and the matter was mentioned by the President about the feasibility of week-ends at Boiestown Camps. The Budget for the year was asked to be drawn up by the new Treasurer, and the meeting closed.

Sophs to Hold Informal Hop

At a class meeting held at noon Wednesday the Sophomore class decided to sponsor a dance—not just another dance, but a continuance of the traditional Sophomore Hop. The tentative date set was February 7.

No tails, no tux allowed, in fact sweaters and skirts for gals, and sweaters and trousers for the men are going to be the conventional dress. The idea of maximum comfort and enjoyment is supposedly behind this, so all who like relaxation and ease while enjoying the dance. Keep your eyes open for further notice of the Sophomore Hop.

The class is holding the dance primarily to bolster the U. N. B. Spitfire fund, and give it another boost towards success.

It was a wet miserable night, and the car was crowded. Suddenly a coin was heard to drop. An old man stooped and picked it up.

"Has anyone lost a dollar?" he inquired anxiously.

Nine passengers hurriedly searched their pockets and shouted, "I have."

"Well, I've found a penny toward it," said the old man.

"There's no danger," said the doctor. "It's only a carbuncle coming on the back of your neck. But you must keep your eye on it."

Conductor (to baby with small child that handed him a \$5 bill) — "Madam, is this the smallest you have?"

Indignant Lady—"Yes, but it's none of your business. I've only been married two years."

Sport Slants

By Herbert Loane

Have you ever noticed the look of anticipation on a small boy's face, the eagerness displayed in his every feature, as he went forward to receive a prize or Christmas present? How similar to that feeling is the eagerness with which we await the opening of the new gymnasium! We chafe at each new delay in its completion, and impatiently watch its progress—so slow to our eager minds. But little by little the gym is nearing that day when our hopes and ambitions will be realized, and when each one of us will be able to pursue his favorite sport within its walls. Have patience students, it won't be long now.

Varsity Hockey has started with a bang, and with the steady, regular opposition that this league will provide, our squad should be in better trim for the Maritime Intercollegiate round than they have been for years. But how about getting Interclass Hockey started!...This is real hockey weather, and a lot of it will be wasted if Interclass doesn't get started soon. Other colleges have been having Inter-Platoon competitions; would that create more interest than either Interclass or Inter-Faculty?

U. N. B. Wins In League Opening

(By Don C. Metcalfe)

The game was wide open from start to finish, a true point-getter's paradise. The match was featured by fast skating and expert stick-handling—a wide open brand of hockey which is especially appealing to the fans although few fans were in attendance because of the severity of the weather.

The first period saw the action centred around the Fredericton goal. The city boys just couldn't seem to click in their offensive. Their defence was weak and was soon pierced by the brilliant passing plays of the U. N. B. squad. Pete Perley notched the first goal before the ten minute mark of the initial period. Anderson and Lutes soon added tallies and Perley added another counter for good measure just before the period ended.

The second period began with a rougher, tougher brand of hockey. Baptist handed out some stiff body checks which seemed to take a lot out of the eager Fredericton forwards. The first goal of this period was made by Lutes after a dazzling exhibition of stick-handling. Fredericton began to take the offensive soon after this and Crawford scored on an assist by Swift, but U. N. B. came right back to garner two goals. Simpson fired a hard shot into the corner of the net after receiving a pass from Arnie McAllister. A few minutes later Marquis drove the puck into the mesh to make the score 7-0 in favor of U. N. B.

"Rusty" Sweet and Bev Bolton were called upon in the third period to play for the Fredericton squad, which was short handed. In this

Affairs at the Rink apparently are being handled in a very efficient manner.... Skating last week was a huge success, and with the P. A. System which Rink Manager Baptist is installing, should be a favorite pastime this winter.

Many will be glad to hear that Varsity is going to have more hockey Matches at College Rink, this year than last. The idea of league practice is a good one, and although no definite announcement regarding this year's coach has been made, the team is conducting practices on its own so that it will, no doubt, be able to hold its own in the league.

final period Fredericton seemed to find a stimulus from the acquisition of Sweet and Bolton and both defensively and offensively played better hockey. Hedy Mills scored for Fredericton on a pass from Bird, but the city team still could not measure up to the pace set by the U. N. B. team which gained another point on a score by Myers. Fredericton again assumed the defensive and Swift scored for the city squad just before the game ended.

The game was featured by the swift rushes of Lutes and Perley U. N. B. and Swift for Fredericton. Each of these lads played outstanding hockey for his side.

The only casualties of the game were a gashed nose for Anderson and a dislocated shoulder sustained by Baptist in a collision.

Line up:

U. N. B.—Goal, Pelletier; Defense, Baptist, Connacher, Brown, Sweet; Forwards, Anderson, Bolton, McAllister, Marquis, Perley, Simpson, Lutes.

Fredericton—Goal, Young; Defense, N. Mills, Klein; Forwards, H. Mills, C. Byrd, Doherty, Swift, Barry, Crawford.
