St. Mary's Challenge for Maritime Title

Saint John Forum to be Scene of Action

The Intercollegiate champion of Nova Scotia, St. Marys College, challenged the University of New Brunswick to a Maritime Intercollegiate Hockey Championship play down. The game to be played either in Saint John or Halifax. If at Halifax they offered to pay all our expenses; if at Saint John they want fifty percent of all gate receipts. This leaves ten per cent of the gate receipts to our University as the forum takes forty percent.

These offers are pretty good in anybody's language so the S. R. C. gave its approval of the game. However, Dr. Trueman of Mount Allison would not give his consent to have an intercollegiate play-off and plans are indefinite as to whether we will have a game or not. Manager Johnson telegraphed St. Marys last Wednesday to ask if they still wanted to play under the circumstances. If they do we should see a hockey game in Saint John next week.

St. Mary's nosed out Acadia by one point to win the Nova Scotia title and Acadia beat Mt. Allison 8-6. Considering these facts, our chances ought to be good, even though the "Red Machine" hasn't been on skates for the last few weeks. Manager Johnson has arranged with Mr. Ryan to give the team P. T. and really the players are working their heads off to get in condition which will be all important in the coming tussle. Hockey practices are held from 6.30 a.m. to 7.30 a.m. and Varsity still has its old pep and vigour.

Tony Pelletier will be unable to play between the pipes as his knee still bothers him, but if Nels Macnab keeps the puck out as he has been doing for the last few practices we shouldn't have any trouble.

Badminton

There will be a Badminton Tournament Tuesday, March 17, between the University and Baptist Church Clubs.

We would like to see as many as possible of the University players turn out on Saturday, to practice for the event.

INTRA-MURAL

Intra-mural Basketball started off with a bang last Tuesday night, even though a few players were missing from their respective teams. Lets hope that all the enthusiasm for this sport was not false and that in the future, players will turn out and be at the gym on time.

FIRST GAME

Blues 14; Reds 10

Captain Ramsey led his squad to victory over Captain Jacobson's team in a rip-roaring, hard fought game. It was closely contested from start to finish and only in the last few minutes of play when the Reds couldn't get their hidden play working did they go down.

"Herring Choker" Anderson left his profession to turn out for the Blues and some pretty nifty plays were worked out by him and MacEachern, each netting 4 points. Joe Neilson showed his worth on defence, combined with Station Depow, he turned back many of the Red's aggressive plays.

Earl Morrison starred for the Reds, getting four counts on passing plays with his able teammate "Buttermilk" McAlary. Blackie Vermereen held down the defence position with Higgins at his side and this duo was responsible for keeping the Blue's score down.
REDS—H. Jacobson; E. Morison, J. McAlary, 4; Higgins; A. Baptist, 2.
BLUES—C. Ramsey, 6; A. Anderson, 4; H. MacEachern, 4; B. Cuffin; C. Depow, B. Nielson, B. Thompson; F. Ayer, P. Fleming.

SECOND GAME

Green 20; Whites 14

Pugilists to Meet Prince of Wales

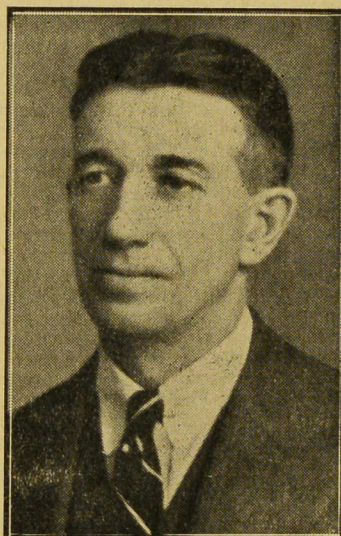

On the night of March 25th one of the most spectacular boxing meets ever staged at our University will be held in the Lady Beaverbrook Gymnasium.

Prince of Wales is sending up a team, and from all reports it will have representatives in each class who will provide our boys with keen competition.

We were disappointed to hear that Saint F. X. and U. N. B. could not come to a suitable agreement and that we would not have their colours represented. This was offset, however, by the good tidings that the boys in uniform may provide several bouts. The best boxers of the Sussex Regiment will tangle with the best of Fredericton's unit.

If it is agreeable by the winners of each event, finals will take place between the Collegians and the Army boys. Added to this, the R. C. A. F. fighters stationed here may put on a few bouts.

COACH

W. W. LASKEY

U. N. B. Coach for Decade

Coach Laskey is really shaping a super team this year; headed by Manzer Bunker and Bob McLaughlin, both Maritime champions. Our theory is that Don McKinney will represent the fly weight division, Charley Bunker the bantam weight Terry Dalton the welter weight and Jim Dosne the middle weight, but welter weight Boogie Young, middle weight Roy Finnigan and Don Duerr, and a few of the other boys have theories of their own and may show us that we really don't know what we are talking about.

and Baird complimented the boys on the cleanness of the game.

As play opened "Rapid" was slowed down a bit by an injury to the knee. It seems that he tripped over a line on the badminton court after a slight push from Doc. "Sore-foot" Bell held the team together though and with the help of R. Ayers and D. Cunningham got ten

MacLean and Ward Lead Scorers

The Red and Black Co-ed Basketball Team dropped the final game of a home and home series last Thursday night as they bowed to the Acadia Co-eds in a hard fought game at Wolfville. Led by the 15 point scoring spree of centre Gwen Ward, the Acadians broke through the U.N.B. defence in the second half making the total score 27-11.

As the game got underway both teams checked closely, neither taking the offensive, and at the end of the first quarter the score stood 4 all. Play continued evenly for the remainder of the half with the defence line of Bruce, Murray, Wright and Lemont working well. Although the Acadia forwards made several fast-breaking attacks the U.N.B. guards kept the scoring down and at half time the score read 10-7.

The second half started with both teams fighting desperately. However, as play continued Acadia opened up a spirited attack and with plays clicking time and time again outscored the Red and Black by a wide margin. The effects of the long trip and irregular hours began to tell on the U.N.B. team as both their passing and shooting lagged. Acadia took the lead early in the game and maintained it until the final whistle.

Scoring honors of the game went to Gwen Ward with 15 points. She was followed by captain Ann Harlow with 8 points.

Handicapped by the smaller gym luck was against the U.N.B. forwards as the ball rolled around the rim only to drop outside. Mary McLean led the scoring with a total of 7 points. She was ably supported by Pat Anderson and Fran Murray who set up many of the plays which ended in baskets.

ACADIA—Forwards, Theakston, 4; Harlow, 8; Ward, 15; Bristol; Guards, Smith; Keddy; Flett; Budd, Lockhart.

U.N.B.—Forwards, Pat Anderson, 3; Mary McLean, 7; Fran Murray, 1; Polly Cunningham; Betty Page; Guards, Enid Bruce; Mary Murray; Sheila Lemont; Eileen Wright; Joyce Levine; Fran MacLean.
