N.B.-P.E.I. FOOTBALL TITLE ON BLOCK SATURDAY

U. N. B. and St. Dunstons to Clash for Crown at Sackville

Coach Howie Ryan was all confidence as we discussed the impending sudden-death football clash between U.N.B. and St. Dunstons at Sackville on Saturday. The result of the game will decide the holder of the N.B.-P.E.I. football title.

He has not picked the team as yet, as there have been but a few practices. Towards the end of the week, however, the best available talent will be apparent and a team organized.

"We haven't sufficient time to prepare for this game," said Ryan, "but it has to be played now, so there is little we can do about it." "The boys have been practising steadily for the past fortnight, and towards the end of the week will be in good condition."

He reports good turnouts at all the practices except one or two at first, and all the boys, even the seasoned veterans, are working hard.

Watching from the sidelines the other night, we noted a few familiar faces amongst a welter of aspiring (or perhaps perspiring would be better) players.

Ralph Lockhart, star pick-quarter, was showing old form with lots of speed; McLaughlin of last year's second team looked very aggressive; Don Elgee, a member of the senior squad in his freshman year, displayed all his old speed after a year of idleness due to an injury; big Doug Simpson, a star performer as a freshman last year, appeared better than ever; his brother Gordon, a product of F. H. S. in his first year "up the hill" looks like a veteran, and as a player presses brother Doug hard; Marquis galloping like a colt. Others we noted were Bob Cole, Arnie McAllister, Mickey Mackay, Pete Morrison, Jim Ayer, Lloyd Meyers. Many newcomers could also be noted, many of whom looked like good material.

From the assorted material Coach Ryan has all he needs for a good team—a team which will make a strong bid for the title. True, they need seasoning, need experience playing together, and many are not very familiar with even the rudiments of the game. But balance this with plenty of dash "the fastest backfield in the Maritime Provinces"—Ryan, a nucleus of veterans. (Continued on Page Five)

Banner Boxing Season Forecast Laskey Enthusiastic

For those who like boxing, (and there are few who don't), I have the best of news. Boxing Coach W. Laskey has plans for perhaps the greatest pugilistic season in U.N.B. history. Via grapevine he talked enthusiastically. He envisions an excellent turnout of boxers; several inter-mural meets—a headliner to perhaps be presented next month and last but far from least, unprecedented interest by boxing fans.

He is offering a silver trophy, but has not quite decided the terms on which it may be won. He indicated that perhaps it may be for the boxer making the most progress throughout the year. As seems to be the case every year, there are not enough offering in the light and heavy divisions. "I would like to see a lot more boys around 112-118 pounds turn out," he said. He may even offer a silver trophy in the lighter divisions alone, in order to stimulate interest. The "little fellows" are needed for a very good reason. As Coach Laskey pointed out, last year at the Invitation Meet, St. F. X. took the Flyweight title uncontested.

Next month, as mentioned above, Coach Laskey hopes to stage an inter-mural meet. If A. A. U. sanction can be obtained, the meet may be featured by an exhibition bout between one of the local boys and the professional "Buster" Carroll, a light welterweight. However, even with A.A.U. permission Mr. Laskey cannot promise this feature because Carroll at present campaigning in the Eastern States might find business too pressing. Carroll who was outpointed in his quest for the New England Welterweight title, scored a win three years ago over Fritz Zivic, former world welterweight champion.

Plans for the Spring term are indefinite, but there will be at least two or three boxing meets. Details for these have yet to be worked out.

A lipstick is merely something that gives a new flavour to an old pastime.—Daily Athenaeum.

"Darling, I'm sorry I've been so mean to you lately."
"Well, this is a fine time to be sorry. I'm dead broke."

"In This Corner - - -"

By HARRY HOW

Whilst down in Sackville the home team will accommodate the Mounties with an exhibition game on Monday. This should gladden feminine hearts at Mount A. as nothing seems so soul-satisfying to them than gals as a lusty body-rendering clash their beloved Mounties and those scoundrels from U.N.B. I can hear their yodels of alternate glee and despair as play oscillates between enemy and home territory. Everybody in the Mount A. bailiwick should get a kick out of the game, even the players. In the latter case I mean literally.

Athletic director "Howie" Ryan likes his chores here. He thinks we have one of the finest gymnasiums around and requests all students

RED AND BLACK BLANK ARMY 3-0

In the first football game of the season last Saturday, the U. N. B. rugby team eked out a 3-0 win over the Army.

This match although very spectacularly played at times, was for the most part very slow. Both teams seemed rather sluggish but this was to be expected as it was the first time this year that either squad has had an actual test to determine its strength. The scrums experienced great difficulty in getting the ball out into play and the ball had to be heeled several times in many instances.

The Red and Black squad kept their Khaki opponents tied up for the early part of the game. The play being nearly always directly in front of the Army's goal.

In the second half play was more even, yet even then the college lads had a definite edge on the play. Only stubborn army defensive skill kept the U. N. B. team from scoring several times.

Fleet-footed Don Elgee was the only marksman of the game. After a hectic clash down the field he succeeded in planting the football behind the Army's line.

Doug Simpson made a nice try on a drop-kick but hit the cross-bar of the goal-post.

The college team showed plenty of aggressiveness and spirit and judging from this game, it appears that they will have a fine balanced team this year.

U.N.B.—Spicer, Elgee, D. Simpson, Y. Simpson, Bell, Ayer, Cole, Mackay, Spence, Marquis, Morrison, O'Brien, Watson, Lockhart

A middle aged woman last her balance and fell out of a window into a garbage can. A Chinaman passing remarked:

"Americans very wasteful; that woman good for ten years."
—Queen's Journal

to make the fullest and most beneficial use of this great asset to the University. He also requests each student to cut out and keep the schedule for the gymnasium which appears elsewhere on this page, so that everyone will know what sports are on and when.

Mr. Ryan is a member of an athletic family perhaps better known to Nova Scotians. He is a brother of Carson "Tubby" Ryan, a star winger with the old Truro "Bearcats." Tubby was playing with the Bearcats when they won the Maritime title (I'm not sure of the year) and went on to be edged out of the Allan Cup playdowns by a team from Hamilton, Ontario. Incidentally "Syl" Apps was playing with Hamilton at that time. Some of his teammates on the "Bearcats" were "Doggie" Kuhn, who afterwards went to the New York Americans, Sammy Murdock one of the greatest players ever produced in the Maritimes, Owen Lennon who is now playing professional hockey in the Pacific coast league. "Howie" himself, I understand, had a great athletic record at Acadia University. Last year he was Athletic director at a school at Shawinigan Falls, Ontario.

Colin Marquis tells this one. "I had the choice of either turning out for football or buying new clothes," quoth he. I'll explain this perhaps mysterious statement. (Continued on Page Six)
