Jean Ramsay '42

Flying Officer Don Forbes '39 and Mrs. Forbes (nee Patty Clark '38) spent a few days in Fredericton last week.

Colin Mackay '42 and Mickey Mackay '44 spent the week-end in Rothesay. While there, they were ushers at the Mackay-Warner wedding on Saturday afternoon.

Word has been received of the safe arrival in England of Pilot Officer Barry MacDonald '39.

Dal Laskey '41 and John Bur-chill '41 with the R.C.A.F. are now stationed at Portage la Prairie, Manitoba.

Flying Officer William Napier ex '40 spent a few days furlough at his home in Campbellton recently.

The cast of the Plays and other members of the Dramatic Society held a get-together in the Goody Shop after the plays, Friday last. Dancing and refreshments were enjoyed by everyone.

A merry Christmas, and a Happy New Year to everyone, and best of luck on your papers.

International Debate

(Continued from Page One)
cases less, aid to Britain by actively entering the conflict. It was maintained that by declaring war outright, much of the arms at present going to Britain and Russia would be side-tracked for American defense. Speaking of this David Nichols, the second Bates speaker declared, "Our contribution to the fight against Hitler has been enormous and our potentialities are almost unlimited." In the last Great War, it was maintained that the United States while actually at war spent only half as much as she has already agreed to spend.

Okechukwu Ikejiani, the final speaker for the Affirmative showed most picturesquely that should we lose this war, democracy must surely perish. "Now is the time" said he, "for the United States to act."

The rebuttals were handled by Mr. Nichols for the Negative and Mr. Peebles for the affirmative.

Well, Kiddos, that pre-exam time must be here again. How do I know? Well, the pot of gossip is very low lately. Even Kay Bell won't be mentioned this week, so she thinks . . .

This fall Walter Ross has been mixing his studies of the nocturnal habits of the Loganberry with some research in other fields, probably more promising.

'Tis almost morning; I would have thee gone;

Good-night, good-night! Parting is such sweet sorrow
That I shall say good-night till it be morrow!

Campus Book Club
Again Discussed

The question of the establishment of a Campus Book Store still remains very much of a question. Last night the Engineers met in the Forestry and Geology building in an attempt to find out what members of their organization thought of the proposed plan. Since only a very few Engineers turned up no definite decision was made, although from the discussion at this meeting it would seem that the Engineers were not in favour of a Campus Book Store.

At this meeting it was suggested that the Engineers might expand their present store and attempt to accommodate everyone. Both Dr. Baird and Dr. Turner expressed their views regarding the proposed move.
