Ain't They All

Old Maid: "Do you look under the bed every night, Agatha?"
Spinster: "No Arabella. Now and then I jump in bed and shiver with optimistic anticipation."

It was early morning, very quiet, and the soldier on sentry was enjoying a pipe.

He spotted the colonel in the distance and put the pipe in his pocket.

"Didn't I see you smoking?" asked the Colonel when he came up, "Let me look at your pipe."

The sentry pulled a pipe from his pocket and handed it over. It was cold. The Colonel was satisfied.

When he had gone the sentry pulled a still glowing pipe from the other pocket.

"My old Dad knew a thing or two when he advised me to have two of everything," he said to himself.
