FLASHY HOCKEY TEAM SWEEPS MARYSVILLE 7-2

Junior Pucksters Head Interclass League

All Three Lines Score and Show Pelletier in Usual Rare Form; Peterson Good

Displaying a wide-open, thrilling brand of hockey the Red-and-Black Sextet engaged the Marysville puck squad, Wednesday night, and emerged with a satisfying 7-2 decision.

The pace was fast and furious throughout the entire game, and although the 'cross-the-river' team held the U.N.B. pucksters scoreless during the first period, the final issue was never in doubt.

Getting off to a flying start at the opening whistle, the classy line of McAllister, Marquis and Anderson showered the Marysville net-minder with a barrage of shots, and scoring was averted only by the spectacular exhibition given by Goalie Peterson.

In the second period, the U.N.B. Team went all out, netting three goals to Marysville's one. Simpson, Anderson, and Bell were the marksmen for the Varsity, while Allie Arnold notched the only tally for the opposition.

The final period saw both teams settling down to a smooth scientific game of stick-handling and really cooperative teamwork. McAllister, Bell, Fleming and Simpson dented the twines for U.N.B. while Kirk Moore managed to slip the puck past "Tony" Pelletier.

Judging by the score-sheet, the Varsity has plenty of power in its lineup, since all three of the lines used in the encounter figured in the scoring. Due credit must also be given to Pelletier who turned in his usual magnificent game in the nets.

SENIORS SUFFER SHUT-OUT; FROSH SECOND

Fine Hockey Played by Both teams; Bunker Outstanding

The first shut-out in two years of Interclass hockey was the result of Charlie Bunker's brilliant performance last Sunday afternoon.

Large as the six-zero score looms, it was nevertheless no indication of how the play ran. Fine hockey was the theme of the Senior sextet but they could not hold the fast skating Frosh. Action was the byword of the game with plenty of break-aways and checking.

Play in the first stanza was fairly even and shifted from one end to the other. In the closing minutes of the period, the Frosh line of Andersen, Cyr and Stothart suddenly came to life and the last two gentlemen dented the twines in rapid succession.

The second thriller was still young when Andersen scored on a clean breakaway from his own blueline. With three tallies chalked up against them, then Seniors forced the play and for a while it looked like a score but Stewart was an ace on the Frosh bumping line and net minder Bunker was magnificent. Retrieving a loose puck the frosh swept up the ice. A scramble in front of the Senior net and Cyr rifled the disc past Grant to make it 4-0. The whistle blew to end the period.

The last period opened fast. Cyr and Stothart both scored again. Again the fighting Seniors increased the pace. Waring, Ross and Hamilton shone. Waring was injured half way through the period and left the game. The play saw-sawed until the final whistle blew, and the triumphant Frosh found themselves in second place, one game behind the unbeaten Juniors.

"Isn't it hard to keep a budget straight?" wailed Mrs. Tompkins. "My dear, it's terrible," confided Mrs. Smithkins. "This month I had to put in four mistakes to make mine balance."

the basketball tryouts. Where was the badminton manager last Tuesday night? Certainly not in the Gym. Remember what managers are for?

In the future all sports events will receive a write-up before they happen. There will be no excuse for lack of info and consequently the lack of attendance at the various events. The gym has a seating capacity of eight hundred. You won't be crowded, so come out and inspire your team. The sporting spirit at this university is something to marvel at. Maybe a floor show would help.

Trounce Sophs Decisively in Hard-fought Thriller Fortier, McLaughlin, Rogers, Star

The Junior Hockey team is safely ensconced on top of the Interclass hockey league as a result of last Sunday's convincing 7-3 triumph over the Sophs.

Playing a rough and tumble game all the way a lively Sophomore squad fought desperately to stop the smooth Junior combination. Punch line for the winners was Fortier, McLaughlin and Rogers. With the echo of the opening whistle still resounding in the chilly air, this trio began a rolling barrage on Wittingham, but it remained for burley Lang Harris to slam the first score into the Sophomore net.

Coach Simpson sent the newly organized line of McNair, Dosne and Ramsey out to stop the attack but hurriedly removed them when Elgee, assisted by Murray and Thomsen caromed the puck off Mackay's skate into an open net. Inspired by the action of the second line Juniors, Fortier and Co. came bowling down the Soph ice, and Rogers sent the puck behind Wittingham. In the dying moments of the first stanza, Mears sent a long high one at McNab who dropped it in front of the net. McAlary was there for the playoff.

The second period developed into

a see-saw battle leaning slightly towards the Juniors. Taking advantage of scrambles in front of the Soph net, both Rogers and Elgee tallied and the game hastened considerably.

The only injury of the period came when Bruce Thomson bounced the puck off the forehead of a neck-craving fan. The Sophs suddenly surprised the railbirds with a sudden power display in the start of the last period. Rangy Vernon Mann slipped a neat pass to Ayer who then proceeded to beat McNab. Three minutes later Jim Dosne drilled another into the Junior net. To bolster the wilting Junior defence manager Joe Metcalf sent Doc Roberts forth to do battle. The defence bolstered.

Capitalizing on wild passes before the Soph net, Murray and Elgee each scored in rapid succession. The game ended with Wittingham still hard pressed.

Line-ups:
Juniors—MacNab, Harris, Morrison, Carroll, Roberts, Dalton, McLaughlin, Fortier, Rogers, Elgee, Murray and Thompson.
Sophomores — Whittingham, M. Mackay, Mears, McClintock, Ross, E. Mackay, McAlary, Mann, Gorman, Ayer, Ramsey, McNair, Dorne.

The situation is confused. Nobody on the hockey team, including the manager knows when or where they are going. Reminds me of that little tune,—"I'm goin'—I don't know where I'm going but I'm goin' away . . . Some organizations are complaining about lack of publicity on this page. Bob Smith is flat on his back. A tough break for him and the basketball team. Burden of a basketball team's worries is now resting on Willie Thompson. The red and black hoopsters beat the Army last week and the High School this week.

There was thievery in the rink-house, Baptist and Metcalf found their skates and hockey equipment missing. The Juniors loook like league winners but quien sabe? They looked the same way during
