VARSITY BASKETEERS END BANG-UP SEASON

Whip St. John C.Y.O. as Gerry Lochart Stars

Defeated Only Once in
Season

Saturday night in a game that according to many people was the best ever played in the Lady Beaverbrook Gymnasium, the Hillmen wound up their current season in a blaze of glory by whipping the Saint John Cathedral C. Y. O. Juniors 47-36. This was the second game that the Collegians took from the C. Y. O.

The college team warmed up slowly as usual and at the end of the first quarter the score was 10-4 for the C.Y.O. who displayed clever passing plays.

The Red and Black squad soon settled down, and at half time the score stood 17-14 for U. N. B. In the last half the Hillmen really got rolling and set up Gerry Lochart who sank basket after basket.

With two minutes left to play Coach Howie Ryan sent in the second string who only allowed the visitors to counter twice.

Gerry Lochart was definitely the star at the evening as he chalked up 25 points for U. N. B. He played the entire game at the same unrelenting clip he displayed at the first of it.

Doug Rogers was hampered by a shoulder injury he received in inter-clash, but even under this handicap he played a swell game.

Chubby Clark who played Rogers' position most of the game, deserves plenty of credit. As usual Lanky Ed Mitton was outstanding under the U. N. B. basket.

Ritchie, Davis and Owens were outstanding for the losers.

Line-ups:
U.N.B.—Mitton, 6; Rogers, 1; Baird, 4; Smith; Lockhart, 25; Clark, 4; McClintock, 7; Cliff; Sears; Stothard.
C.Y.O.—Byrne, 4; Killorn; Ritchie, 14; Davis, 10; Lawlor, 5; Mooney; Owens, 3; Barry.
Referee—Hashey.

Sport Round-Up

By BOB EVANS

As things were pretty dead on the Sport front this week, leaving this space to fill, we thought a review of the Sport Set-up would be in order.

Basketball saw our Varsity quintet showing up well to win all their games except the unfortunate Mt. A. incident. Those of us who saw that game are quite certain that it was not a case of the best team winning. We're sure that all good U. N. B.'ers are mighty proud of the Hillmen.

Interclass basketball, that took such a verbal brow-beating a while ago, has been replaced by the new Inter-mural loop, and all concerned seem quite happy.

The Co-eds, after taking some mighty close games from the High School, dropped a closer one to Acadia. Incidentally that is where they are now, and they're out for blood.

The Machine played swell hockey this year and put in a very successful season. In spite of some business at the first of the year that may have been a bit on the shady side, they found the whole college backing them during the Mt. A. clean up. There is still a chance that they may get a crack at Acadia. We certainly hope so.

In our opinion, Inter-clash this year was the best yet. Although the league ended in a 4 way tie, nobody seemed to care. All concerned say they had a swell time, and that, we contend is what sport is for.

The novice boxing meet was a great success, and we all had a chance to see some of our young hopefuls in action. In a year or so we hope to see them pushing Varsity leather in the squared circle. Don't forget the big meet with St. F. X. on March 25.

The skiing faction had some swell plans this year, but Old King Winter didn't smile on them and only half of the Inter-class meet was run off.

Tracks looks pretty uncertain as far as Intercollegiate, pardon me, exhibition meets are concerned. However it seems quite certain that an interclass meet or army invitation meet will be held.

One suggestion is that the meet be held at C.O.T.C. camp. That, however, is up to the manager. The track and field facilities of the New Gym will probably be used more now that spring is coming. For your information, there are facilities for all track and field events

FIRST DISPLAY IN GYMNASTICS LAST SATURDAY

Last Saturday night we saw the premiere of the New Gym Team. At half-time the boys put on a seven minute show on the high bar. Although this is something new at U. N. B. the audience seemed to enjoy it thoroughly.

The display was put on by Howie Ryan and Jim Fettes, who were assisted by three High School boys.

From all accounts it appears that gymnastics at U.N.B. are going to be very popular. The new Lady Beaverbrook Gymnasium provides facilities that are excellent and with the Physical Directors as instructor plans for an extensive programme are being formulated. At present, classes are being conducted for both the men and the co-eds.

Bulletin Board

Friday 6th
11.30—Girls' Gym Class
9.00—Residence Dance
Saturday 7th
11.00—Varsity Gym Team
2.00—Badminton
Sunday 8th
2.30—Glee Club

Tuesday 10th
2.00—Girl's Gym Class
7.00—Inter-Mural Basketball
Thursday 12th
7.00—Inter-Mural Basketball.
Please drop all Bulletins in the Brunswickan Box before 12.30 on Wednesday of preceding week.

from hurdles to pole-vault. Badminton got off to a good start in its initial year, with every evening on the schedule enjoyed to the utmost.

Although in the opinion of some, interest lagged, it came to life smartly during the City Tournament. The latest report is that a tournament is in the offing with the Garnet and Gold, and we're all looking forward to another victory for the Red and Black.

And by all means don't forget the Co-ed Gym Display. We're sure no one will miss this opportunity to see those new tunics we've been hearing so much about.

Well that just about winds things up. It's a pretty full year don't you think? The future of sport looks good at U.N.B. We're not so much concerned who runs it as long as everybody gets in on it.

Dalton States Boxing Meet Slated for 25th

Presenting...
"The Hillmen"

Fanfares an' stuff for Howie Ryan's Basketball Boys. If anyone deserves them, they do.

Recruited mainly during the Interclass series they soon developed into a smooth running machine.

Their only loss of the year was to Mt. A. whom they defeated in a two game series. Howie Ryan deserves lots of credit for an A-1 team.

Captain Doug Rogers came to U. N. B. last year as a freshe-soph from Acadia. He played on the fast Lockhart-Rogers-Milbury line. In his early days he played for St. Stephen.

Gerry Lockhart, the remainder of the L-R-M line is a sophomore. He came "up the Hill" last year from West Hill High in Montreal where he played his earlier basketball.

George McClintock, the rest of the first string forwards, arrived last year from Centerville High School, and played a swell guard.

We first met Ed Mitton after Christmas when he put in an appearance from the Golden West. He soon showed us that he was a guard of great worth.

Baird, a senior is Ed's running mate. This was his first year in Varsity basketball at U. N. B. He learned the game in the Y. M. C. A. at Saint John.

Bob Smith is the playing manager and therefore has his hands full. Before he came "up the Hill" he played for Saint John High.

Dave Stothart arrived this year from Harkins High in Newcastle. He was the centre of the second string.

Chubby Clark played forward on the second string. Chub, who is an excellent shot, arrived this year from Fort Fairfield, Me.

Gordie Sears, from St. Stephen High looked good with Chub and Dave.

Mac Cliff and Harry Grant held down the guard positions. Mac is from Centerville High, and Harry, who is a senior, has been in Inter class both at U.N.B. and Dal.

"There are some ungodly young men over in that corner having fun with the girls", said the preacher, solemnly, as he paused in the middle of his sermon and pointed accusingly in the direction of the graceless youths. "When they get done", he continued ponderously, "perhaps they will give me a chance." And he was at a lost to know why the congregation smiled.

St. Francis Xavier to
Compete

In an interview with your reporter, Terry Dalton, the Boxing Manager, stated that an invitation meet with Saint F. X. would be held in the Gym on Wednesday, March 25th. Prince of Wales College in Charlottetown has also been invited and although they were interested, no word has been received from them yet. Beside the college bouts there will be some army bouts, and possibly some between U. N. B. novices on the card.

With only three weeks left, Coach Laskey is giving the boys 3 or 4 hard work-outs each week. Turn-outs have been good and all divisions are strong with the exception of the Heavy-Weight class which was weakened when Bill Ford left to take special courses in radio. So if any of you fellows fall in this class and feel like trying out, make sure you turn up at the next practice.

Quite a few of the old boys are back at it but they're getting stiff competition from the new-comers.

Manzer Bunker the Maritime Featherweight champion and Bob McLaughlin the Maritime Lightweight champ are in there again. Murray Zides looks good in the light-heavy division.

McKinney is holding down the Fly-weight spot and doing a good job of it.

Charlie Bunker is pushing some nice leather in the light-weight division. Jim Dosne is back again in the middle-weight class along with Boogie Young and Don Duerr in the light-heavy.

Manager Dalton is planning to climb in for the Alma Mater in the middle-weight class.

With such a bunch as this doing the scrapping, U.N.B. can't help but win the meet, so let's see a good turn-out to back the boys.

Professor: What is your definition of a milk-maid
Student: One darn good thing after an udder.
