

Babes Plan Big Doings

Dazed by the abundance of feminine pulchritude, grace, precision and smooth motion, your reporter found himself taking part in a Friday edition of the Co-ed Physical Training schedule. This was the first time we had seen the girls in action. It was nice, and it bodes much good for the coming Gym display. Drills are pretty to watch. Especially co-ed drills. Forsooth, what can be more pleasing than half a hundred shapely girls resolving themselves into pleasing patterns, rhythmically. We repeat—a pretty sight.

Also included in the program is volley ball, badminton and apparatus. We've done a bit on the apparatus during our youth, but the manner in which the young things took their lives in their hands left us gasping and at times despairing. The day we drop down and find them doing double dislocations on the rings is the day we pack our 'lil black bag en route to Aunt Sophie's secluded Sanatorium.

High on the girls' list is volley ball. We had the privilege of playing in one of their hilarious, gusty games. Some fun. Miss a shot and you get more dirty looks than a soak at a Temperance meeting.

Apparently, enthusiasm was high, which is only natural. The girls realize that it is their duty to keep fit. Who knows what they may be called upon to do before this conflict stops, as yet, the women of Canada have not been generally called. But the women of England run steel mills. Some job. Some women.

Don't Try These in Your Girl's Parlor

(From PM by Joe Cummiskey)

In 1921, Golfer Joe Kirkwood stopped in Pinehurst, N.C., for an exhibition match. After 10 holes he gave a group of fans a demonstration of his magic tricks with stick and ball. As an afterthought he passed the hat. He got it back with \$770, in it. That decided him on his future. Since then he has travelled the world over drawing gasps (and dollars) from the audience. He can step on a ball putting it complete out of sight then drive it 200 yds; with two clubs in his hands he hits two balls simultaneously, making one hook, the other slice, so that they pass each other in mid-air. He has driven more than 5000 shots off the faces of borrowed watches and hasn't

LOCKHART SINKS 72 POINTS IN BB THRILLER

May Smash More Than One Record

Accustomed to seeing the usual fairly close checking game and even distribution of points, the fans were left pop-eyed last Saturday night when lithesome Gerry Lockhart embarked on a scoring splurge never before witnessed in the history of Varsity basketball. Possibly, in the history of Canadian basketball. Word has not yet reached us giving the actual record for a single game, but there is more than a slight chance that Lockhart has established a new record.

There was simply not enough space in the two lines allotted in the scorebook next to the shooting wizard's name. There were more crosses than kisses on a lover's letter. Forty-two in all, 34 field goals, eight foul shots. Total team score was 92 points. No small feat. Not seen very often.

Should this record be valid, U.N.B. will be well on its way to sports' recognition. Already several Quebec and Ontario newspapers have given quite a bit of space to the exploits in sport of the men who go "up the Hill".

Line ups:
U.N.B.—Milton, 2; Cliff, 2; Lockhart, 72; Rogers, 3; Clark, 5; Stothart, 14.

NEWCASTLE—D. Asenault 6; Jardine, 3; Whalen, 7; Foran; Dalton, 7; J. Arsenault.

broken a crystal yet. His stunts are worth seeing. Once he toured Asia and Australia with Walter Hogen. The Haig's split was \$23,000. When the pair arrived in 'Frisco at the end of the foray Hogen owed Joe \$3,000. Which also is a pretty good trick.

SPORTS

Inter-Mural Basketball Shows Up Skeptics by its Enthusiasm

Off to a fine start, Intermural basketball is rapidly becoming a topic of popular conversation. Which places at the bottom of the hill the gentry who say such sport is not workable because of lack of interest and skill. Its plenty workable, its plenty interested and the skill is becoming acquired. Slowly, maybe, but with a lot of fun.

BLUES 21—GREENS 20

Last Thursday on the hardwood the Blues played the Greens in a floor thriller that had the fans fastened to their seats. A 21-20 victory is a tough one to lose and a shameful one to win. Morry McDade was high man of the game with 10 markers.

BLUES—C. Ramsey 5, A. Anderson 4, McEachern 2, Coffin, Depow, Sweet 2, B. Thompson, Ayer 6, Fleming, Howard.

GREENS—Roberts 4, J. J. Johnson, Marquis 4, McDade 10, Acker

4, Armstrong, Baird, Adamson, Carroll, Robertson.

BLACKS 14—GRAYS 7

Later in the evening, the smooth working Blacks overwhelmed the Grays 14-7. Art Mears topped the scorers with 8 tallies.

BLACKS—Mears 8, McAllister 4, Miller 2, Bunker, Pentz 2, Morrison, Young, Taylor, Cuming, MacMillan.

GRAYS—Baird 5, Webb, Mackenzie 2, McNair, Fraser, Finnegan, Grimmer.

GRAYS 19—REDS 17

On Tuesday last, the same Grays trimmed the radical Reds by one basket. MacBaird was outstanding for the winners, while McAlary and Estey played heads up ball for the Reds. Baird led the list with 12 points.

GRAYS—Baird 12, Webb, MacKenzie 4, MacNair 1, Grimmer, Sweet 1, Fraser, J. H. Johnson.

REDS—Jacobson 4, Morrison, Hig-

gins, Anderson, Estey 5, Baptist, McAlary 6, Watson, Vermeeren 2.

BLACKS 26—WHITES 10

In the second game of the evening the Blacks smashed the Whites 26-10. McAllister amassed 18 points. No small feat for an inter-mural game. The line of Mears, McAllister and Miller, looks nice and should prove dangerous to the other teams.

BLACKS—Mears 4, McAllister 18, Cuming, Bunker, Miller 4, Pentz, Oland, Young, Morrison, MacMillan WHITE—Grant 4, Cyr 4, Whittingham, Simpson, Ayers 4, Peters, Cunningham, McElwain.

Playoffs will feature the first four teams and should prove worth seeing. By that time the teams will be used to each other and competition should be even keener and harder fought. Ryan has a fine cup for the winning team and this in itself should prove no small incentive.

Sporting Spotlight

CONGRATULATIONS to Gerry Lockhart, Gerry, slim, blond varsity center ran up 72 points against Newcastle last Saturday nite. We're waiting to see if this astounding action has been topped.

* * *

UNFORTUNATE Alex Baptist, guard on the Reds. 90 seconds after the opening whistle he crawled off the hardwood with a badly twisted ankle. The Reds went on to lose.

* * *

UNHAPPY were members of the Varsity Social and Hockey team when word flashed thru that the St. Mary's game was off... Tough luck boys.

* * *

PASSED by the A.A.A., that next year's equipment be bought before end of term to avoid higher prices and lack of goods. Also agreed upon was a super Athletic banquet held in Gym for all teams, during which athletic awards would be presented... Sounds good. Would do much to encourage sport.

RUMORED that Mt. A. would have played harder had they known there might have been a championship game. Moral—when playing an adversary, don't try to win. It might hurt his feelings.

Girls Practice Again With F.H.S.

Varsity co-eds took a not-too-easy victory over the Fredericton High School quintet last Wednesday evening. Paced and invigorated by dashing Mary MacLean, the Varsity trailed during the first half, but put an end to the suspense in the second canto. MacLean's running mate, Pat Anderson did nobly in the Varsity offensive. Fran Murray showed well under the F. H. S. basket, gaining 9 points thusly. M. MacLean led both teams with 12

points.

During the first half, Fredericton High showed organization and pep and it looked bad for the Red and Black. Doubtlessly invigorated by the oranges at half time, the co-eds swung into action with a lusty cry and the game was put on ice. Howie refereed, Jake kept score, the crowd cheered and a good time was had by all.

U.N.B.—Anderson, 6; Page; MacLean, 12; Cunningham; F. Murray, 9; F. McLean; Wright; Lemont; M. Murray.

F.H.S.—Kenny, ; McLaggen; Nielson, 3; Mullin; Allan, 7; Forrester; Crawford; Pickard; Law; Ritchie.

BOXING BULLETIN

At press-time, ring news regarding the planned meet later this month was still hazy. One solid item is that St. Francis Xavier is not sending a team. Boxing officials had this to say: If arrangements can be made, Prince of Wales will send a team, as well as the Army. Prince of Wales plans a five man team from light-weight up. Boxers from the Army will include men from both the Sussex and Fredericton outfits stationed in the city.

The two Army teams will face each other and then possibly take on the College. So far there are no Airforce fighters entered.

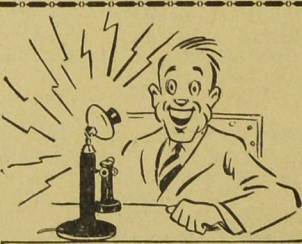

Elimination bouts were held in the Gym last Wednesday night, the following being the team that will wear the Red and Black.
