U. N. B. CAPTURES FOOTBALL CROWN; CRUSH S.D.U. 8-0

Decide Intercollegiate Title In Downpour; Simpson Bros. Score

In a sea of mud and water and before a handful of rain-drenched fans, the home team did a workmanlike job on St. Dunstons to the tune of 8-0 and trotted off the field with the N.B.-P.E.I. Intercollegiate football crown perched jauntily on the U.N.B. head. They were masters of the situation from the opening blast of referee Brodie's whistle. Big Doug Simpson brought his educated toe into play for the winning points and he and brother Gordon combined to produce the clinchers in a subsequent play.

Early in the second half an over-anxious St. Dunstons player tried to commit mayhem on our own Ralph Lockhart, who up until that point had played a standout game on the half line. Ralph was carried from the field and with him nearly went U. N. B.'s chances. The Red and Black machine was visibly weakened and St. Dunstons seized on the opportunity and began to press. However their hopes received a rude set back when a penalty kick was awarded against them on an offside play thirty five yards from their own goal. With uncanny accuracy Doug Simpson planted the greasy ball squarely between the posts from a point directly in front of the goal.

Smarting under this setback, St. Dunstons threw everything but their coach into the game. In spite of this, the homesters kept the play confined mostly to St. Dunstons territory. Shortly before the end of the game with the scrum five yards from St. Dunstons goal line, Gordie Simpson snatched up the ball as it was heeled out and smashed across the line for the only touchdown of the game. From a hazardous angle brother Douglas made no mistake on the convert. And so ended the scoring for the day. With the minutes ticking away and defeat staring with mocking countenance into their collective faces, the Island boys tried desperately to put themselves back into the game. But it was not to be. The U. N. B. boys threw up a stout defence and successfully turned aside all St. Dunstons scoring bids.

Contrary to some newspaper reports of the game the U. N. B. squad was in excellent shape. To prove this Coach Ryan pointed out that

RED AND BLACK BLANK ARMY

Score 11-0 Win

In a practice game played Wednesday afternoon at college field the U. N. B. senior rugby squad defeated the Army team 11-0. It was the second win for the red and black team in two encounters with the Army this season.

The game was very fast, partly due to favorable weather conditions. The U.N.B. squad had a somewhat changed lineup, with Gregory and Usher substituting in the scrum and Willis filling in on the three-quarter line.

The score at the end of the first half was 5-0. Early in the encounter Doug Simpson, the star place kicker of the team missed a penalty kick from a difficult angle, 25 yards out. However a little later in the game he made no mistake on the convert on a try by Mickey Mackay.

A little later in the game Bill Spence smashed across the line to make the score 8-0, Big Doug Simpson tried the convert but missed the mark.

Refereeing was Ralph Lockhart who is still laid up with a bad (Continued on Page Five)

some of our boys were going better at the end of the match than at the beginning. That adds up to nothing more than condition.

Lineups: St. Dunstons—Fullback, O'Handley; Three-quarters, McEntree, Cameron, O'Shea, O'Neill; Halves, Smith, D. McDonald, Sharkey; Forwards, Rylward, McAdam, Devereaux, Maher, Rossiter, McGuigan, McKenna; Subs, McDonald and Worgan.

U. N. B.—Full back, Spicer; Three-quarters, Bell, Elgee, D. Simpson, McAllister; Halves, Lockhart, G. Simpson, Ayer; Forwards, Morrison, Marquis, Cole, Spence, McLaughlin, Watson, Mackay, Subs, Myers, Willis.

Caledonia to Defend Dom. Rugby Title Have Strong Team

(Halifax Herald)

Glace Bay, Oct. 7—With a record believed unsurpassed in the history of English rugby football in Canada, the Caledonia Blue and White squad of Glace Bay have once more unpacked their cleats, uniforms and equipment to go out in November in defence of many gridiron titles held down through the years in spite of stiff competition offered by well coached Maritime teams.

Beehive of Activity

The South Street grounds, home of the Eastern Canadian champions, is a beehive of activity as the 1941 squad of pigskin chasers settle down to a hard and strenuous pre-season of training under the watchful eye of coach Broph MacDonald (left) and manager Charlie McVicar (right above).

For a time it was felt that the Blue and White squad would have to default its gridiron titles, due to enlistments and retirements. The response to the call for youthful players to fill in the gap has been so great, however, that mentors of the team have decided to carry on. The Caledonia squad will once again carry the Cape Breton colors in annual Maritime gridiron games this Fall. This will indeed be good news for Cape Breton fans who always look forward for the annual gridiron classic between the champions of the Halifax city league and the Cape Breton champions for the McCurdy trophy, emblematic of the Maritime senior English rugby championship. This game is the highlight of the Nova Scotia Remembrance Day (Nov. 11) sport parade. Last Fall Caledonia retained the McCurdy trophy by defeating Acadia University, Wolfville, Halifax city league champions, by a score of 6-0.

Expect Strong Fifteen

"Well, what do you think of the 1941 squad?" was the question asked coach MacDonald as the Blue and White's went through their paces in a recent workout at South Street grounds.

"In spite of enlistments and retirements to look forward to playing a strong 15 on the field in defence of our gridiron titles. The 1941 squad is gradually working into condition. Give us a couple of weeks to mould the material we have on hand and Caledonia will once again be represented by a strong well organized 15 that will be capable of upholding long and successful history of the Blue and White's on Maritime gridirons. We will provide plenty of competition for other Maritime teams even if we are handicapped by the fact that we have no league to play in," coach MacDonald replied.

"In This Corner - - -"

By HARRY HOW

At the present time it looks as if the home and home football series between Mount A. and U. N. B. will never materialize. As you know the game was to have been played under the banners of the C. O. T. C.'s of the two colleges. The Mount A. football manager is still holding out hopes, however, for a game here on Saturday October 25th. as planned. Tonight Manager Herbie Loane tells me that President MacKenzie has just received a letter from President Trueman of Mount A. to the effect that the Mount A. team will be unable to play until early in November.

This situation has resulted from orders by the Mounties club physician. The idea seems to be that he wants to isolate the college from the threat of infantile paralysis.

However, coach Howie Ryan has indicated that he is not in favour of continuing the football season until the date upon which Mount A. is willing to play. He had planned the proposed game of the 25th as the windup game of the season.

The fans both here and at Mount A. will be keenly disappointed, if the series is definitely cancelled as it almost certainly will. The rivalry between these two football clubs has been traditional but the best sportsmanship has prevailed in all their encounters.

Football at U. N. B. this year has been somewhat of a fizzle from the viewpoint of John Q. Phan. Apart from a clash with the Army early in the season the colitch guys and gals have not had a chance to see the home team in action at all. The talent on hand this year is of the best many of the newcomers being veterans at the game and the remaining members of last year's squad going better than ever. The series with Mount A. would at least have been some consolation to the fans.

Elsewhere on the page is featured a story of the Caledonia football team. They have set up an unapproachable record in the annals of English rugby in Canada, having been Canadian champions for over eleven consecutive years. Seniors (Continued on Page Five)

With the passing of their budget of \$75, by the S. R. C. the club will get under way this Saturday. Tuesday evenings and Saturday afternoons are the times allotted for badminton in the gym. A system whereby a check is kept each night of the attending players so that those who use the birds the most will be charged in proportion, has been worked out. The students will pay about half the cost of the birds the grant from the S. R. C. to cover the remainder of the cost.

Professor Argue, a champion of the game, has kindly consented to act as coach, and so anyone wishing to learn to play badminton or to improve their game has a golden opportunity to do so this year.

Manager Steve Weyman wishes it to be known that all students are automatically members of this club and wants everyone to take an active part in it. A number of tournaments will be played with some of the city clubs such as the Brunswick Street Baptist Club, the Mounties and possibly the Cathedral Club.

With four large courts perhaps the finest in the Dominion it is hoped that badminton will become a major sport at U. N. B.

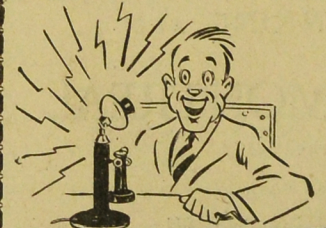

Looks Promising

"How is the new line-up?" was another question. "It looks real promising. Regulars who have carried the ball for (Continued on Page Five)"
