RED AND BLACK HUMBLE MOUNT ALLISON 10-0

Control Play Throughout Game

U. N. B.'s football machine rolled to a smashing 10-0 victory over their old rivals, Mt. A., in an exhibition game played last Saturday afternoon before a capacity crowd at College Field.

Tries by Captain Marquis and Doug Simpson and a brilliant field goal by Ced McDiarmid gave the Hillmen the margin which they will carry into the second game of the series at Sackville this week.

The score was no less one-sided than the play, which was confined almost exclusively to the Mt. A. end of the field, making it apparent from the outset that this was U.N.B.'s game to win. Only once did it appear that the Hillmen might be robbed of their well-earned triumph, when in the second half, with the score 3-0, the Mounties threatened briefly and crossed the line for a try which was ruled offside. As if stung by this challenge the Red and Black roared back, scoring a try and a field goal in quick succession to put the game on ice.

The U.N.B. squad displayed sup-

plugging, finally breaking the deadlock near the end of the half when Marquis dribbled the ball over after blocking a punt from a five-yard scrum and fell on it for a try. Simpson missed the attempted convert.

In the second half U.N.B. again controlled the play but failed to tally until after Mt. A. had almost tied it up with a try which was called offside by Referee Clark. Storming upfield on a series of spectacular backfield plays featured by the running of McDiarmid, McAllister and Elgee, the Hillmen registered their second try when Simpson

Mountie Down

erriority in every department of the game, with the scrum holding a decided edge in heeling and dribbling and the backfield working smoothly and cleverly on numerous fine running plays.

Bitter rivalry was apparent in the rough play which featured the contest, and tempers rose to fighting heat on several occasions. These flare-ups were quelled, however, by players and the referee before any real damage could result. Rugged Ed Reid suffered the only serious injury of the game when he fell, breaking his left arm, after being cleanly blocked by a Mt. A. back.

U.N.B. carried the play from the opening whistle and kept up a relentless pressure on the desperate Mounties throughout the first half, with many fine scoring attempts being thrown back almost on the Mt. A. line. Mitton took a short pass from McAllister on the five yard line, juggled the ball momentarily, and then plunged over, but it was ruled a knock-on and the score disallowed. The Hillmen kept

plunged over from a one-yard scrum.

The highlight on the game came on the next drive into Mt. A. territory, when McDiarmid, sensational stand-off half, surrounded by tacklers on the five-yard line, shifted quickly and dropped a lightning-fast field goal over the bars for the points that made it really decisive. The game ended with the Garnet and Gold ruggers striving frantically to get into scoring position. The lineups:

Mount Allison — Fullback, Dryden; Three Quarters, Chown, Patterson, Kerr, Peacock, McLellan; Halves, MacDonald, Epstein; Scrum, Jardine, Chalmers, Larlee, Campbell, Voir, Kachanas, Thompson; Subs, Marshall, Noseworthy, Hunter.

U. N. B. — Fullback, Spicer; Three Quarters, McAllister, Myers, Mitton, Simpson; Halves, Fleming, Bell, McDiarmid; Scrum, Anderson, Dalton, McLaughlin, Cole, Mackay, O'Brien, Marquis; Subs, MacMillan, Reid, Elgee, Dohane, Landry.

Sporting Spotlight

U. N. B. did it again!!

The first leg of the Red and Black football journey was completed Saturday when they gained a decisive 10-0 triumph over the Garnet and Gold from Mount Allison.

After the game many seniors declared that in all their four years at U.N.B. they had never seen the students turn out to any game with as much enthusiasm as they showed Saturday. Football may be over for this year as far as the non-playing students are concerned but remember there are other sports at this college. Give them all the support you can. We're proud of you, gang—keep it up.

Once again the Varsity line-up will be changed before taking the field against the Mounties to-morrow. Ed Reid, hard-hitting backfield man, unfortunately broke his arm in the first Mt. A. game. This is Ed's first year with the Varsity but we're sure it won't be his last. The team is going to miss his line plunging and fine tackling. Ed is the second Sophomore to be forced to the sidelines by injury this fall, but the loss of Reid and Gordie Simpson should give the team something extra to fight for in to-morrow's tussle. Don't let these two down, team!

The season's finale at Mt. A. promises to be a pip. The Mounties will be reinforced by four regulars who were ineligible for last Saturday's game. With this added strength the Garnet and Gold fifteen should be almost on par with the injury-riddled Red and Black aggregation. This, plus the fact that they will be playing on their own field, gives the Mounties an even chance of winning. This column predicts another loss for them in spite of these favorable factors.

Eric Bell, regular picking quarter, injured his ailing shoulder in the first half but like a real Varsity man stayed in there the entire game. Our fighting tail-ups O'Brien and Marquis both suffered slight back injuries. It looks like Johnny Landry will be the boy to fill Ed Reid's shoes, but the scrappy import from St. F. X., may be called upon to perform at picking quarter if Bell is not available.

A word to the team: Your goal line has yet to be crossed, but from the talk of most of the boys they expect to be scored on from the ground in this last game. Let's give all, boys, in an effort to smother any Garnet and Gold attempt for a try. It would be quite an honour to have an uncrossed touch line for the season of '42.

Mt. A.'s coach, Ed Tucker, promises a rejuvenated line-up for this week and really expects his men to perk up. They will need to go mighty high to win.

Here and There

A former football luminary of Mount A. and Dalhousie, Sig Neilsen was in the crowd at last Saturday's game. Sig, now an officer in the R.C.A.F., is a brother of our sports editor, Bob Neilsen, better known as Joe. At the end of the first half the former star was little impressed with either team but he had a gleam in his eye after watching the heads-up ball our boys played in the last half. Especially impressed by our three-quarter line, Sig was of the opinion they were not getting enough work to do. Most of us remember this big boy in the role of holder of the Canadian championship in the 100-yard dash in 9.6 seconds.

Last Saturday many of the students were disappointed. Why? Well it goes like this. Manager "Moose" Mathews of the Garnet and Gold did not get a chance to go into action. The "Moose" acclaims to be the only assistant manager (the position he held down last year) who could, from any point on the side lines, reach an injured player, open the medical kit and raise a 40 ounce to the injured man's lips in 10.2 seconds.

If the occasion arises (we hope it won't) we look to our own assistant manager lowering this record in the game Saturday.

VARSITY OFF TO SACKVILLE TO-DAY

A battered but confident Red and Black football squad entrained for Sackville this morning, where they will wind up their 1942 season in a game with the Mounties tomorrow afternoon.

Eighteen players made the trip, not all of whom may be fit for service in the final set-to. Ed Reid and Gordie Simpson are definitely out of the line-up, so the big question marks for to-morrow's contest are Don Elgee, fast three-quarter man, who has been bothered by an old knee injury all season, and Eric Bell, who aggravated a lame shoulder in last week's game with Mt. A. here. The minor casualties include Doc Fleming with a foot injury and Blake O'Brien with a sprained back. The latter pair are expected to see full service to-morrow.

The following are the eighteen who made the trip: Stan Spicer, Eric Bell, Ced McDiarmid, Arnie McAllister, Doug Simpson, Ed Mitton, Johnny Landry, Don Elgee, Terry Dalton, Andy Anderson, Bob McLaughlin, Bruce MacMillan, Mickey Mackay, Colin Marquis, Blake O'Brien, Lloyd Myers, Bob Cole and Doc Fleming.

M.A. is the only high school in the Maritimes that grants a degree.
