

SPORTS

HILLMEN AWAY TODAY TO MEET MOUNTIES

SPORTING SPOTLIGHT

By Doc Fleming

In driving rain last Saturday the Red and Black squad once more came through with a smashing 12-0 victory over the highly rated R. A. F. rugby squad from Moncton. The Hillmen showed a marked improvement in this game—more fight and drive was noticeable especially where they had their backs to the wall. But even yet the fans have had little opportunity to see complete cooperation between the forwards and the backfield. The wet weather is of course the main reason for this lack of team work. Barring all faults the team may have had, the fans saw the best game of the year last Saturday.

Another thing Saturday produced was fans—yes, fans. It was great to see so many out—and to hear their yells of encouragement as their team got into trouble. Apparently the old college spirit isn't dead after all—more and more are coming out to each game. Now with

POWERFUL SCORING TRIO

GORDON SIMPSON, DOUG SIMPSON, FRANK DOHANEY

only two events connected with football remaining this season Gerry Lockhart and Company hope to have your full support. One week from tonight the annual "pep rally" before the Mt. A. game will take place rain or shine, so let's make it bigger and better than ever. We can do this only with a full turnout of students. Talk it up gang—you're expected at the rally—and the game the next afternoon.

This morning the boys left for Mt. A. where they will meet the Garnet and Gold outfit tomorrow. The Red and Black team is quite confident of victory, with Coach Ryan giving them a better than fifty-fifty chance of winning. From all appearances the boys from down under have one of the poorest teams in years—this may be partially accounted for by the fact a number of the players are at present in the hospital. The Hillmen should have no trouble winning but whether they will bring home a comfortable margin for the second game is the question.

Here and There:—F. H. S. tomorrow will tangle with Saint John Vocational School at College Field for the right to advance to the New Brunswick Interscholastic Football finals. The yellow and Black huskies will be minus the services of Bob MacDiarmid who was injured in Saint John last Saturday when the teams tied 3-3.

An attempt is being made to organize an Intermediate team to play the Army in a preliminary game tomorrow. If you are interested turn out. Word has come to us that one of our boys has done very well for himself at Camp Petawawa. Yes sir Pat Clair ex-'45 did the old college justice in a recent boxing tournament. Pat was booked with a Golden Glove Champ from Upper Canada in the feature bout of the evening. Long before the end of second round the ref. was holding Pat's arm up in the air as a sign of victory. This is quite a feather in Mr. Laskey's cap, because good natured "Bill" took Pat under his wing two years ago and taught him all the tricks of the trade.—By the looks of the turnouts Interclass Basketball is really going to be something to watch this year. All classes have been practicing faithfully and will floor strong teams when the league gets under way—St. Joseph's defeated St. Thomas College 3-0 in the first of a home and home rugby series. Next game will be on Wednesday at St. Joseph's.

Crack Machine Leaves For Sackville Today

When the "Orange-blossom Special" rolled out of Union Station bright and early this morning, it carried with it the powerful 1943 edition of the Red and Black, who are on their way to the Marshlands to invade the Mounties fortress. The boys were all in high spirits and as they boarded the special car? many and varied promises of vengeance could be heard by innocent bystanders. The team has been looking forward to this tussle for many weeks and for the past week have been practising every day. After last Saturday's fine showing the Hillmen, who showed plenty of the true U.N.B. fighting spirit, should really show up well this year against Mount Allison. However, fortunately there was one main idea prevalent amongst the boys. They did not leave for Sackville with so called "swelled heads". Sure! They had a fine squad, but knowing Bob Brodie, they were convinced that the game would not be any pushover. The Mounties have had rather a bad season this fall and their team has suffered many losses over last year's fifteen.

Coach Ryan gave his toughies a better than 50-50 chance of emerging victorious but like his boys was not figuring on a push over.

The team will arrive in Sackville tonight and lots of rest was the order of the day. A light workout will be held Saturday morning and on Saturday afternoon, the boys from Up the Hill will be out to deliver the goods.

The line-up will be the same as last Saturday and three substitutes will be on hand to ably back up any last minute injuries.

Yes! This is it! The game tomorrow and the one next Saturday are, as ever, the climax in football at our college. We are proud of our team this year and wish the boys every success in tomorrow's game. Let's bring a substantial lead back to Fredericton for next week's game.

Flash: Who is the PHANTOM? It is reliably reported from your correspondent that he is a football player of great renown, who will be on hand next Saturday. What's cookin, repulsive lookin?

STRIKE OR SPARE

There has been quite a good response to the call for members for the bowling league, judging by the list of names to be found in the Arts Building today. This is to remind all of you that if you too want to bowl, tomorrow will be your last chance to sign up. As the notice says, entries close Oct. 30, at noon.

It is pointed out that if you signed up, it is important that you should plan to be present at all games bowled by your team. The reason for the failure of the league

VARSAITY UPSETS

R. A. F. 12-0

Simpson, Dohaney Share Scoring Honors

Last Saturday afternoon the red and black machine continued to flatten all opposition as the highly rated No. 31 R.A.F. fifteen went down to a most decisive defeat.

The R.A.F. team, coming from Moncton, had submitted the Mounties to a 14-0 walloping the preceding week.

The game was played on a very wet field and rain was prevalent throughout the afternoon, making play once more the forwards' responsibility. The backs of both squads had little opportunity to display any of their ability due to the slippery condition of the oval.

From the opening whistle the red and black had a decided edge in territory play but were often forced back into their own territory as the play surged back and forth because of terrific punting exchanges. The Hillmen had more speed and followed up to great advantage.

Halfway through the opening session Dohaney hooked a loose ball on his toe after a blocked kick at the 50 yard line, dribbling thru the opposing team 25 yards, recovered his own dribble and raced over for a try. He again plunged over the line in the opposite corner as the Hillmen pressed back the blue-clad Airmen.

In the second bracket a five yard scrum brought Gord Simpson his golden opportunity and he smashed through the breaking scrum to score. In the dying minutes of the fray big cap'n Doug Simpson who was patrolling the wing took a long pass out and sailed down the field to lay the pig skin down in the same corner as had his brother Gordie a few minutes before.

The slippery ball and bad angles again resulted in the Collegians being unable to convert a single try.

Late in the game Coot McNair

last year was just this, that very few of the bowlers showed up every week. It is not fair to the manager of the alleys to ask him to reserve alleys for us, and then fail to show up to use them. So we repeat, plan to be on hand for EVERY game.

Those who have entered the league will be assigned to teams, and the membership of the various teams will be posted next week, along with the schedule for the first term. The first games will be bowled on November 13, since Mt. Allison is scheduled here for a football game on Nov. 6, and no true U.N.B. student will want to miss that game.

SWIM FEST

Next Wednesday evening at 8.15 p.m. the swimming enthusiasts up the hill swing into action once again, in an invitation swimming meet. It is hoped that entries will be received from the Army and Navy stationed in this city. In the past these meets have proven most successful and this year with a good representation of students, both girls and boys, it should once more go over the top. An additional feature of this year's meet will be the entry of a boys and girls team from F.H.S.

List of Events:

Girls

20 yards F.S.
20 " S.S.
20 " Br.S.
20 " B.S.
80 yard relay—4 girls
each swimming 20 x.
Diving—2 dives optional

Men

20 yards F.S.
40 " B.S.
40 " Br.S.
40 " F.S.
60 " F.S.
60 yard Medley race
60 " " relay
80 yard relay, 4 men—
each 20 yards
Diving—3 dives optional

Key: F.S.—Free style, Br.S.—Breast Stroke, B.S.—Back Stroke, S.S.—Side stroke.

This will be one of the big events of this term so don't forget to be at the Residence pool next Wednesday evening.

replaced Gordie Simpson who was put out by a knee injury. In the same half Griffith of the R.A.F., having received a bad cut over the eye, was sent to the clubhouse and minus a substitute the R.A.F. carried on for the remainder of the game. Morgan, standoff half for the losers, was out standing throughout while Garret's kicking was one of the highlights of the game. Fleming, Bell and Spicer were the silent stars for Varsity.
