

SPORTS

HILLMEN CLASH WITH R. A. F. TOMORROW

SPORTING SPOTLIGHT

By Doc Fleming

Another week—another column and also another guy to say “so long” to. This time it's none other than last year's sports editor and this year's football manager—Joe Neilsen. Many thanks go to Joe from the sports lovers of this college for the many big improvements he made in this page last year. We have him to thank for the swell write-ups, the cuts and the other interesting sport items that appeared in last year's papers. Joe came to us in '40 from Plaster Rock as a Beaverbrook scholar. He was always intensely interested in sport and was in particular a keen basketball fan besides being on the football staff. He was a great believer in college spirit(s) and while on the sport page tried to promote it. He did with a certain amount of success. Now that Joe is gone we'll miss him around the college, at the games, and on the sport page, but at the same time we wish him luck in his new position with the Canadian Press.

The annual Mississippi Swim is taking place this week. Last year it was introduced into this college by our swimming instructor, Howie Ryan. A great deal of interest was shown by the students, in fact so much so that small as we are, we placed in this big international meet. Come on now gang let's do better than just place this year. We've got two days left so what say we make the most of them by really going to town in that old Residence Pool today and tomorrow.

The annual fall swimming meet takes place on November 3. Haven't seen many of you guys and gals practicing for it. Apparently the students have decided to hand the meet over to the Navy without a fight. Come on gang let's get together on this thing and give the boys in blue a little competition.

Last Saturday the Hillmen showed a little of that old fight that U.N.B.'ers have long been noted for. Despite the downpour the boys went over for six touchdowns, which isn't too bad. But the real test comes tomorrow when the Red and Black squad stacks up against No. 31 from Moncton. It will be the best and toughest game this season. If the boys come through tomorrow there will be no doubt as to the outcome of the Mt. A. series which comes off on the following two week-ends.

While on the subject of football, the football team would like to express their thanks to the boys who are faithfully turning out for the second team. There are very few left but they are the fellows in this college that keep things running. Because of them the team is able to have a short scrummage each day.

Our only hope is that next year they will be able to get into a league and in so doing grab a bit of fun and glory out of football. You know gang it's not too early to start thinking of a scheme for next fall whereby more students will be able to take part in football. Why not get crackin' right away?

Here and there:— According to “Markey” curling is the game. Reports say “the Mark” may coach the Slawinigan Falls High School hockey team this winter. Ralph Lockhart has been seen playing around with a few pros. in town too—so I've been told.—Acadia Axemen defeated Halifax Navy 31-3 while the Army beat Dalhousie.—St. F. X. as usual came out on the long end of a 7-3 score when they defeated Army last Sat.—Under the ever watchful eye of coach Bob Brodie Mt. A. went down to a stinging 14-0 defeat at the hands of No. 31.—Just a little prediction gang; U. N. B. will defeat No. 31 by one touchdown plus.

Slated For 2.30

Once again tomorrow afternoon the big Red and Black machine will be away in “a mess of gears”, as they tumble out of the clubhouse to meet a very highly rated aggregation from Moncton representing the R.A.F. Both teams will be riding along on last week's respective victories, and undoubtedly tomorrow's tussle will be the supreme test for the Hillmen.

After last week's convincing victory over the Mounties it appears obvious that the English station really has a smooth working machine. According to all reports they had little trouble in controlling the play from start to finish, when they invaded the marshland town.

Howie and Shorty have been on the job since last Saturday and some changes have been noted in the U.N.B. line-up. The scrum, which has been a frequent source of worry this fall has been juggled around and it now appears to be settled once again for the game tomorrow. It has been bolstered by Dale Wade who will do the locking honours with Mackay. They will be backing Young, Scott and Wallace with Ed handling the hooking. The terrible, terrifying tailups for tomorrow's game will be in the person of Dohane and Finnegan. The backfield has not been altered in any way and Gord Simpson will be picking out the oval. Bell will do the flying and will be flanked by Reid, McDiarmid, Doug Simpson and Mitton. Doc Fleming will be on the job as usual with his seven husky forwards in tow.

This will be the crucial game of the season. After tomorrow afternoon we will know just how we compare with the Mounties in football prowess this fall.

This is a “must attend” on the football schedule gang, so come on over to College Field tomorrow and give your team everything you've got, and then some!

Sports Schedule

Monday—Oct. 25
6.00—Football
7.00—Freshman Swimming
7.00—Interclass Basketball (Seniors)
8.00—Boxing
Tuesday—Oct. 26

VARSIITY SMOTHERS ARMY ON SATURDAY

U.N.B.'s power-packed rugby fifteen kept its record unblemished by coming through with a smashing 18-5 win over the No. 70 Canadian Army (Basic) Training Centre team last Saturday in the second game of the annual exhibition series between the two squads.

Working like a well-oiled machine in most cases, but creaking at the joints in some instances, the Hillmen showed great team play as they crossed the Army goal line for six tries. On the other hand the khaki-clad boys presented a better balanced team than the one which took the field two weeks previous, and this time were able to prevent a whitewashing by scoring a touchdown and a convert.

Making a repeat performance with players and conditions, last week's contest paralleled the initial set-to with the field rainsoaked and a driving rain hampering action.

Gordie Simpson headed the scoring column making the first and last touchdowns both from 5 yards out, while Doc Fleming, Ced MacDiarmid, Frank Dohane and captain Doug Simpson accounted for the other points. Army's try was scored by White and Ed Fitzgerald added the extra two conversion points.

Referee “Snap” Thompson officiated in an informal manner, tempering justice with mercy as he weighed the red and black squad's better knowledge and experience of the sport against Army's lack of the same. It was this rather loose officiating that may be held accountable for the many injuries sustained by both teams, with Stan Spicer's knee taking the worst of it in one scramble resulting in his removal from the game.

Hitting the Highspots

Not soon forgotten . . . Eric Bell's long boots setting up the touchdowns and clearing the ball from the danger areas . . . that extra “fight” shown in the last ten minutes by the whole team . . . Ced MacDiarmid's 30-yard run after receiving Gordie's punt . . . Coot McNair's able relief role for injured Stan . . . the forwards' smooth action in scrimmages . . . those

Life is real! Life is earnest!
And the grave is not its goal.

BOWLING

By this article we wish to inform all bowlers and would-be bowlers “up the hill” that a bowling league can easily be formed if we can get enough bowlers interested and willing to participate in it. The alleys would be available from 2 to 4 p.m. on Saturday afternoon.

Originally we had planned to hold a meeting to arrange the organization, etc., but we found it impossible to find any time in the morning at which all students would be able to attend, and so we are forced to give up that idea for the present. Instead, we ask you to talk it over among yourselves, make up your own team if you wish, and enter your names with Frank Horgan. We will try to complete arrangements as soon as possible, providing any interest is shown.

Watch for notices posted regarding the league during the next week, and meanwhile, support the football team on Saturday afternoons as they should be supported, with a full turnout.

F. H. '46

pounding drives by Egghead Mitton and Cap'n Doug . . .

Aiding and abetting the team's effort in the grandstand, cheerleaders Edith MacFarlane, “Jug” Weyman, Kay Bell and Eric Teed, had the small turnout of students giving out in a manner reminiscent of by-gone years. Although the cheerleaders lack a little polish and the response was not A1 a few more games should put us right in there!

The line-ups: U.N.B. forwards: Mackay, Dohane, Wallace, Wade, Finnegan, Young, Wicks, Crowther, Reid, MacDiarmid, McNair; quarters: Fleming, Bell, G. Simpson, Scott; halves: D. Simpson, Mitton, fullbacks: Spicer, Plummer.

No. 70, forwards: Howard, Richard, Morgan, Fitzgerald, Estabrooks, Thompkins, McRae; halves: Brian, MacLean, Keefe, Whalen; quarters: Owen, Buckley, White; fullback: Berlinguette; sub, Seeley.
