VARSITY OUT TO SMEAR GARNET AND GOLD

Mounties Scuttled

Last weekend the "Mounties failed to get their men" as the still undefeated ruggers from Up the Hill blazed through the Mount Allison aggregation for a decisive 12-3 triumph. It was the first game of a home and home series, and although the U.N.B. fifteen stole the show with their smooth working plays, the lads from "way down under" did a swell pob in holding a much better team to 12 points on their own field.

In the opening stanza the Hillmen lost the toss and were forced to buck a terrific head wind. Disregarding all disadvantages, however, they got off to a flying start and for the first part of the half were continually pressing the Mounties within their own twenty-five. Fighting hard, the U.N.B. ruggers were soon rewarded when Frank Dohaney plunged over after a five yard scrum. Kicking from a difficult angle, and into the wind, Doug Simpson failed to convert. With this mighty three point lead, the red and black machine promptly stalled. The Mounties relied on a kicking game, with the wind backing them, and time and time again they forced U.N.B. down into their own territory. Rough play became the chief source of vengeance and due to their own carelessness the Hillmen soon found themselves in a deadlock when Holmes of Mt. A. garnered 3 points on a penalty kick just before half time.

With the wind in their favor as the second half got underway and the score tied 3-3, the U.N."Beavers" pulled out of their first half slump and monopolized plays throughout. Almost all the second half was confined to the Mounties 25 yard zone. Soon after the opening of that half, Bell put U.N.B. ahead on a successful penalty kick. Showing some of the old fight the Hillmen then drove on and toward the end of the game, Frank Dohaney rolled through a badly disorganized Mountie backfield for two quick touchdowns. Both convert attempts failed.

Dohaney, a U.N.B. tailup was undoubtedly the hero of the day, but both teams were in there driving all the way. The Mt. A. aggregation was below the usual standard, but they most certainly deserve credit for holding the score down as well as they did. The gang from up the hill, powerful as they may be, still take the cake for pulling "bonehead" plays. After an active season they can still afford to become much more familiar with the rule book.

The game was a thriller from start to finish and tomorrow's tussle should really be a show worth seeing, as the Hillmen will really be out to smear the Mounties.

"If you do not know how to talk, then learn to listen."

NAVY SINKS U.N.B.

PICHE STARS

The third annual college swimming meet was held Wed. night in the Residence pool. Ed Piche, crack Navy athlete, showed the way to all comers, as he led his two-man team to a decisive victory. He amassed a total of 47 points—placing first in seven events and second in two others—to walk away with the individual scoring honours. Barry, also from the Navy was second high man with 17 points. Johnny Lawrence, U.N.B. was third with 11½ points to his credit.

Battle on College Field at 2.30

Tomorrow afternoon will mark the end of another football season at our college, when the Hillmen lock horns with the Garnet and Gold in the second game of the ever-traditional series. The Red and Black brought back a very decisive victory last Monday and from all reports they are out to even the count of past years.

Strangely enough the gang were anything but jubilant over last weekend's victory. The Mounties definitely have a weaker fifteen this fall than of past seasons, and it seems that U.N.B. was anything but "on the ball" last Saturday.

Practices this week have been rather infrequent due to bad weather and military training, but Howie Ryan still has his boys in top form for tomorrow's tussle in which there will be few, if any, changes in the lineup. After having played five games during the fall, the boys are now playing their positions pretty well. A great deal of credit is due Shorty Clark for the job he has done with the forwards, who are showing plenty of power this season. Ed Wallace has really proven himself capable of filling Bobbie MacLaughlin's boots, as a hooker. Frank Dohaney, who last year was a sub, has, under Shorty's guidance, become one of the mainstays of the team, and, inside the opposing 25 yard line he really spells trouble. The scrum has been confronted with no less than four eight-man opposing scrums this season, but as yet has encountered little opposition with their seven man blockade. In the backfield the scene will not be altered for this final game. Last Saturday they turned in some fine playing and with a good day tomorrow should provide plenty of thrills.

The Mounties have many new players in their aggregation but are still fortunate in having such able players as Wes Peacock, Bernie Chalmers and Dow Vair. They will undoubtedly be out to hold the score down tomorrow, and if they show the fight they did last week, the game will be full of thrills and spills.

This is the last official fixture of the year for our Varsity fifteen. They have maintained an outstanding record for the past two seasons and are definitely a credit to this university. Tomorrow will be a grand climax. Will we see a full turnout of the student body? During the season the turnouts have been fast improving BUT let's make tomorrow's game a complete success.

SPORTING SPOTLIGHT

By Doc Fleming

Here at last we have arrived at the long awaited for week-end with its pep rally and Mt. A. game. From the talk about the campus a full turnout is expected at both events. The pep rally will take place at 7.30 p.m. tonight in Beaverbrook Gym. It will have as its highlights speeches from coaches Ryan and Clark, and also from Capt. Doug Simpson.

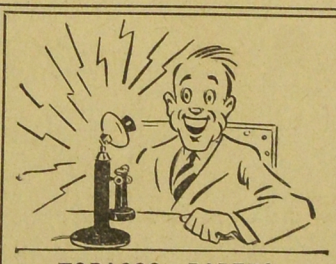

Many things will be on the minds of the students as they parade to College Field tomorrow. (1) Just how big a score is U. N. B. going to run up? (2) Is Eric Bell going to be able to break the jinks which has been hounding the Red and Black team all season, namely—no converts? So far the Hillmen have had nineteen touchdowns without a single convert. (3) Tomorrow marks the last football game Up the Hill for three members of the Red and Black squad. Capt. Doug Simpson with four years of Varsity football under his belt leads the way closely followed by Eric Bell and Mickey Mackay both of whom have been with the team for three years. Take a tip—watch them—They're out for final vengeance on the Garnet and Gold clad ruggers.

Varsity Basketball practice gets underway Monday night at 7.00 p.m. Coach Ryan hopes to shape up another team which the college can be justly proud of. The squad suffered a serious loss last year upon the graduation of Capt. Doug Rogers. However everyone was more or less reconciled to his loss, and figured everything was going to work out pretty well with so many veterans back this year. But early this fall Dave Stothart put a big cramp in the team's style when he left for the R. C. A. F. His absence has upset Ryan's plans, who is at present tearing his hair out wondering where a second line is coming from. (Incidentally Dave Stothart is now playing for the Lachine R. C. A. F. Basketball team. Last week they journeyed to Montreal to play McGill.) However Capt. Jerry Lockhart, George McClintock and Cec Garland (forwards) along with Ted Owens and Ed Mitton (guards) are still around to represent the Red and Black. With these five out there again this year there won't be a student in the college who will not back them with their last dollar o beat any college team in the Maritimes.

Here and There:—U. N. B. did very well in the Mississippi Swim the first week but lack of interest in the second week sent us down near the bottom of the list of competiors. Apparently the saying, "A U.N.B. team cannot stand prosperity", is rue.—The Halifax City football league is still going strong with Dal. and Acadia both coming out on the long end of the scores last Sat.—Montreal Navy and Halfax Navy are to play an exhibition Canadian football game at Halifax tomorrow.—R. C. S. and Voc. will begin their home and home series tomorrow for the Provincial Interscholastic Football title.—Interclass Basketball will start with a bang Monday night after Varsity practice, and may the best team win.—Last but far from least the Co-ed team begins practice Tuesday night. The girls will be minus the services of Capt. Sheila Lemont. Eileen Wright and Pauline Cunningham. Just three regulars remain this year Mary Murray, Mavis DeLong and Blanche Law. The co-eds intend to play two games this fall with F. H S.
