

Bits About 'Em

—By Eileen Crotty

Sub-Lieutenant Fred Hubbard '43 spent a few days in Fredericton last week. Fred has been in the navy since his graduation last May. At present he is stationed in Halifax.

A wedding of interest to many friends took place on Saturday, October 23rd when Marjorie Louise Dickson of South Devon and Lence-Corporal Arthur "Pete" Perley of Bathurst, N. B. were united in marriage. Pete graduated from U.N.B. in '41.

Jeanne Neviers ex-'45 and Sandy Gregory are stationed in St. Hyacinthe, Quebec.

Don Duncan ex-'46 was in Fredericton this week visiting friends. Don is in the Canadian Army and is stationed in Utopia.

The girls of the class of '44 were entertained at the home of Mary Murray last Saturday afternoon. Bridge was played and the prizes were won by Joyce Mavor and Connie Murray.

Big week-end coming up kiddies. Pep rally. Mt. A. massacre and Sadie Hawkins' dance should keep these eyes and ears just a-screamin' I'll be up front at the whole works so, on your best behaviour Hill-guys and Hill-gals or I'm gonna get meaner.

To the shovel—
The Freshettes seem to have stolen the march on the "should-be" experienced upper-class gals. Maybe "experienced" should be moved over to the young-uns. Tsk. Tsk.

Ah is available to any male who ain't been axed to the tie-down hop. Ah garrentease all dates. Apply: Available Jones, Residence.

All the Sr. Foresters, but one, attended the "very sedate" Mounties' Ball. In the cold Lawrence A., or were those other guys dragged?

We didn't know that Johnny Baxter had that Swoonatron touch but, it appears "Little" things are most important.

We have some torrid stories about the Mt. A. dance session last Saturday but they won't bear printing. Sorry gentle people but we will black market a few copies in the near future. Watch for this opportunity. The Phantom will sell them.

Any one who misses the Pep Rally tonite will be in for an exposure soonly. We don't like crabbers who don't act. Who inspires our own Jerry? Could be the little Irish co-ed chief!!

So Mickey is going to let down his hair and go to the dance. Gosh even the hermits ain't safe. MacKenzie and Mackay looks like an all-Scotch set-up too. Wow!

The grapevine tells us that Johnny Gandy has more female complications than he would care to admit. Don't look so worried, sonny, they won't sue you.

Is it true that, at long last, there is a woman hater in the Mavor household? A dark-browne story, I'll bet. Anyway, Dick, we know a young siren who has been tossing those blue eyes your way. It won't be long now!

We thought we saw blue air coming out of the female reading room but later found it was just the result of another innocent delong story. Whew! my ears still burn!

"Esprit de corps" says Betty D. but, we think "Esprit de coeur" would be more appropriate.

All my pencils are sharpened for the week-end doings and, if you don't let loose with a bit of scandal it'll be a miracle. But you will and I'll know so, do it anyway. See you at the dance in your gaudy shirts and skimpy skirts.

Yours with matrimony
