ROUGE ET NOIR

: Scoop by "Snoop" :

Ha, here I am again, feeble-minded goons, with my nose on the trail, my little pink ears fairly quivering with anticipation (for who is going to win out in this quickly-growing mustache race?), my nose into everybody's affairs, and best of all — fairly bursting with Freshman Reception outcomes, for surely such soul-inspiring combinations as that meeting produced should lead to something! Did I hear a rasping "No" from the poor little freshmen or an enthusiastic questioning "Why" from the cute li'l freshettes? Oh, Holyoke make up your mind and put an end to my everlasting curiosity. I just can't stand suspense. Well, here goes, fans, hang on tight!

Mickey! Mickey!! Mickey!!!, you are so deadly critical!

Who poured the Ethyl into the Foresters' Milk supply two Fridays ago?

I don't believe that brains can really be carried in a Brief Case. Do you?

I saw white paint under somebody's fingernails at the Budget Meeting Wednesday night! Saw you on the clubhouse roof, too, '45er.

Where did J. and J. go during the blackout Wednesday night? Tsk, tsk, KEY-HUNTING IN A SEWER AGAIN?

See you tonight, palsy-walsies— at the Freshman Dance, providing I can get a woman to overlook my long ears and bleached eyebrows. My favorite haunt is sitting atop light posts—so beware!
