program to a close.

The Glee Club, which made such a hit at the Freshman Reception and again at the Fall Plays, has worked hard since the beginning of the second term in an effort to live up to its reputation, now well established, and, in spite of difficulties experienced in obtaining suitable music, has prepared a creditable program which wants only your seal of approval.

Much time and work have been put into the preparation of this program which should prove both interesting and entertaining. So let's see you all at the Normal School on Monday night and give the boys your wholehearted support.

Elmer Sadler. Apparently they—the Saint Johns—thought us to be utter fools to even allow our sense of sportsmanship to agree to having Costello officiate after his fiftieth exhibition in last year's playoffs. Preceding this letter was one from Douglas Costello, the secretary of the N.B.A.B.A., from which comes the following quotations: "... it has

ROSES: To the Boys' Basketball Team for being gentlemen in Saint John. Takes grit doesn't it, when you so want to explode?

To the co-eds for such a nice tea Saturday. We're sorry we couldn't be there to clean up—on the roof and on the freshettes. (Quote the boys)

THORNS: To the pros for making us work these days.

GOSSIP CORNER: Jeans looked so melodramatic Saturday night—golden hair and black net!

Frank D's brawny ruggedness showed up nicely with that little fluff of hooped loveliness.

Galt, Galt, the dance is over!

The poor freshettes are so worried about the Junior Dance. Why is it that only the 'drips' are anxious to take them out.

SAYINGS: Ellen MacLaggan—"That damned Cecil!"

Alice MacKenzie—"How do you ENGINEERS?"

been known for some time that Doug Skinner is 'rusty' on the ruios." The name of Doug Skinner was mentioned by our manager in a previous letter as our choice of a Saint John referee, and in the words of Lawrence Hashey (provincially-known referee and recognized authority) "Doug Skinner is one of the finest basketball officials in the province." Now, readers, you have your choice of the opinion of an up-and-coming basketball impresario or that of an authority of long standing. As far as the refereeing in last week's game in Saint John was concerned the red and black were satisfied that the officials were fair and unbiased in their decisions.

Gibson Stars
In Local Show

Friends and relations of the University of New Brunswick flocked in hoards to the local theatre last week to see a now famous former student star in one of Hollywood's

"Hoot"...

... Rides Again

recent hit: "Hoot Gibson Drives Again."

It was a rather delighted surprised audience that saw flashing before their eyes scenes of the old home town and scattered regions of the northern part of the province. All in all the show proved to be even better than it was written up to be, and it was the general opinion that our hero's performance exceeded his former efforts.

RE: C. O. T. C.

The last parades in C.O.T.C. for this year were held last week. Accordingly Major Jones and Captain McCormick want to make it known that all personnel should take great care of their uniforms and equipment while waiting to go to camp some time in June.
