

ROTHESAY CAPTURES MUCH COVETED AWARD

Saint John High Defeated in Finals

Ending a two-day, fifteen game schedule, the basketball team from Rothesay Collegiate School walked off as the winners in handling a decisive beating to the Saint John High School team, their season's rivals in the Saint John City and District League.

Adam Smith, showing an abundance of skill in the way of ballhandling, whether racing down the court at full tilt or maneuvering from a tight corner, proved to be one of the outstanding players of the series. He and his teammates, Alcorn, presented a sparkling job.

The final game started off quite close, the score at quarter time being 10-4 for Rothesay, but in the second quarter R.C.S. hit its stride to rack up eight points as against their opponents two. Hannington scored the only basket of the third quarter, and S. J. H. S., although outscoring Collegiate in the final quarter, was quite unable to take the lead, and the score, with the game over read 26-15 for Rothesay.

Shortly before the end of the game, A. Smith injured his left forearm against the end wall in a scramble for the ball near the Red and Gray basket, and retired from the game. Showing plenty of grit, he returned to accept the trophy and say a few words, although in considerable pain. With twelve points, Smith was high scorer of the game.

Alcorn Top Scorer
High point man of the series was Alcorn of R.C.S., with 29, followed by A. Smith with 24. Alcorn took a large part of his toll during the early games. Other high scores were Gaudet, Moncton; Marchion, S.J.H.S.; Richard, Campbellton; Daley, Harkins, and Slipp, Woodstock.

Boner
Prize boner of the series was an act by Woodstock in keeping some of their best players out of the first game with St. Stephen, intending to save them for the purpose of cracking a harder nut. Needless to repeat, they lost the game, and with it all chances of a crack at the finals. But, ending up with the Consolation Prize under their belts, Woodstock perhaps wound up better than if they had reached the finals. As was expected, Moncton entered a very strong team which finally lost in the semi-finals to S.J.H.S. After winning over F.H.S. These two games proved to be the most exciting of the series, the scores differing by one and two points.

Competition High upset more than one couple cart in their course. Not impressing a person as being experienced, this team nevertheless fought its way to the Consolation finals thru dogged persistence and cool determination and in the way of thinking, deserves a lot of credit. The game which saw the most penalties handed out—twenty two of them—was that between McAdam High and Saint John High, with McAdam drawing twelve of them.

All in all, the Interscholastic Basketball Tournament was a huge success. Those responsible for the commendable manner in which af-

A FITTING REWARD

Adam Smith, a few minutes after sustaining an injury to his left arm, returns to the floor to accept, on the behalf of his team mates of Rothesay Collegiate School, the New Brunswick Interscholastic Basketball Trophy, as presented by Dr. N. A. M. MacKenzie, President of the University of New Brunswick.

Boxing

Jim Doane, in a recent interview, released the dates you have been waiting for. The elimination bouts will be run off on the night of March 22, and the big meet will take place March 29.

Our boxing manager told of Inter-Service Competition, with six units already represented, and possibly inter-collegiate bouts, as being the centers of attraction. There will be presented, as extra features between main bouts a fly weight bout, and a wrestling match, with two experienced men from the R.C.A.P. station at Seaside. With this issue going to press, it is understood that two of U.N.B.'s topnotchers of past seasons, Bob McLaughlin and Pat Clure, will be on hand, and it is hoped that still competition can be arranged for these boys to work on.

Although preparations are now, as yet, complete, all signs point to an unsurpassed evening of entertainment when the boxing meet will be around, so be sure to keep your eyes focused on this page for further news.

Fairs were managed, are to be congratulated. We all hope that Lawrence Hashey and Howie Ryan have fully recovered from any ill effects which may have resulted from the strenuous session of refereeing some eighteen games in the run of two days.

And so it is with keen anticipation that we look forward to more successful tournaments in years to come.

Boxing

Today we will dedicate this little column of sport chatter to a very important figure in Varsity athletics, one of the better known personalities on the campus, who can be seen any night during the winter at college rink or on the basketball court at the gym. He has come on most of the football and hockey trips during the past four years, but hasn't won a varsity letter yet. Can't you guess who it is? Well here is the tip—He is Johnny Foley, our mascot. The hard young nut, finds stray socks and collects hockey equipment for his own team. Have you ever seen Johnny trot onto the field in his smart red and black uniform, to warm up with Varsity as a football game? He always draws the biggest cheer at Mt. A., and he is going to be a star full-back in a couple of years. The co-eds should appreciate his ability as a hockey player after the faculty-coed game.

Speaking of Hockey—did you see when the "Swampmen" were swamped by St. Joseph's to the tune of 7-1 in a puck war last week. We are not making any claims, but add up the score yourself.

This week the hockey team will hold its annual banquet, at which the only eligible men for this position, being the only juniors playing successful tournaments in years to come.

Both Varsity Squads At Mount A. Tonight

BOWLING

Bowling is one sport which has found many devotees among U.N.B. students. Although many of them are too pressed by studies to bowl very regularly, others often take the opportunity to drop into the local bowling alley for a game or two. The sport has been rising in popularity all across the continent in recent years, with many new leagues being formed. U.N.B. is right in line with this trend, for this year has seen the formation of a students' Bowling League which has enjoyed a very successful season, with upwards of thirty bowlers congregating each Saturday afternoon.

Last year an attempt was made to form a league, and four teams were signed up. The league fell through very quickly though, due mainly to lack of interest. This year the organizers set the league up on a firm footing, electing J. Ross Bishop as having rolled the highest total in any league game, 296. Glennot "Whizzer" of the Freshmen deserves credit for having rolled the highest single string in any game, 141. Frank Morgan has led the league bowlers over the whole season with a steady average of 105.5, having a pinfall of 2122 in 3 strings. Walter Ross with 345 and 138 placed second in both high total and high single. The following bowlers all had very good averages in league competition: Russ Bishop 204, George McCracken 171, Lou Ryan and Walter Ross 97.7, Paul Robinson 97.1, Glennot "Whizzer" 95.8, C. J. MacFarland and Percy Jones 96.8, Al Corey 96.5 and Frank Dobney 96.1. Bill Crawford had averages better than 90.

Before going to press, it was learned that the U.N.B. Varsity Basketball team sailed through Mount Allison with a score of 42-30 in the men's game.

U.N.B. co-eds also were victorious with Marj Barberie leading in the scoring to point up 20-18 over Mount Allison.

CO-EDS DOWN ST. JOHN YWCA

By Doc

Tonight's basketball game between the Varsity team playing at Mt. A. in the first encounter at the Beaverbrook Gym two weeks ago both Red and Black quintets were victorious. However, the varsity carry the slim margin of four points into this return game with the Garret and 3rd and 5th do well to return home victorious in the series. This game should prove very interesting, both teams having proven to be fairly even in their first encounter.

As for the second game between the men of both universities—the outcome is already signed, sealed, and delivered to U.N.B.—naturally. Nevertheless this same game should prove interesting, if not from the point of view of basketball, at least from a humorous or farcical point of view. Should the highest total in any league game, 296. Glennot "Whizzer" of the Freshmen deserves credit for having rolled the highest single string in any game, 141. Frank Morgan has led the league bowlers over the whole season with a steady average of 105.5, having a pinfall of 2122 in 3 strings. Walter Ross with 345 and 138 placed second in both high total and high single. The following bowlers all had very good averages in league competition: Russ Bishop 204, George McCracken 171, Lou Ryan and Walter Ross 97.7, Paul Robinson 97.1, Glennot "Whizzer" 95.8, C. J. MacFarland and Percy Jones 96.8, Al Corey 96.5 and Frank Dobney 96.1. Bill Crawford had averages better than 90.

Back from the lighter vein of basketball we see that both Mt. A. and U.N.B. are in a bit of a tangle. In the first game of the season, Crawford going under a phony name, however it has reached the point where people are wondering (1) Does the management of the Mt. A. basketball team think its kidding anyone? (2) Is Bill Crawford so ashamed of its playing that he must play under an assumed name? (3) or better still, is he so ashamed of the Mt. A. team that he would hate to have his friends know he is playing with such a team. It is doubtful if any but Crawford himself can answer these questions so we shall have to go on living in ignorance with regard to this question.

First Co-ed: "What did the artist say when you asked for a job to pose?" Second: Piece of scenery: "He said, 'I can't afford a model just now, but I'll here ya in a min'."

Varsity Trims Woodland A. C.

In the second game of last Saturday evening's double header, the undefeated Varsity team again displayed their prowess, by making an impressive win over a team representing the Woodland Athletic Club, Manse, to the tune of 47-16. Lacking practice and conditioning, made brilliant individual efforts, and interest in the game was kept high. Ed Milton punctuated the trip for 15 pts. to rank as high point man of the evening. Jerry Lockhart was very close behind with 17 pts.

Gallant and Frost, of the visitors each accounted for 6 tallies. Varsity's other points were distributed among the three line, which were changed frequently.

CO-EDS DOWN ST. JOHN YWCA

Last Saturday night, the U.N.B. co-eds had to come from behind three times to come out on top in the first game of the season. The Varsity team, in a closely contested game, and ending the game with a score of 35-25. Outstanding for the co-eds were Marj Barberie and Marj Barberie, while for the Y.W.C.A. G. B. Bell and Jean Mitchell were equally prominent, garnering 14 and 13 points respectively. Other point-getters were Murray 6, MacLagan 2 and Dookie 1.

Intramural Basketball

Two games were played Monday night, continuing the regular schedule.

The first game saw Johnny Baxter's Hurricanes cause an upset, by defeating St. John's Black Hawks, 17-16. The game was a close one, with the Hurricanes putting on a drive in the third quarter to go ahead 20-14, and by holding onto this lead in the final stages, emerged on top with a score of 24-22.

Johnny Baxter and "Pop" MacKenzie were not present, reasons for their absence unknown (O.N.S.). In the second game, Colin Ramsay's Spitfires were able to race through "Tripper" Fettes' Muspratt defense, due to the loss of Laurie Powell, and build up an early lead. With the final outcome never in doubt, the Spitfires were on the long end of a score reading 20-18.

And then there's the fellow who entered the bar optimistically and left mistily optically. If at first you don't succeed, try again, with another girl.

Sports Festival

HOWIE RYAN
Physical Director

Monday and Tuesday, April 3rd and 4th should bring together all the potential athletes on the campus to participate in a gala two-night sport festival at the Lady Reservoir. Gymnasium, Intramural class volleyball, interclass indoor hockey, intramural basketball, boxing, gymnastics, co-ed march and drill, ladies' and men's variety basketball, rope climbing and badminton will be the feature activities on the programme. All managers of interclass teams, badminton players and gymnasts are urged to get their teams organized for this great sports review.

Schedule
Monday—Interclass and co-ed volleyball, rope climbing, interclass indoor hockey, boxing (exhibition), Tuesday—Varsity basketball, march and Danish drill by co-eds, gymnastics, intramural basketball, badminton.

With the support and cooperation of the students, this sports review should be a complete success.

Co-ed Ping Pong

Once again we have a Ping Pong Champ, this time the winner of the Co-ed Ping Pong Tournament. The competition has aroused keen interest, and all the games have been surprisingly close. Several of the girls were new at the game but played with that professional-like skill which they displayed in hockey.

In the first game of the series, Jackie Pickard defeated Kay Bates. Then Ellen MacLagan emerged a victor over Shirley Kinney. The other entries in the tournament decided to get busy, with the result that Les Cleaves defeated Mary Murray and Dennis Bateman won from Betty Page. Les and Betty then played and Les won once again. This left Jackie and Les for the semi-finals. Victor in this final tilt was Jackie Pickard, Co-ed Ping Pong Champ.
