Skiers Place Third In Quebec Collegiate Meet

For the second time in UNB's athletic history a team traveled west to formally compete in the C.I.A.U. ski championships. Nine teams gathered at Lac Beauport, P. Q., to take part in the slalom, downhill, cross-country and jumping events.

Top honors were taken by McGill while Laval outpointed UNB for second place by a slim margin. Representing UNB were Rae Grinnell, Bill Murray, Don Vogel, Ian Scott, Alan Mitchell and George King, but due to an unfortunate injury before the meet the latter was unable to compete.

Friday morning the meet got under way, with Ross Maxwell, Eastern Canadian Champion, winning the downhill for Dawson College and Rae Grinnell holding second place. In the afternoon, over an icy slalom course, UNB runners dropped to sixth place even though Bill Murray scored well.

The jumping on Saturday was won by Murray's 110 foot leap and this, with Don Vogel's strong support, placed UNB in second place for this event. Encouraged by this result the UNB men went on to capture a second place in the seven-mile cross-country race and a first in the Nordic combined. When the final results were calculated UNB was in third place, thirteen points behind the winners.

However, the competition did not stop here. At the finish of the cross-country run one of the UNB racers endeavored to arouse the sympathy of a pretty spectator by virtually collapsing, while the other members did not enter this event until the skiers dance was officially poured under way.

Total points:—McGill 584; Laval 578; UNB 571; Queens 561; U. of M. 559; Dawson 544; Loyola 476; Sir George Williams 374; Ont. Agr. College 206.

Acadia Wins Meet

In a closely contested meet, which saw seven records broken, Acadia University captured the Maritime Intercollegiate Men's Swimming Title from UNB at Wolfville Tuesday.

Acadia totalled 49 points, UNB 46 and Dalhousie came third with 30.

In the Women's meet, Dalhousie's strong team won with 40 points. Acadia made 25 and UNB 23.

Bruno Seppala captioned the UNB team, which included George Noble, Lorne Peltor, Ted Cadenhead, Ed Curtis, Laurie Hunter and Dave Worthen. The Ladies Team consisted of Gert Seppala, Eleanor Barker, Ann Gibson, Nini Gibson, Pat McGibbon, Audrey Gillies and Alice Lou MacKay.

Ted Cadenhead made a sensational swim to set a new mark in the 20-yard backstroke.

Results of men's events were: 60-yard Medley Relay—Acadia, UNB and Dal.

20-yard Free-style—UNB (Noble) and Acadia, Dalhousie.

One of the many Woodstock fer cage-stars, Bob Smith (above), potted in a steady stream of goals from his center position for UNB this year to make 185 points for the ill-fated Hillmen.

TOURNAMENT ON TODAY

The Annual New Brunswick Intercollegiate Basketball Tournament got under way last night at the Beaverbrook Gym with opening games being played. In this first year of the A and B sections division of the contest, many of the enthusiastic teams and rooting sections from smaller schools will be missed.

Such teams as St. Stephen and Harkins High were delegated to the B tournament in Woodstock because of their small populations, but experience has shown that these are among the 'fightingest' teams. Another is Woodstock, which, by its win in the little tournament, will be entered here.

Moncton High School is competing for the third time and is reported to have a strong team, as is Fredericton, despite the loss of many fine players.

Last year's winner was St. Vincent's High School of Saint John, a dark horse entered for the first time. UNB student passes will be honoured at all games.

Mount Allison has finally unseated UNB from the Intercollegiate Basketball throne after an eight-year rule. We could see it coming during the past few years—first a tie, then a win on their own floor and finally a margin on the series.

The Sackville squad beat the zone at last by their excellent long shots (as many American teams have), earning a deserved victory. Ted and his men tried hard but didn't have enough scoring power. Let's bring that title back next year.

UNB's Ski Club has turned in another excellent performance as the only Maritime college team entered in CIAU competition. Last year they came second on their trip to 'Upper Canada.'

Welcome to the High School students taking part in and following the Interscholastic Tournament. We won't make any predictions as to the outcome because when you read this it may be all over and we might be embarrassed by a bad guess.

You people who stayed away from the Memorial Hall Fund game with Bates missed the best game of the year. Ted Owens played as on the great team of old, but the boys couldn't quite keep up with him.

With the unsuccessful trip to the Island by the hockey team over, another Intercollegiate title escaped us. It must be nearly time for Track training, isn't it?

JAYVEES DEFEAT F.H.S.

In a preliminary game played last Friday night the UNB Junior Varsity squad defeated the Fredericton High School boys 26-22 before a small crowd at Lady Beaverbrook gym.

The fast break of the Jayvees proved the margin of victory as the taller high school team was caught unguarded several times. Coach Ted Owens used all his players in the low-scoring tussle which saw the college team take an early lead that was never relinquished.

Scoring for Jayvees:—Miller 8, Davidson 6, Jacobson 3, King 4, Gilsou 2, Blackmer 2, Glass, MacDougall, Donald, Church.

ST. DUNSTANS RETAINS NB.-PEI. HOCKEY CROWN

Captain of Varsity Hockey this year, Bob Ryan (above), has been a member of the Hicks, Ryan, Bedard high-scoring forward line. Although he has not made as many scores as his line-mates, Bob stands at the top of the Assist column and was fourth high man in the York League. He is a Senior Civil.

CAGERS GOOD IN FINAL GAME

Before the most meagre crowd of the year Senior Varsity bowed to Bates College 66-45 in one of the fastest games to be played at the gym this year.

UNB drew first blood but from then on Bates had the edge and the first half finished with the visitors leading 25-18. Bates started the second half with a drive that at one time gave them a 59-29 lead. Ted's boys fought hard to the finish and whittled the lead down to the 21 point margin at the end.

St. Dunstons won the N. B. P. E. I. Intercollegiate Hockey Championship for the second year running as they won the second game of the home and home series with UNB at Charlottetown, 5-1, Tuesday. They took the total goal series 10-3, having won the first tilt at Fredericton 5-2.

The fast Island squad had a decided edge over the N. B. boys, and both goalies were outstanding, especially Walker in the UNB cage.

The first goal was scored by St. Dunstons in the first session, but Spear tied it up on an unassisted tally to end the first period 1-1. The second period was all St. Dunstons as they rapped in four goals without a reply from Pete Kelly's charges. UNB fought hard in the third to get back into the running, but no score resulted from either team.

For UNB the season is finished, while St. Dunstons will play off with the N. S. champs for the Maritime crown, which they won last year.

The Bates quintet led by their big and fast centre, Simpson, proved to be one of the classiest aggregations ever to play at Beaverbrook Gym. They showed a quick passing attack at close range, followed by shooting which was at times uncanny.

The Hillmen with coach Ted Owens playing an outstanding game were at their best with plays at times which made their supporters think of the championship teams of the past few years. With better luck at the basket the result might have been different.

Simpson was high man of the night with 20 points followed by Bailey and Burns with 12 and 11 respectively. UNB's scoring was well distributed with everyone taking part but Moore.

Line-up for UNB: Owens 2, Buchan 6, Carner 1, Campbell 8, Smith 6, Moore, Gagnon 2, Atkinson 1, Jardine 6, Murphy 4, Garland 6, Roberts 3.
