RED 'N BLACK REVUE CHORUS LINE

Here are some of the girls in the chorus line of the Red 'n Black Revue. The line is so good that our photographer snapped four pictures before he remembered to turn the film. It's a good thing they weren't wearing their harem costumes. He might never have made it out of the Ladies Reading Room.

PARLEZ-VOUS

Levels, transits, tapes and chains—
Eng.
Dynamos, bridges, turbines, cranes—
Eng.
Who was it that drained the flood,
And dammed the Nile to save the mud?
Eng. of S. P. S.

Who built the walls that balked the sea?—Eng.

Who drink their fill of TNT?—Eng.
Who pulled Jonah out of the whale
And built the Ark for Noah to sail?

Who really love the girls the most—
Men who do and never boast—
Who was it put the heat in hell
And slammed the door and rang the bell?

Who always make the most of life
Who are always ready for the strife,
Who won the war against the Hun,
And put the D-olls on the run.

Who take the bumps of life with
calm
Who do not curse but sing a Psalm,
Who trudge along in slush and dirt
And work till they can wring their
Shirt.

Who'll get to Heaven when they die
Grow little wings and learn to fly,
And who will guard the golden gate
And swear at those who come in late.

George & Art

CHORUS

Eng. Eng. men of S. P. S.
In that founting brine we soak and
hold it with the best.
Gin and Rye with lots of beers will
make us ever Engineers.
Then all the way we'll have to pray
God help us with our beers today.

RADIO CLUB

(Continued from page one)

sties will require more time to get
clubs formed and equipment gathered
together. However, the beginning
of the project speaks well for future
development and next fall should
see things really "moving" in the
University Amateur Radio field.

Egbert says

"I can't understand how
some people manage to study
in the library."

Maybe studying in the library is an
art in itself . . . it's a little difficult to acquire.
But here's one art easy to acquire and fun
to practice, the knack of having the money
to buy the things you want—when you want
them.

Just start a Savings Account at "MY BANK".
You'll find it's a tailor-made aid to your
financing . . . whether your
object is dinner, dance or date.
Try it . . . you'll like that
feeling of "I can buy it".

YOU'D BE
Surprised!

If you've never smoked a burley tobacco,
you'd be surprised how it keeps your tongue
cool, packs so easily, burns smoothly, and stays
lit with a minimum of light-ups. You can smoke
it all day long, and still come up for more.

Picobac is the pick of the Burley crop, grown
in sunny southern Ontario, where climate and
soil are the secret ingredients for a mild, cool,
satisfying smoke.

WHAT IS A "THRIFTY"?

WELL . . .

We made an adjective
into a noun, that's all.
A "thrifty" is a person who looks for
Three ingredients in every clothing purchase:

1. Style—good looks, comfort, fit.
2. Quality—fine fabrics, fine workmanship.
3. Value—your money's worth and more.

It means a person who buys Arrow products.

PS—You'll always get a good deal at your Arrow dealer's.
