Dairy Kings Even Series

Edge UNB 5-4 in Hasty Battle.
In one of the most thrilling games to date in York Arena, the Fredericton Dairy Kings defeated UNB 5-4. The game, which was packed with spills and thrills, was decided late in the third period, when a ruse from behind the UNB net deflected off "Knucker" Irvine's stick into the lower left hand corner of the net. This ended the series into a third and final game for the York County title.

York County Title.
Perhaps the most spectacular performance of the night was Dougie Sewell, who recovered from a first period injury to come back and fire his second goal of the night. Tricky and elusive, Sewell gave the Dairy Kings the spark they needed. Outflying UNB was "Pete" Kelly, who time and time again led attacks deep into enemy territory. Only the dogged determination of the Dairy Kings kept UNB from winning the game and title.

The game was quite rough in spots and referee Bill Lafford passed out nine penalties, five to Dairy Kings and four to UNB. The third and final game between these two teams is slated for York Arena on Saturday Feb. 28.

Score by periods—
1st Period—Dairy Kings 4 UNB 2

Dairy Kings Win Protested Finale

Defeat UNB 7-6 A.A.H.A. Orders Game Replayed on Tuesday.

The Fredericton Dairy Kings defeated UNB Senior Varsity 7-6 in the third game for the York County Championship. The game was played under protest by UNB as Dairy Kings used Ben McLennan, who at the time was registered with the Fredericton Capitals. Despite a telegram reportedly received by Dairy Kings management, McLennan was played and consequently a replay of the game ordered. On the face of it, it would seem only that the Dairy Kings wanted to see a strong squad for the encounter; however this corner is of the opinion that another \$500 game was taken into consideration.

The Dairy Kings jumped into an early 4-1 lead in the 1st period as they took their usual set-backs. The ice, which was very slow, caused the players to fumble their passes and the result at times proved disastrous to both teams. UNB closed the gap in the 2nd period but the Dairy Kings forged ahead again in the 3rd and were never headed.

Kenny Corio, who pulled the "hat trick" and Annie Dickinson, Dairy Kings brilliant goalie, were outstanding for the winners, while George Steele, playing perhaps his best game of the season, led the UNB into battle.

Tuesday night these two teams are again slated to come to blows to try and decide the York County title. Whoever wins we have all seen a wonderful series and we have a team to be proud of in our Red and Black puckers.

Dairy Kings scores: Gordon 3, Curran, Bowden, D. Sewell, McLennan, Kelly.

UNB: Ryan 2, Hicke, Gaudet, Dickinson, Kelly.

GYMNASTICS.
Tomorrow evening don't miss the super gym display being presented at the UNB Gym by Bert Estabrooks, City Director of Athletics. Much preparation has gone into rounding out the program so the evening promises to be a good one. Students will be admitted on their passes.

INTRAMURAL BASKETBALL.
Due to the boxing meet there was no Intramural Basketball played this week. The standing at present is as follows:

Team	W	L	D	Pts
Faculty	9	1	0	13
Chemists	8	2	0	16
St. Civils	8	2	0	16
St. Civils	6	4	0	12

Alexander 2	4	4	0	8

Newman Club	1	9	0	2
U-Y	1	8	1	2

The remaining bouts on the card were the elimination bouts for the UNB boxing team which goes to N. S. Tech. March 19 for the Intercollegiate meet. All fixtures were won by decisions and the boys displayed their prowess brilliantly.

The crowd was small but made plenty of noise. It is too bad that many hadn't attended because they not only missed a good meet but the UNB Memorial Fund suffered also. Anybody and his boys deserve a pat on the back for their efforts and we hope they do well at N. S. Tech.

Dairy Kings Win York Title

Down UNB 9-7 in Fast Exciting Game at York Arena. Knucker Irvine Uses Anvil and Hammer on Ballantyne Head.

In the grand finale of the York County League Playoffs, the Fredericton Dairy Kings defeated UNB Senior Varsity 9-7 in a wild and woolly session at York Arena. The ice was rather slow but the boys overcame this to put up a fast and wild brand of hockey which continued everything from a near free-for-all to a comic opera.

The Dairy Kings jumped into their customary 4-1 lead in the 1st period but before the period had ended UNB blazed the two quick goals to make the score 4-3. The 2nd period was very even and the score at the start of the third was 5-5 for the Dairy Kings. In this period our friend "Knucker" took a distinct dislike to Tom Ballantyne and pounced on top of Tom, who was lying on the ice, and proceeded to pound him about the noggin. Pete Kelly finally disturbed Knucker at this time and took a well-aimed thrust. To top it all off, Tom, who took things easy to avoid a penalty, received a minor penalty for his part in the fracas and shortly thereafter received a more brutal one as Tom went rushing madly after him. Peace soon reigned and the game continued with the Dairy Kings finally pulling ahead to the tune of 9-7.

Captain Bob Ryan was outstanding for UNB as his powerful shot was counted for a good share of UNB's troubles. Both goalies were right on their toes at all times as Annie Dickinson again shone for the Dairy Kings.

The series is over and the Dairy Kings are champs for this year. They beat all the luck in the world against Grand Falls.

Fletcher Takes Donovan

Last Wednesday night UNB's own Keith Fletcher took a decision from Irish Bobby Donovan of Saint John St. Peter's in a boxing bout at the Beverbrook Centre. Donovan, former Maritime Featherweight champ displayed a fine show of boxing and ring experience but could not get in under Keith's longer reach to do any effective harm. Fletcher held him off with sharp jabs to the head and took a clear decision on points.

The first feature bout of the evening brought together the crowd-pleasing 84 lbs. kids Johnnie Vaughn and Lloyd Gordon, both of Saint John. They put forth an energetic and fine display of boxing in the other feature bout Phil Gordon of St. Peter's gained a TKO over Boyd Hudson of UNB in the second round. The UNB put up a fierce fight against the former Maritime Flyweight champ but the latter's experience in the ring proved too much for Hudson.

The remaining bouts on the card were the elimination bouts for the UNB boxing team which goes to N. S. Tech. March 19 for the Intercollegiate meet. All fixtures were won by decisions and the boys displayed their prowess brilliantly.

ISLANDERS TAKE FIRST GAME

The Engineers Are Proud To Present:

THE UNB SENIOR VARSITY HOCKEY TEAM.

From left to right: Rock row—Coach Pete Kelly, Bob Wykes, Tom Ballantyne, Art Plummer, Jerry Gaudet, George Steele, Ian Sewell, Ed Sears, Mgr. Will Rogers. Front row—Bim McIntyre, Bob Ryan, Don Hicks, Ted Bedard, Bob Dickson, Sammy Sansom, Ross Kellie, Ross Walker. Absent: Cy Spear, Trainer Doug Cooke and Asst. Mgr. Norm Williams.

With the hockey spirit on the campus and in the city revived through the efforts of the York Athletic Association and our own hockey officials, we wish to introduce the team representing UNB to the students. For the past several years little has been known of the hockey team or its activities except its constant battle with the elements on an outdoor rink. Now we can see them in action and follow their play in a spirit that is hockey's own.

The following is a brief outline of each player as the team now stands:

No. 1. "BIM" MCINTYRE—Goalkeeper (5'8", 150 lbs.). Bim is a Sophomore Civil and comes from Saint John. During the war he was with the R. C. A. F. overseas. In '46 he played with the Saint John Dry Dock Royals and last year with UNB. Bim is also Vice-President of the Engineering Society.

No. 2. TOM BALLANTYNE—Right Defence (6'2", 215 lbs.). Tom hails from Kapuskasing, Northern Ontario and is a Sophomore Forester. His hockey career to date includes Junior and Intermediate in the N.O.H.A. for the home town, Albert College in 1941-'42 before joining the RCAF, UNB 1947-'48. Tom also plays football, Intramural Basketball and loves to eat above all.

No. 3. ART PLUMMER—Left Defence (6'1", 180 lbs.). Art is another foggy city boy and is a Junior Pre-Medical student. Art played two years with Saint John High before joining the RCAF. While at Central he played Intermediate in the O.H.A. for the Air Force. This is Art's third year on Varsity defence and he has had three successful seasons with the football team. Art's interests include the Flying Club and Veteran's Club.

No. 4. GEORGE STEELE—Right Defence (5'11", 170 lbs.). George comes from that great family of golfers in Rothsay and is a Sophomore Civil. George's golf is rivalled only by his hockey having played three years while in High School and in the Air Force. Perhaps his success on defence has depended on his several years of experience as a goaltender while in grade school.

No. 5. "IAN" SEWELL—Left Defence (6'0", 165 lbs.). Ian comes from Falmouth, Quebec and is a Sophomore Forester. Ian learned his hockey playing with Bishop's College School and the Canadian Army Overseas. He and his brother Peter have been largely responsible for the success of the Alexander outdoor rink this year.

No. 6. JERRY GAUDET—Left Defence (6'0", 180 lbs.). Jerry is a Moncton boy and is a Sophomore Civil. He played Intermediate five years in Bathurst while attending Sacred Heart School and College where he got his B.A.

No. 7. DON HICKS—Centre (5'9", 160 lbs.). Don is a Junior Pre-Medical student and comes from Dorchester. This is Don's third season with Varsity and has played in High School and with Debert, N. S., while in the RCAF. Don was leading batter in the York County County Baseball League. He has served on the A.A.A. two years being past Secretary and present Vice-President.

No. 8. BOB RYAN—Captain and Right Wing (5'7", 155 lbs.). Bob being Howie's brother, came from Truro and is a Senior Civil. In 1941 Bob helped Truro Junior Boroats to the Nova Scotia title. He played for Acadia in 1942-'45, Pictou Shipyard's A.P.C. entry 1945 and UNB 1947-'48. Bob's fingers are well acquainted with the piano key board and he can often be found pounding the ivories at the gym. No. 9. TED BEDARD—Left Wing (5'5", 155 lbs.). Ted is from North Bay, Ontario and being coach of the Junior Foresters Hockey team must be a Junior Forester. Ted played junior hockey in North Bay and Intermediate with Charlottetown Navy and UNB. Ted also plays Intramural Basketball for the Newman Club.

No. 10. ROSS KELLIE—Left Wing (5'8", 155 lbs.). "Kellie" is a Verdun boy and is a Freshman Science student. He played for Verdun High School and juvenile. His experience in Canadian Football gained him a berth on UNB's English Rugby team last fall.

No. 11. CY SPEAR—Centre (5'11", 185 lbs.). Cy is a Junior Civil and hails from St. George. The big man of the second line played three years High School hockey and also a season in the Army. Cy played on the Alexander College Baseball team in the summer of 1946 and played Varsity Football last year.

No. 12. BOB DICKSON—Right Wing (5'4", 135 lbs.). Bob's home town is Dunnville, Ontario, and is enrolled as a Sophomore Forester. He played Juvenile and Junior hockey in Dunnville and was active in hockey while at H. M. C. S. Cornwallis.

Junior Foresters

New World Champs

By H. HILLMAN

Under the direction of Junior Forester Bedard the Junior Foresters proved the Married Vets in the Intramural Hockey Finals last Sunday.

In the first game the Vets were chopped to a pulp, harked, put through the grinders, chopped and finally digested by a 3-1 score. Locky 14 of the Married Vets 36 lines survived for a night game.

The second game was a complete bleaching job. The Forester goalie Dugals did a bang-up job of fine screening, the forwards doing the filtering. The game ended up in the finishers to the tune of a 3-0 shutout.

The Junior Foresters are to be congratulated on their efficient and complete triumph achieved without the services of rugged Chief Laurier who was away consulting Fearless Fosdick on crime prevention.

ON THE LEVEL

Last year Varsity hockey stars Bud Stuart and Gene Petrovsky, who played for the St. Andrews Senators and Ottawa University respectively this season.

Many students missed the usual hilarious wit of the Co-Ed Hockey, given this year. In past years the Pink Sheet's version of this has always been several times as entertaining as the game itself.

This year the Intercollegiate athletes at UNB are enjoying unprecedented opportunity to participate in sports intramural basketball, hockey and bowling have had a record number of participants, in which the Engineers supplied 10 teams. Congratulations are certainly in order for the physical department for such a grand job of organization.

The following 12 men received football letters at the A.A.A. meeting: Capt. Bob Wey, Len Wade, Cy Spear, Paul Koller, John King, Ross Kellie, Carl "Chief" Lauder, Jack Grant, Art Plummer, "Shep" Sheppard, Ken Fulton, Fred Dunphy. Congratulations boys.

In 1941-'42 our Athletic Director Kelly was charged from right to left with Springfield of the American Hockey League. That season he racked up the scoring record of the H. L.

Red headed Gordie Eastman from St. Stephen led his team to a decisive victory over the UNB quintet at Sackville with 31 points. Gordie just couldn't miss Saturday night with his long one-hand thrusts. Constant practice with perfect coordination have made him outstanding in baseball, basketball and hockey.

Both titles held by UNB for years now go back to the Tannanman. Summary: Mt. A.—Montgomery 13, Chapman 8, E. Marshall, Tucker 11, Edgett 4, Black, Parker 11, G. Marshall 4.

UNB—McDonnell 12, Gibson Miller 5, Donald 6, King 5, Davidson 20, Jacobson, Blackmer 2, Church, Class 4, Havens.
